The Golden Ball:

The Golden Ball John G. Watson, 2011-10-11 D L Dugan was a prospector Spanish American war hero and a successful businessman He was also miser who cut his own hair and stuffed his shoes with cardboard He had his hoard of gold bars melted down and molded into a ball so heavy no thief could make off with it His hobo grandnephew who resides in a junkyard with three other bums later inherits the ball but assumes it s worthless The four hilarious bunglers dream of riches but spend the bulk of their time relaxing in the shade and though they have little they are always willing to share with their wayfaring brothers **Catalogue of the Pepys Library at Magdalene College, Cambridge** Pepys Library, Helen Weinstein, 1978

Second volume in two volume catalogue of Pepys s outstanding collection of 17c ballads The Pepys ballad collection is the largest surviving collection of English ballads printed in London in the seventeenth century and is an outstanding source of English popular culture of the period Pepys himself grouped the ballads into subjects but a proper catalogue has long been needed by scholars and this complex and difficult task has at last been completed As a result the full riches of the collection already available in facsimile are now properly accessible The second part of the catalogue consists of the indexes Titles and sub titles are indexed together as these are often interchangeable First lines and refrains provide text indexes tunes and music are a guide to the musical element and imprints licensing information and authors enable the printing history to be reconstructed The Pepys Ballads Facsimile Vols I V 085991 256 6 450 00 190 00 **The Golden Sphere - An Introduction to Rebirthing and A Course in Miracles** Martin Woodward, 2011-03-03 A Wonderful Story of Rebirthing and Reiki With Unique 60 minute relaxation mp3 download You ll love this charming little book which is packed full of hidden gems and contains a seriously important message It s been described as being like Alice in Wonderland with Zen sutras and is both thought provoking and entertaining at the same time Don t be misled by the fact that the characters are clowns monkeys and bears etc this is simply to make it more fun to read but the underlying message which is present even in the idiotic parts is certainly no joke See Testimonials Here http://deeprelaxation.co.uk/gs_test.html The very fact that you are reading this page is an indication that this book was written specifically for you and you will certainly identify with many of the points brought into question this is no coincidence You ll even find out what really happened to Goldilocks and the three bears surely you want to know this And words of wisdom from Humpty Dumpty just before he became an omelette Throughout much of the story there are several quotations from A Course in Miracles If this story does nothing more than encourage you to read the above then its purpose will have been achieved Please see http://www.deeprelaxation.co.uk/gs_test.html for testimonials But you may also want to look further into the Conscious Connected Breathing Rebirthing technique which Bonjo is taught herein you d be wise to do so Also included is a 60 minute Conscious Connected Breathing mp3 recording which is both empowering and deeply relaxing The link is at the end of the book More information about this FREE recording can be found on my website at http://www.deeprelaxation.co.uk/conscious_connected_breathing.html If you have any problems with the download
