The Making Of The Jewel In The Crown:

The Making of The Jewel in the Crown, 1983 The Making of The Jewel in the Crown, 1983-01-01 **The Making of The Jewel in the Crown** Paul Scott, 1983 Discusses the production filming and cast of PBS television's Masterpiece Theater production of *The Jewel in the Crown* a fourteen week series based on Paul Scott's Raj Quartet novels focusing on the tumultuous history of India between 1942 and 1947 **Shades of Empire in Colonial and Post-Colonial Literatures**, 2021-11-01 The scope of the articles in *Shades of Empire in Colonial and Post Colonial Literatures* which are arranged in a broad sweep from East to West with four short papers nestled in the middle on the theme of colonialism and motherhood is extensive and varied But in one way or another they all reflect the growing importance of literatures and cultures that might once have been regarded as marginal During the colonial period the literature of the centre took possession of the margin as well as of the imagination of the margin But only recently has the question been raised as to why traditional English literary history has paid so little attention to colonial literature Now post colonial literatures are writing themselves back into the centre and what used to be the margins of the English language world have now set themselves up as rival centres An interesting question to arise from this is whether in the process the former colonial or colonizing literature has now itself turned into a post colonial literature What this book affirms is the importance and interest of a wide variety of literatures sharing a language but reflecting a rich and provocative diversity of histories experiences and attitudes to the shared world which still also divides us **The Jewel in the Crown** Paul Scott, 2022-12-22 The first novel in the epic quartet about the last days of British rule in India as much a story of romantic love as it is of crime an artful triumph *The New Yorker* *The Jewel in the Crown* is the first of Paul Scott's renowned historical novels that limn the Anglo Indian world with its lovers friends family servants soldiers businessmen murderers and suicides all involved in one another's fate *The New York Times* It opens in 1942 as the British fear both Japanese invasion and Indian demands for independence On the night after the Indian Congress Party votes to support Gandhi riots break out and an ambitious police sergeant arrests a young Indian for the alleged rape of the woman they both love What has always astonished me about *The Raj Quartet* is its sense of sophisticated and total control of its gigantic scenario and highly varied characters The politics are handled with an expertise that intrigues and never bores and are always seen in terms of individuals *New Republic* Paul Scott's vision is both precise and painterly *The New York Times Book Review* Few people have written about India quite as seductively or as intelligently with a sense of loss but also a sense of responsibility and fallibility *Kirkus Reviews* starred review **Making of The Jewel in the Crown; The Masterpiece Theatre Series Based on Paul Scott's Raj Quartet** MAKING OF THE JEWEL IN THE CROWN., 1983 **Some Joe You Don't Know** Anthony Slide, 1996-01-23 Americans have been watching and enjoying British television programming since the mid 1950s but the information on the personalities involved is difficult if not impossible to find in the United States This guide provides biographical essays complete with bibliographies on 100 of the

Paul Scott, a Critical Study Francine Schneider Weinbaum,1992 When The Jewel in the Crown aired on British and American television in the early 1980s many people who had never read Paul Scott s Raj Quartet on which it is based became engrossed in his sweeping tale of India in the waning days of the Raj At the same time however some literary critics displaying a scholarly prejudice against popular success dismissed the literary worth of Scott s novels In this comprehensive study of all thirteen Scott novels Francine Weinbaum takes issue with these critics and makes a persuasive claim for The Raj Quartet as a masterpiece of twentieth century literature After a biographical chapter Weinbaum discusses Scott s earlier novels as thematic and technical precursors of The Raj Quartet The Jewel in the Crown The Day of the Scorpion The Towers of Silence and A Division of the Spoils She traces in the Quartet a dynamic of reality and illusion that underlies the protagonists struggle for love the antagonists striving for power and privilege and the central theme of the search for union between England and India whites and nonwhites and soul and body A final chapter demonstrates how the protagonists of the early and middle novel repressed depressed introverted and inadequate figures are transformed into the life affirming tragic figures of The Raj Quartet who are imprisoned not so much by psychological forces as by historical and social ones In exploring the theme of thwarted union in The Raj Quartet and relating it to Scott s own life and inner world Weinbaum opens a new door into the works of Paul Scott for both scholars and the reading public [Advances in Mergers and Acquisitions](#) Sydney Finkelstein,Cary L. Catherine Renshaw, 2019-02-18 In Human Rights and Participatory Politics in Southeast Asia Catherine Renshaw recounts an extraordinary period of human rights institution building in Southeast Asia She begins her account in 2007 when the ten members of the Association of Southeast Asian Nations ASEAN signed the ASEAN charter committing members for the first time to principles of human rights democracy and the rule of law In 2009 the ASEAN Intergovernmental Commission on Human Rights was established with a mandate to uphold internationally recognized human rights standards In 2013 the ASEAN Human Rights Declaration was adopted as a framework for human rights cooperation in the region and a mechanism

for ASEAN community building Renshaw explains why these developments emerged when they did and assesses the impact of these institutions in the first decade of their existence In her examination of ASEAN Renshaw asks how human rights can be implemented in and between states that are politically diverse Vietnam and Laos are Communist Brunei Darussalam is an Islamic sultanate Myanmar is in transition from a military dictatorship the Philippines and Indonesia are established multiparty democracies while the remaining members are less easily defined Renshaw cautions that ASEAN is limited in its ability to shape the practices of its members because it lacks a preponderance of democratic states However she concludes that in the absence of a global legalized human rights order the most significant practical advancements in the promotion of human rights have emerged from regional institutions such as the ASEAN
