The Gestalt Approach Eye Witness To Therapy:

The Gestalt Approach & Eye Witness to Therapy Frederick S. Perls, 1973 The Gestalt Approach and Eye Witness to Therapy can be read together as one entity and also as two separate works This book is an exploration of a somewhat new approach to the entire subject of human behavior both in its actuality and its potentiality It is written from the belief that man can live a fuller richer life than most of us now do It is written from the conviction that man has not yet even begun to discover the potential of energy and enthusiasm that lies in him The book endeavors to bring together a theory and a practical application of that theory of the problems of daily life and to the techniques of psychotherapy The theory itself is grounded in experience and observation it has grown and changed with years of practice and application from Introduction
