The Irish Lord P. B. Gould, 2005-02 The story of Charles P Stanton aka The Irish Lord has been told many times Stanton was never convicted of any crimes but most believe he was behind every robbery and death that took place near the mining communities of Weaver Wickenburg and Antelope Station Arizona before he died in 1886 Each time his stories are told he becomes more evil and sadistic No one really knows if all the things that are said about him are true However the author believes that because many of the events depicted in this book are true and documented then maybe the rest of them could be true as well Arizona Gold Gangster Charles P. Stanton Parker Anderson, Arizona State Historian, 2020-04-06 For generations Arizonans have been fascinated with the story of Charles P Stanton The alleged crime boss and mass murderer oversaw a reign of terror in the small mining town that bore his name Driven by greed he stole ore swindled mines away from their owners and bribed his way out of justice Those who crossed him usually ended up dead But are the legends actually true Relying on original source material including court documents and newspapers Arizona historian Parker Anderson reveals the true story of Stanton for the first time and broaches the possibility that the mysterious Irish Lord may not have been guilty of the terrible crimes that folklore has attributed to him Arizona Gold Gangster Charles P.
