science complement each other and if not why is that The questions listed above are only some of them No answers are yet being provided What about the involvement of mind work to explain the relationship between faith and reason Humanity likes to see science and religion united and working together to provide credible answers After all in the beginning they were for the works of God on this earth and in the universe The astonishing days of the Creator are approaching steadily slowly day by day We long for answers with our conscious hearts so that we can gain presence with the Divine Light It is presentation time The nineteenth century Scottish Catholic scientist the great physicist since Isaac Newton a professor at the University of Cambridge James Clark Maxwell who wrote his first scientific paper at the age of fourteen and died at the early age of forty eight declared scientifically that the universe is continuously surged with electromagnetic waves Their speed of travel is the same as the speed of light His proven theoretical equations were revealed for the first time in the world and showed that electricity magnetism light is one and the same manifestation in the material universe Upon his death he was not buried in Westminster Abbey like Isaac Newton was but he had not minded it at all not even a bit He said The works of the Lord are great Sort out all of them that have pleasure therein Happy is the man who sees that science and religion are one and the same According to the great scientist Max Planck a man who does serious scientific work knows that over the doors of the Temple of Science you must have faith Creator God is the source of all order in the universe He is exact look around and see There is a field in and around the universe surrounding His creation It is the heartfelt wish of this scribe that humanity shall see it one day and then never lose the investigative desires of their hearts and minds Faith and reason of religion and science are one and the same in the eyes of God They come from the same creative force of His One day in the near future they will be united and presented on earth as one That is the way it is above and so it will be the fact on earth below This is the Divine Plan of the Divine Lawgiver the Omnipotent Omnipresent and Omniscient God Almighty
