The Joshua Requiem:

The Joshua Requiem Travis Wheeler, 1997 **Everything and More** Jacqueline Briskin, 2015-01-13 Two sisters the beautiful and alluring Marilyn and her smart and savvy sister Roy move to Beverly Hills with their mother after the death of their father so that they can attend the posh public school Beverly Hills High Though they live in relative poverty Marilyn acts in all of the school plays at her mother's insistence and she is quickly noticed by Linc the oldest son of the iconic movie producer Joshua Fernald Marilyn and Linc find themselves overtaken by a passionate romance that neither of them had expected and they are devastated when Linc who is in the air force is called back to duty overseas Marilyn's acute loss continues to haunt her for years afterward when she and Linc suffer a tragedy worse than she had ever imagined Meanwhile Roy graduates from high school and goes on to pursue her interest in fashion becoming a successful businesswoman at an upscale boutique Her closest friend from Beverly Hills High Althea is a wealthy and mysterious beauty whose sharp remarks and unfailing composure hide dark and terrible secrets about her family life Throughout their childhood Althea is generous to Roy but deeply possessive of her As the pair grows older Althea's antics worsen until the two find themselves embroiled in a love triangle with an artist named Gerry Horak which threatens to tear them apart once and for all An epic tale that spans continents and nearly half a century Everything and More is a suspenseful tour de force by a master at family drama Readers will be hooked from the first page and surprised throughout by the passion trickery and emotion culminating in a shocking twist that no one ever saw coming **Art, Space, Ecology** Grande John K. Grande, 2019-10-15 In Art Space Ecology internationally renowned curator and critic John K Grande interviews twenty major contemporary artists whose works engage with the natural environment Whether their medium is sculpture nature interventions performance body art or installation these discussions complemented by eighty stunning photographs reveal the artists diverse backgrounds and methods expressions and realizations Ultimately the natural world serves as a canvas to explore the intersections of art space and the environment thereby raising questions about our relationship with landscape itself The essence of the art form is a dynamic interactivity and the dialogues between Grande and the artists mirror the encounter of object and environment artist and audience society and nature This work is rounded out with an engaging introduction by writer and curator Edward Lucie Smith who sets the stage for some of the most insightful and compelling discussions on art to be found **The Red Fang** Nicola C. Matthews, 2007-07-08 From the underground lair of the Paranormal Princess comes this action packed fast paced roller coaster ride of love lust and betrayal in a series readers are calling not just another vampire book this isn't your normal paranormal They're killing us off one by one a full blown extermination And they call us the monsters Hopeless pointless Those were the words on the lips of everyone still left standing in our small supernatural community The vampire Stealth had barely escaped with his immortal life after the Shield of Humanity attacked his home a home which now lay in ruins on the outskirts of Shadow Cove The lycan clans were being picked off one by one by the hate filled faction the few

remaining remnants scattered to the winds Entire species and families had been eradicated a full blown extermination carried out for no other reason than they were feared by the humans Their lives were being cut short but those in peril would no longer stand idly by and watch as their families were destroyed They would unit fight until the bitter end all declaring in one voice they are no different than the humans and they have the right to exist to live This is a tale which drags the darkness into the light lays bare the shadows lurking inside the hearts of mankind a tale which can only end one way with bloodshed Battle lines have been drawn but the war has just begun In a distinctive mashup between the worlds of Twilight Anita Blake and the Vampire Chronicles the Before the Sun Rises series is a fast paced action packed urban science fantasy which transports fans of the paranormal into a world fraught with conflict Find out why readers are saying this isn t your normal paranormal
