The Jeffersonian Republicans In Power Party Operations 1801 1809

Andrew Burstein, Nancy Isenberg

The Jeffersonian Republicans In Power Party Operations 1801 1809:

The Jeffersonian Republicans in Power Noble E. Cunningham, 1967 The Jeffersonian Republicans in Power Noble E. Cunningham (Jr), 1963 New Jersey's Jeffersonian Republicans Carl E. Prince, 2014-01-01 Historians now recognize that development of American party machinery is most accurately and profitably studied at the state level The emphasis of this work is on party machinery for it was in this area that New Jersey's Jeffersonian Republican party made its most original contributions to the emerging American party system Originally published in 1967 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value **The Jeffersonian Republicans in Power** Noble E. Cunningham, Institute of Early American History and Culture (Williamsburg, Va.), 1963 Bibliographical note and footnotes

The Development of the American Presidency Richard J. Ellis, 2015-06-26 A full understanding of the institution of the American presidency requires us to examine how it developed from the founding to the present This developmental lens analyzing how historical turns have shaped the modern institution allows for a richer more nuanced understanding beyond the current newspaper headlines The Development of the American Presidency pays great attention to that historical weight but is organized by the topics and concepts relevant to political science with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage this text looks at how the presidency has evolved in relation to the public to Congress to the Executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change All the while Ellis illustrates the institutional relationships and tensions through stories about particular individuals and specific political conflicts Ellis's own classroom pedagogy of promoting active learning and critical thinking is well reflected in these pages Each chapter begins with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts A companion website not only acts as a further resources base directing students to primary documents newspapers and data sources but also presents interactive timelines and practice quizzes to help students master the book's lessons The second edition a new chapter on unilateral powers that brings greater attention to domestic policymaking **The Party Period and Public Policy** Richard L. McCormick, 1989 These boldly argued essays describe and analyze key developments in American politics and government in an era when political parties commanded mass loyalties and wielded unprecedented power over government affairs McCormick follows the major parties from their emergence in the 1820s and 1830s to their transformation almost a century later discussing the nature of governance clarifying economic policies of promotion distribution and later regulation that characterized government functions at every level and sorting out the complex relationships between politics and policy during the party period **Affairs of Honor**

Joanne B. Freeman, 2002-01-01 Offering a reassessment of the tumultuous culture of politics on the national stage during America's early years when Jefferson Burr and Hamilton were among the national leaders Freeman shows how the rituals and rhetoric of honor provides ground rules for political combat Illustrations **Madison and Jefferson** Andrew Burstein, Nancy Isenberg, 2013-01-29 A monumental dual biography a distinguished work combining deep research a pleasing narrative style and an abundance of fresh insights a rare combination The Dallas Morning News The third and fourth presidents have long been considered proper gentlemen with Thomas Jefferson's genius overshadowing James Madison's judgment and common sense But in this revelatory book about their crucial partnership both are seen as men of their times hardboiled operatives in a gritty world of primal politics where they struggled for supremacy for more than fifty years With a thrilling and unprecedented account of early America as its backdrop Madison and Jefferson reveals these founding fathers as privileged young men in a land marked by tribal identities rather than a united national personality Esteemed historians Andrew Burstein and Nancy Isenberg capture Madison's hidden role he acted in effect as a campaign manager in Jefferson's career In riveting detail the authors chart the courses of two very different presidencies Jefferson's driven by force of personality Madison's sustained by a militancy that history has been reluctant to ascribe to him Supported by a wealth of original sources newspapers letters diaries pamphlets Madison and Jefferson is a watershed account of the most important political friendship in American history Enough colorful characters for a miniseries loaded with backstabbing and frontstabbing too Newsday An important thoughtful and gracefully written political history Publishers Weekly starred review

On the Stump Sean Scalmer, 2017-09 Stumping or making political speeches in favor of a candidate cause or campaign has been around since before the 1800s when speechmaking was frequently portrayed as delivered from the base of a tree The practice which has been strongly associated with the American frontier British agitators and colonial Australia remains an effective component of contemporary democratic politics In his engaging book On the Stump Sean Scalmer provides the first comprehensive transnational history of the stump speech He traces the development and transformation of campaign oratory as well as how national elections and public life and culture have been shaped by debate over the past century Scalmer presents an eloquent study of how stumping careers were made sustained remembered and exploited to capture the complex rhythms of political change over the years On the Stump examines the distinctive dramatic and performative styles of celebrity orators including Davy Crockett Henry Clay and William Gladstone Ultimately Scalmer recovers the history of the stump speech and its historical significance in order to better understand how political change is forged **Thomas**

Jefferson: The Art of Power Jon Meacham, 2013-10-29 1 NEW YORK TIMES BESTSELLER From Pulitzer Prize winning biographer Jon Meacham a big grand absorbing exploration of not just Jefferson and his role in history but also Jefferson the man humanized as never before Entertainment Weekly Probably the best single volume biography of Jefferson ever written Gordon S Wood A BEST BOOK OF THE YEAR The New York Times Book Review The Washington Post Entertainment Weekly

The Seattle Times St Louis Post Dispatch BookPage This magnificent biography brings vividly to life an extraordinary man and his remarkable times giving us Thomas Jefferson the man the politician and the president A Founder whose understanding of power and of human nature enabled him to move men and marshal ideas to learn from his mistakes and to prevail Jefferson was passionate about many things women his family science architecture gardening Monticello Paris and more He strove despite fierce opposition to realize his vision the creation survival and success of popular government in America Drawing on archives in the United States England and France as well as unpublished transcripts of Jefferson presidential papers Jon Meacham shows us the personal Jefferson a man of appetite sensuality and passion He also presents Jefferson as the most successful political leader of the early republic and perhaps in all American history a leader who found the means to endure and to win His story resonates today not least because he led his nation through ferocious partisanship amid economic change and external threats Jefferson also embodies an eternal drama the struggle of the leadership of a nation to achieve greatness in a difficult and confounding world
