McGlasson, 2022-07-05 There are many books about theological exegesis there are far fewer books of theological exegesis This volume on the Pentateuch begins a six volume work of theological exegesis that will span select passages from the whole of the Christian Bible The aim is to read Scripture according to its theological shape as a witness to the living claim of God upon church and world made known in Jesus Christ The theological frame of the Pentateuch is grounded in the freely given promise of God which gathers not only the people of God but humanity and the whole creation into the one purpose of God's redemptive love Indeed we live by that selfsame promise today and must struggle to understand and act in our world in light of it The book and the series are intended for teachers pastors students and readers attentive to the theological and spiritual dimensions of the biblical witness in all its brilliance and mystery Field Sports of the North of Europe Llewelyn Lloyd, 1885 **Evangelical**

politicians Do you vote for the lesser of two evils The truth is you do not live in a real democracy Electoral Representative Democracy is not a truly democratic system it is oppressive it concentrates power in a few hands it is inefficient polarizing easily corrupted and it tends to generate either stagnation or dictators What options do we have Stay on this oppressive polarizing and inefficient system until it breaks apart or a dictator or violent revolution terrorizes our society Implement a more oppressive and totalitarian system to maintain order and ramp up efficiency Implement one of the truly democratic but inefficient systems that have already been developed and applied like direct democracy or sortition democracy Develop new efficient just and real democratic systems and processes like the Democratic Objectivecracy What is our best option The Democratic Objectivecracy a new social organization system that is truly democratic participatory efficient hard to corrupt that distributes power equally among all citizens it incentivizes collaboration and cooperation to achieve societies common objectives it protects citizens from oppression and abuses of power and it generates new opportunities and freedoms The Democratic Objectivecracy maximizes organization and citizens power while eliminating hierarchy and the concentration of power in a few hands Can we really change the system Of course Systems have been changed before and they will continue to change The real question is not whether or not the system will change but whether it will change peacefully or through violence and whether it will change to be more oppressive or a more just and free system Do you want real democracy

Repr** William Law,1762      **The Woman Is the Glory of the Man** George Davis,2012-07 Are we years away from the end of time or perhaps months The prophetic signs of this world clearly indicate the second coming of Christ As in the days of Noah the marriages of the day are an indicator of this event When God created the marriage institution He installed spiritual roles for the man and woman When these roles would reverse themselves intervention from God always followed This has been an established pattern all through the Bible It first manifested with Adam and Eve in the garden It followed the downfall of the sons of God right before the flood And it brought judgment to Solomon shortly after he began to worship the gods of his wives The New Testament is full of warnings to the churches about following the spiritual authority given to the man and woman These warnings are basically ignored today The marriage relationship when spiritually understood clearly prophesies that we will experience the end times during our lifetime      *Rousseau and Romanticism* Irving Babbitt,2019-11-25 In *Rousseau and Romanticism* Irving Babbitt delves into the complex interplay between Jean Jacques Rousseau s philosophical ideas and the burgeoning Romantic movement of the 18th and 19th centuries Babbitt employs a critical lens analyzing Rousseau s notions of individuality emotion and nature proposing that his ideas served both as a catalyst for and a counterpoint to Romanticism s ideals The prose is characterized by Babbitt s incisive clarity and rigorous scholarship offering a nuanced exploration that situates Rousseau within the broader literary and philosophical context of his time while examining the ramifications of his work on subsequent thinkers and artists Irving Babbitt an esteemed American literary scholar and critic was deeply engaged with the intellectual currents
