themes of identity and survival that resonate through history **Chinese Perceptions of the 'Jews' and Judaism** Xun Zhou, 2001 This text argues that prejudice against the Jews is not only a western phenomenon but also exists in Eastern countries such as China where representations of Jews and Judaism are very complex *The Expulsion of the Jews* Yale Strom, 1992 According to legend in 1492 200 000 Jews marched from Spain singing religious songs led by their rabbis They were called Sephardim They left at the orders of King Ferdinand and Queen Isabella whose Edict of Expulsion gave Spanish Jews the choice of conversion to Christianity or exile To commemorate the five hundredth anniversary of their expulsion Yale Strom represents a memorable beautifully crafted portrait of the subsequent Jewish existence in these secluded exilic lands their sorrows their courage and the awe inspiring attributes that have kept them religiously and culturally whole for half a millennium From Spain these courageous refugees settled in the Ottoman Empire in Turkey Greece Yugoslavia the Balkans and elsewhere Traveling along perilous paths to uncertain futures the pilgrims formed a new diaspora a dispersion within a dispersion As they found new homes in the strong and powerful Ottoman Empire they of course longed for the land of Israel yet with steadfast tenacity they determined to retain their Judeo Spanish tongue a composite of mainly Castellan Turkish Arabic Greek and Hebrew words and idioms With their strong willed consciousness of Sephardic culture they soon assimilated other Jews living along the Aegean Coast and in the Balkans Even into the 1930s two hundred thousand Jews of that region are Sephardim But the Holocaust and the aliyah to Israel and natural attrition due to ageing has caused this number to dwindle to 50 000 Rich in historical detail this tribute to Sephardic life reveals the Sephardim s contributions to Judaism throughout the world Through vivid personal narrative and sensitive photography it introduces current descendants of the exiled Jews the Sephardim who still live in the countries where their ancestors sought refuge five hundred years ago As well it commemorates those Jews who chose to return to Spain and Portugal at the start of this century An inspiring highly readable account of a significant and dramatic chapter in Jewish history *The Jews of Medieval Western Christendom* Robert Chazan, 2006-11-23 Between the years AD 1000 and 1500 western Christendom absorbed by conquest and attracted through immigration a growing number of Jews This community was to make a valuable contribution to rapidly developing European civilisation but was also to suffer some terrible setbacks culminating in a series of expulsions from the more advanced westerly areas of Europe At the same time vigorous new branches of world Jewry emerged and a rich new Jewish cultural legacy was created In this important historical synthesis Robert Chazan discusses the Jewish experience over a 500 year period across the entire continent of Europe As well as being the story of medieval Jewry the book simultaneously illuminates important aspects of majority life in Europe during this period This book is essential reading for all students of medieval Jewish history and an important reference for any scholar of medieval Europe **Folktales of the Jews, V. 3 (Tales from Arab Lands)** Dan Ben Amos, 2011-05-01 Thanks to these generous donors for making the publication of the books in this series possible Lloyd E Cotsen The Maurice Amado Foundation National Endowment for the Humanities and the

National Foundation for Jewish Culture Tales from Arab Lands presents tales from North Africa Yemen Lebanon Syria and Iraq in the latest volume of the most important collection of Jewish folktales ever published This is the third book in the multi volume series in the tradition of Louis Ginzberg s timeless classic Legends of the Jews The tales here and the others in this series have been selected from the Israel Folktale Archives IFA named in Honor of Dov Noy at The University of Haifa a treasure house of Jewish lore that has remained largely unavailable to the entire world until now Since the creation of the State of Israel the IFA has collected more than 20 000 tales from newly arrived immigrants long lost stories shared by their families from around the world The tales come from the major ethno linguistic communities of the Jewish world and are representative of a wide variety of subjects and motifs especially rich in Jewish content and context Each of the tales is accompanied by in depth commentary that explains the tale s cultural historical and literary background and its similarity to other tales in the IFA collection and extensive scholarly notes There is also an introduction that describes the culture and its folk narrative tradition a world map of the areas covered illustrations biographies of the collectors and narrators tale type and motif indexes a subject index and a comprehensive bibliography Until the establishment of the IFA we had had only limited access to the wide range of Jewish folk narratives Even in Israel the gathering place of the most wide ranging cross section of world Jewry these folktales have remained largely unknown Many of the communities no longer exist as cohesive societies in their representative lands the Holocaust migration and changes in living styles have made the continuation of these tales impossible This series is a monument to a rich but vanishing oral tradition This series is a monument to a rich but vanishing oral tradition
