## **The Making And Breaking Of The Australian Family:**

The Making and Breaking of the Australian Family Michael Gilding, 2020-07-31 Once everyone knew what the family was It was something natural and without a history mum dad and the kids Divorce women in the workforce de facto relationships and the sexual liberation movements have fractured the old certainties Nowadays there is more talk about the family than ever even if no one is quite sure what it is anymore The making and breaking of the Australian family looks at the family in history It traces the shift from the household economy of the late nineteenth century to the child centred nuclear family of the mid twentieth century to the recent proliferation of households The book argues that the so called traditional family was a quite recent creation and that its fragmentation is obscured by new redefinitions of the family The making and breaking of the Australian family addresses the changing experiences of childhood parenting home neighbourhood work birth and sexuality It examines the expansion of the market and the state patterns of class mobilisation the reconstruction of masculinity and femininity and the creative strategies of ordinary people in everyday life This is a lively and accessible book which will prove a valuable reference for students of history sociology women s studies and Australian studies and will generate wide discussion amongst people concerned with family policy welfare and contemporary social issues

**Food, Morals and Meaning** John Coveney, 2002-01-04 *Food Morals and Meaning* examines our need to discipline our desires our appetites and our pleasures at the table However instead of seeing this discipline as dominant or oppressive it argues that a rationalisation of pleasure plays a positive role in our lives allowing us to better understand who we are The book begins by exploring the way that

concerns about food the body and pleasure were prefigured in antiquity and then how these concerns were recast in early Christianity as problems of natural appetite which had to be curbed The following chapters discuss how scientific knowledge about food was constructed out of philosophical and religious concerns about indulgence and excess in 18th and 19th Century Europe Finally by using research collected from in depth interviews with families the last section focuses on the social organisation of food in the modern home to illustrate the ways that the meal table now incorporates the principles of nutrition as a form of moral training especially for children Food Morals and Meaning will be essential reading for those studying nutrition public health sociology of health and illness and sociology of the body Key Features l Health sociology is a rapidly growing subject area

Re-orienting Western Feminisms Chilla Bulbeck,1998 The agenda of contemporary western feminism focuses on equal participation in work and education reproductive rights and sexual freedom But what does feminism mean to the women of rural India who work someone else s fields young Thai girls in the sex industry in Bangkok or Filipino maids working for wealthy women in Hong Kong In this 1998 book Chilla Bulbeck presents a bold challenge to the hegemony of white western feminism in this incisive and wide ranging exploration of the lived experiences of women of colour She examines debates on human rights family relationships sexuality and notions of the individual and community to show how their meanings and significance in different parts of the world contest the issues which preoccupy contemporary Anglophone feminists She then turns the focus back on Anglo culture to illustrate how the theories and politics of western feminism are viewed by non western women

**Living Feminism** Chilla Bulbeck,1997-10-27 Examining the impact of feminism on ordinary Australian women the author argues that the impact of feminism on women s lives has been significant even though many of the women whose lives have changed because of its influence shun the term feminist or find feminism irrelevant

Masculinities RW Connell, 2020-07-16 When it was first published over a decade ago R W Connell's ground breaking text on the nature and construction of masculine identity rapidly became a classic In Masculinities Connell argues that there is not one masculinity but many different masculinities each associated with different positions of power In a world gender order that continues to privilege men over women but also raises difficult issues for men and boys her account is more relevant than ever before In this new edition Connell discusses the development of masculinity studies in the ten years since the book's initial publication She explores global gender relations new theories and practical uses of masculinity research She also addresses the politics of masculinities and the implications of masculinity research for understanding current world issues Against the backdrop of an increasingly divided world dominated by neo conservative politics Connell's account highlights a series of compelling questions about the future of human society Masculinities has been translated into many languages and in 2004 it was voted one of the ten most influential books in Australian sociology This second edition will be essential reading for students taking courses in gender studies and a valuable reference for readers across the humanities and social sciences the fundamental study on masculinity as a formative factor of modern social inequality and also one of the most important books in the social sciences in recent years Professor Ilse Lenz Ruhr University Bochum

*A Doctor Across Borders* Alexander Cameron-Smith, 2019-02-28 In his day Raphael Cilento was one of the most prominent and controversial figures in Australian medicine As a senior medical officer in the Commonwealth and Queensland governments he was an active participant in public health reform during the inter war years and is best known for his vocal engagement with public discourse on the relationship between hygiene race and Australian nationhood Yet Cilento's work on tropical hygiene and social welfare ranged beyond Australia especially when he served as a colonial medical officer in British Malaya and in the

Mandated Territory of New Guinea He also worked with the League of Nations Health Organization in the Pacific Islands and oversaw international social welfare programs for the United Nations On one level this professional mobility allowed ideas and practices of public health and government to circulate between colonial spaces of northern Australia the Pacific Islands and Asia On another it meant that Cilento's Pacific colonialism and colonial experience shaped his understanding of Australian national health and welfare Rather than attempt a comprehensive biography of Cilento this book instead uses this border crossing career as a means to explore several material and discursive facets of Australia's relationships to the Pacific and the world

**The Sociology of Social Problems** Adam Jamrozik, Luisa Nocella, 1998-07-13 Social problems such as unemployment poverty and drug addiction are a fact of life in industrialised societies This book examines the sociology of social problems from interesting and challenging perspectives It analyses how social problems emerge and are defined as such who takes responsibility for them who is threatened by them and how they are managed solved or ignored The authors examine and critique existing theories of social problems before developing their own theoretical framework Their theory of residualist conversion of social problems explains how certain social problems threaten legitimate power structures so that problems of a social or political nature are transformed into personal problems and the helping professions are left to intervene This book will become a key reference on class inequality and social intervention and an important text for students in sociology and social work courses

**The Rise of the Therapeutic Society** Katie Wright, 2015-02-25 An examination of the Western world's contemporary fascination with psychological life and the historical developments that fostered it In this book sociologist Katie Wright traces the ascendancy of therapeutic culture from nineteenth century concerns about nervousness to the growth of psychology the diffusion of an analytic attitude and the spread of therapy and counseling using Australia as a focal point Wright's analysis which draws on social theory cultural history and interviews with therapists and people in therapy calls into question the pessimism that pervades many accounts of the therapeutic turn and provides an alternative assessment of its ramifications for social political and personal life in the globalized West Special Commendation TASA Raewyn Connell Prize
