Sky And Island Light Poems:

Sky and Island Light Brendan Galvin, 1997-02-01 This stunning collection presents locales ranging from Ireland to the Outer Hebrides the Orkneys the Shetland Islands and the poet's native Cape Cod In line after line Brendan Galvin evokes the physical world with a naturalist's eye dazzlingly apparent in the brushstrokes by which he depicts a gull sliding on a crawl of heat among exposed hummocks or white birches standing like hairline faults of frost driven through stone In all this seething life in this world of light and shadows Galvin suggests a web of sensibility Cemeteries deserted villages lost faces such fragments Galvin transmutes into meditations on the blood deep mysteries of death desire and the phylogeny of consciousness all conjured with an instinct for the telling nuance of behavior and a delight in the language of everyday conversation Lying behind much of *Sky and Island Light* is the question of what is worthy of our passion the answer we learn in *A Cold Bell Ringing in the East* comes most easily to the outsider What joy in having been at all in feeding the fire and knowing that everything isn't about us What joy indeed *Sky and Island Light* is a superb collection by a remarkable poet one who combines uncannily scrupulous habits of observation with astonishing stylistic grace Poets & Writers, 1997 **The Collected Poems of Tennessee Williams** Tennessee Williams, 2016-05-20 All of the author's previously published poems including poems from the plays are in this definitive edition that comes with a CD of the author reading some of his poems in his unmistakable Mississippi drawl Few writers achieve success in more than one genre and yet if Tennessee Williams had never written a single play he would still be known as a distinguished poet The excitement compassion lyricism and humor that epitomize his writing for the theater are all present in his poetry It was as a young poet that Williams first came to the attention of *New Directions* founder James Laughlin who initially presented some of Williams' verse in the *New Directions* anthology *Five Young American Poets* 1944 before he had any reputation as a playwright and later published the individual volumes of Williams' poetry *In the Winter of Cities* 1956 revised in 1964 and *Androgyny Mon Amour* 1977 In this definitive edition all of the playwright's collected and uncollected published poems along with substantial variants including poems from the plays have been assembled accompanied by explanatory notes and an introduction by Tennessee Williams scholars David Roessel and Nicholas Moschovakis The CD included with this paperback edition features Tennessee Williams reading in his delightful and mesmerizing Mississippi voice several of the whimsical folk poems he called his *Blue Mountain Ballads* poems dedicated to Carson McCullers and to his longtime companion Frank Merlo as well as his long early poem *The Summer Belvedere* *The Poems of Andrew Lang* John Sloan, 2025-05-30 Andrew Lang 1844-1932 made his name in the last quarter of the Victorian era in a remarkable number of literary and intellectual fields as popular poet influential literary critic editor of the classic series of *Fairy Books for the young* and as author of groundbreaking books on anthropology Homeric scholarship folklore and history This is the first annotated edition of Lang's poems bringing together his books of verse and over 150 additional poems many of them collected for the first time John Sloan's introduction provides a compelling account
