Super Bowl Bound:

America's Game Michael MacCambridge, 2008-11-26 It's difficult to imagine today when the Super Bowl has virtually become a national holiday and the National Football League is the country's dominant sports entity but pro football was once a ramshackle afterthought on the margins of the American sports landscape. In the span of a single generation in postwar America the game charted an extraordinary rise in popularity becoming a smartly managed keenly marketed sports entertainment colossus whose action is ideally suited to television and whose sensibilities perfectly fit the modern age. America's Game traces pro football's grand transformation from the World War II years when the NFL was fighting for its very existence to the turbulent 1980s and 1990s when labor disputes and off-field scandals shook the game to its core and up to the sport's present-day preeminence. A thoroughly entertaining account of the entire universe of professional football from locker room to boardroom from playing field to press box this is an essential book for any fan of America's favorite sport.

Richard Sherman Jon M Fishman, 2014-08-01 Richard Sherman is so good at defending passing plays that quarterbacks avoid throwing the ball in his direction. His incredible ability to smother opposing wide receivers helped the Seattle Seahawks win the Super Bowl in 2014. Richard is a big talker and he's known for his brash personality on the field. Players and fans also know him as one of the best and most intelligent players in the National Football League. *Meet Ja'Marr Chase* David Stabler, 2023-08-01 With his incredible speed, acrobatic moves, and great catching hands, Ja'Marr Chase can do it all. The wide receiver was a high school star before setting records at Louisiana State University. Picked fifth in the 2021 NFL Draft, Chase wasted no time setting records as a pro. He was a Pro Bowler in his rookie season and helped the Cincinnati Bengals advance to the Super Bowl. Learn what makes Chase one of football's brightest stars and find out about his goals for the future.

Christian McCaffrey Thomas K. Adamson, 2025-08-01 Christian McCaffrey takes the handoff. He runs the ball for a touchdown. The life and career of this NFL superstar comes to life for reluctant readers in this hi-lo title. Engaging text and vibrant photos highlight the greatest moments of McCaffrey's career. Special features include a trophy shelf, timeline, map, and more. Football fans will love this look at one of the most exciting players in the league. **Gang Green** Gerald

Eskenazi, 2010-05-11 Question: What is the only team dating back to the 1970 AFL-NFL merger that has yet to win a division title? Question: What is the only team in the four major pro sports that has existed since the early 1960s and never had a coach leave with a winning career record for the team? Question: What is the only team in sports that plays its home games in a stadium named for another team? If you bleed green and white, you know the answer to these questions, as well as you know the color of Joe Willie Namath's shoes. The New York Jets have a record for futility and self-sabotage that is unmatched in the history of professional sports. And nonetheless, they have been rewarded with a loyal following that has made Jets tickets as hard to come by as Jets winning seasons. For Jets fans, the bright beacon of promise has always turned into an onrushing train. They reveled in the joy of the Jets' epic victory in Super Bowl III when their team beat the 18-1-2 point odds to defeat the
