Congress. Senate. Committee on Commerce, Science, and Transportation. Subcommittee on Foreign Commerce and Tourism, 1988 Negotiations With The Japanese Tanja Fuss, 2005-06-03 Japan s economic development its modernity and degree of industrialization often lead to the assumption that there are no major differences in the Japanese way of thinking motivations and value system to those of Western cultures Still Japanese behaviour is often perceived as incomprehensibly exotic irrational and even absurd which can lead to considerable difficulties in communication This book identifies potential sources of intercultural conflict and shows ways of coping with these by analysing various real life examples It is meant to sensitise the reader for possible causes of misunderstandings to enable him to solve or avoid them altogether and to impart enough knowledge about the Japanese culture for him to act and communicate successfully in Japan *Restructuring Japanese Business for Growth* Raj Aggarwal, 2012-12-06 Restructuring Japanese Business for Growth consists of eighteen previously unpublished invited chapters by experts on Japanese business It will attract both commercial and academic interest Japanese business can be
