## **The Mantle Of The Prophet Religion And Politics In Iran:**

The Mantle of the Prophet Roy P. Mottahedeh, 2008-10 Informed by eyewitness testimony the foremost account of Iran's 1979 Revolution and its impact today Drawn from the first hand accounts of eyewitnesses Roy Mottahedeh's absorbing tale of Islam and Politics in revolutionary Iran is widely regarded as one of the best records of that turbulent time ever written This revised edition includes a new chronology detailing events in Iran from the revolution right up to the present day and Ahmadinejad's controversial regime There is simply no better resource for understanding Iran's past present and future

The Mantle of the Prophet Roy P. Mottahedeh, 2009      *The Mantle of the Prophet* Roy Mottahedeh, 1985      *The Mantle of the Prophet* Roy Mottahedeh, 1986-09 A successful work on the culture and politics of modern day Islam as told through the story of a young Iranian cleric      The Passion of Michel Foucault James Miller, 2000 Based on extensive new research and a bold interpretation of the man and his texts *The Passion of Michel Foucault* is a startling look at one of this century's most influential philosophers It chronicles every stage of Foucault's personal and professional odyssey from his early interest in dreams to his final preoccupation with sexuality and the nature of personal identity      *State, Religion, and Revolution in Iran, 1796 to the Present* B. Moazami, 2013-11-07 Two basic assumptions have shaped understanding of recent Iranian history One is that Shi'ism is an integral part of Iran's religious and cultural landscape The other is that the ulama religious scholars have always played a crucial role This book challenges these assumptions and constructs a new synthesis of the history of state and religion in Iran from 1796 to the present while challenging existing theories of large scale political transformation Arguing that the 1979 revolution has not ended Behrooz Moazami relates political and religious transformations in Iran to the larger instability of the Middle East region and concludes that turmoil will continue until a new regional configuration evolves

**Religion and Politics in the Middle East** Robert D. Lee, 2018-04-19 This innovative book analyses the relationship between religion and politics in the Middle East through a comparative study of five countries Egypt Israel Turkey Iran and Saudi Arabia Robert D Lee examines each country in terms of four domains in which state and religion necessarily interact national identity ideology institutions and political culture In each domain he considers contradictory hypotheses some of them asserting that religion is a positive force for political development and others identifying it as an obstacle Among the questions the book confronts Is secularization a necessary prerequisite for democratic development How is it and why is it that religion and politics are so deeply entangled in these five countries And why is it that all five countries differ so markedly in the way they identify themselves and use religion for political purposes The book argues that the nature of religious organization and practice in the Middle East must be understood in the context of individual nation states The second edition is updated throughout and includes an entirely new chapter discussing the political and religious climate in Saudi Arabia Earlier introductory analysis has been condensed to make room for new material and chronologies at the end of each chapter have been added to help students understand the broader context The

second edition of Religion and Politics in the Middle East is a robust addition to courses on the Middle East     Ayatollah Ruhollah Khomeini Daniel E. Harmon, Anne M. Todd, 2009 Chronicles the life of the man who advocated nonviolent resistance leading India to independence from Britain with quotes and a timeline     **The Political System of the Islamic Republic of Iran**

M. Mahmood, 2006 The book is an authentic and authoritative introduction to the contemporary political establishment in Iran The book analyses incisively the political system of the Islamic Republic of Iran Students research scholars of political science will find the study informative and unique in treatment on politics and prove beneficial for study

**Women and Politics in the Islamic Republic of Iran** Sanam Vakil, 2011-04-21 Women and Politics in the Islamic Republic of Iran looks at the rise and role of female activism in Iran since the 1979 Revolution Since 1979 women have played a decisive role in elections and assumed political posts This study assesses this role as well as the impact of domestic and international policies on women's activism highlighting the contradictions between politics and religion within the Islamic Republic It also seeks to evaluate political and economic developments and the transformations in civil society including the development of a gender conscious society Women and Politics in the Islamic Republic of Iran features original research by Sanam Vakil an Iranian American scholar who conducted interviews with women activists politicians journalists clerics and students in Iran Europe and the U S and used primary sources to specifically links women's activism to the domestic political changes in Iran The book will be an essential resource for anyone studying Iranian politics and seeking to understand better the internal political and social dynamics in Iran and the critical role that women play     Islam and the Post-Revolutionary State in Iran Homa Omid, 2016-07-27 her short analysis of the Iranian armed forces in the 1980s is first rate so too is her much more substantial section on women and the state in Iran As well as offering useful insights into the workings of the Islamic state in Iran this readable book also provides a warning of the struggles ahead in many other Muslim societies Anoushiravan Ehteshami Times Higher Education Supplement Islam has been the driving force shaping the ideology and the power base of the Iranian revolution This volume engages critically with the Islamic perspective and promises offered by the revolution Looking at the rise of the religious institution as a revolutionary force the author observes their post revolutionary policies in the domains of politics economics education the armed forces and women's status In the event the volume demonstrates that the Iranian government has failed to deliver on most if not all of its Islamic pledges     **The Politics of Women's Rights in Iran** Arzoo Osanloo, 2009-03-29 Osanloo Arzoo presents an ethnographic study that explores how conceptions of liberal entitlements fused with a discourse of equality in Islam in the post revolutionary era to inform shape women's perceptions of rights     **A History of Social Justice and Political Power in the Middle East** Linda T. Darling, 2013-05-02 From ancient Mesopotamia into the 20th century the Circle of Justice as a concept has pervaded Middle Eastern political thought and underpinned the exercise of power in the Middle East The Circle of Justice depicts graphically how a government's justice toward the population generates political power military strength prosperity and good

administration This book traces this set of relationships from its earliest appearance in the political writings of the Sumerians through four millennia of Middle Eastern culture It explores how people conceptualized and acted upon this powerful insight how they portrayed it in symbol painting and story and how they transmitted it from one regime to the next Moving towards the modern day the author shows how although the Circle of Justice was largely dropped from political discourse it did not disappear from people s political culture and expectations of government The book demonstrates the Circle s relevance to the Iranian Revolution and the rise of Islamist movements all over the Middle East and suggests how the concept remains relevant in an age of capitalism A must read for students policymakers and ordinary citizens this book will be an important contribution to the areas of political history political theory Middle East studies and Orientalism      **A History of Modern Iran** Ervand Abrahamian,2018-08-23 A succinct and highly readable narrative of modern Iran from the mid nineteenth century to the present      **Islam in the Modern World** Jeffrey T. Kenney,Ebrahim Moosa,2013-08-15 This comprehensive introduction explores the landscape of contemporary Islam Written by a distinguished team of scholars it provides broad overviews of the developments events people and movements that have defined Islam in the three majority Muslim regions traces the connections between traditional Islamic institutions and concerns and their modern manifestations and transformations How are medieval ideas policies and practices refashioned to address modern circumstances investigates new themes and trends that are shaping the modern Muslim experience such as gender fundamentalism the media and secularisation offers case studies of Muslims and Islam in dynamic interaction with different societies Islam in the Modern World includes illustrations summaries discussion points and suggestions for further reading that will aid understanding and revision Additional resources are provided via a companion website      Intellectual Discourse and the Politics of Modernization Ali Mirsepassi,2000-10-12 In this thought provoking study Ali Mirsepassi explores the concept of modernity exposing the Eurocentric prejudices and hostility to non Western culture that have characterized its development Focusing on the Iranian experience of modernity he charts its political and intellectual history and develops a new interpretation of Islamic Fundamentalism through the detailed analysis of the ideas of key Islamic intellectuals The author argues that the Iranian Revolution was not a simple clash between modernity and tradition but an attempt to accommodate modernity within a sense of authentic Islamic identity culture and historical experience He concludes by assessing the future of secularism and democracy in the Middle East in general and in Iran in particular A significant contribution to the literature on modernity social change and Islamic Studies this book will be essential reading for scholars and students of social theory and change Middle Eastern Studies Cultural Studies and many related areas      The Islamic World Andrew Rippin,2013-10-23 The Islamic World is an outstanding guide to Islamic faith and culture in all its geographical and historical diversity Written by a distinguished international team of scholars it elucidates the history philosophy and practice of one of the world s great religious traditions Its grounding in contemporary scholarship makes it an ideal reference source for students and scholars

alike Edited by Andrew Rippin a leading scholar of Islam the volume covers the political geographical religious intellectual cultural and social worlds of Islam and offers insight into all aspects of Muslim life including the Qur'an and law philosophy science and technology art literature and film and much else It explores the concept of an Islamic world what makes it distinctive and how uniform is that distinctiveness across Muslim geographical regions and through history **Islam** John Obert Voll, 1994-12-01 This is a single volume history of Islam The opening chapters briefly discuss the historical background of the Prophet Muhammad in the 7th century through the rise of the Islam in 18th through 20th centuries The final two chapters cover the significant events of the 1980s and 1990s **Media and Power in Modern Iran** Emily L. Blout, 2023-01-26 Successive Iranian leaders have struggled to navigate the fraught political cultural space of media in the Islamic Republic skirting the line between embracing Western communications technologies and rejecting them between condemning social networking sites as foreign treachery and promoting themselves on Facebook How does a regime that originally derived its hegemony from the ability to mass communicate its ideology protect its ideological dominance in a media environment defined by hybridity hyper connectivity and near constant change More broadly what is the role of media in the construction and maintenance of power in Iran This book addresses these questions by examining the institutions policies and discourses of two political regimes over the course of nearly eight decades Drawing from over 3 000 primary source documents and digital artifacts in Persian and English including formerly classified material hidden deep in the archives this book offers a history of media in Iran across political regimes and media paradigms from the public's first encounter with mass communication in the 1940s to the dawn of digital media in the 1990s to internet and mobile telephony today At the same time the book trains a keen eye on contemporary politics With foundations in sociology and political science Media and Power in Modern Iran offers trenchant insight into the present ruling establishment a political regime born from what has become known as the first televised revolution **Historical Dictionary of Islamic Fundamentalism** Mathieu Guidère, 2017-09-20 After the rise of the Islamic State in the Middle East and the new geopolitical landscape in this region it is essential for the modern reader to understand the history that has allowed for and influenced these types of Islamic groups to form Historical Dictionary of Islamic Fundamentalism acts as a didactic resource that explains from the Islamic perspective the historical importance of the Islamic fundamentalist world This dictionary provides a comprehensive and thorough analysis of various groups events movements key figures and dogmas that have influenced contemporary Islamic fundamentalism A chronology spanning 600 years graphs of complex Islamic group associations and alliances and an Arabic to English glossary have all been included to facilitate a complete understanding of the nuances and generalities that have shaped this movement This second edition of Historical Dictionary of Islamic Fundamentalism also contains an introduction appendixes an extensive bibliography and more than 700 cross referenced entries on ideologies people events and movements of the 20th and 21st centuries
