infected by a strain of supervirus created by Tory's nemesis and sometimes crush Chance Clayborne who accidentally infected himself too. These red-eyed Virals have openly challenged Tory's pack for domination of Charleston and they'll stop at nothing to bring their rivals down even if that means giving them up to a shadowy government agency intent on learning the secret to the Virals' powers. Surviving it all is going to test the limits of the gang's abilities. In the riveting conclusion to the Virals series, Tory and the others are nearing an impossible choice and the ultimate showdown. *The Rainy Day Book*

Helen Brooks, 2012-06-05 MUUUUMMMM DAAADDDD I'm BORED Whether it's the weekend, half term or the summer holidays, these words will likely strike fear into any parent's heart, particularly if it's tipping it down with rain outside. Thankfully, this delightful collection is at hand, packed full of imaginative ideas that are guaranteed to inspire young minds and maybe even remind older ones of the best bits of their own childhood. The selection not only includes simple and inexpensive ideas for science and craft activities, from making your own rocket to creating a memory box, it also gives suggestions for imaginative play, from indoor camping to pretending to be a pirate for the day. There are activities that will encourage children to learn about animals and insects, to pick up foreign languages and to find out more about their family history, and it even covers recommendations for the times when the weather isn't so bad, from leapfrog in the garden to visiting a local farm. Packed full of thoughtful and inventive ideas, *The Rainy Day Book* will prove an endless source of inspiration for anyone with children to entertain. **Mariella Mystery Investigates the Mystery of the Cursed Poodle**

Jackson Pearce, 2018-01-16 Look out, Junie B. Jones! Ellie the engineer is thinking, making, creating and showing enthusiasm and brilliance with her creations. School Library Connection: A charming, hilarious illustrated middle grade book about a girl who is an engineer, not on a train, the kind that builds things. Perfect creative STEM-powered fun for girls who have interests in how things work. Ellie is an engineer. With a tool belt strapped over her favorite skirt, who says you can't wear a dress and have two kinds of screwdrivers handy just in case she invents and builds amazing creations in her backyard workshop. Together with her best friend Kit, Ellie can make anything. As Kit's birthday nears, Ellie doesn't know what gift to make until the girls overhear Kit's mom talking about her present, the dog. Kit always wanted Ellie to make an amazing doghouse, but her plans grow so elaborate that she has to enlist help from the neighbor boys and crafty girls, even though the two groups don't get along. Will Ellie be able to pull off her biggest project yet, all while keeping a secret from Kit? Illustrated with Ellie's sketches and plans, and including backmatter with a fun how-to guide to tools, this is a STEM and friendship-powered story full of fun. **Love Find Me**

E.P. Stasz, 2019-08-29 Sandy

Summers is living her life to the fullest teaching art at a local college enjoying long runs in the forest and exploring the depths of her faith Then her world is turned upside down when she takes in an abandoned teenage girl Soon she finds her family growing as more children come to her in need of love and support After travelling briefly to restore her spirit she meets a widowed senior man named Ted whom she comforts after the passing of his beloved wife She decides to move her new family to Ted s farm and they launch a sewing business to help make ends meet and to support the growth and development of the children The family continues to grow as new children are rescued including a baby boy who comes to them just weeks before Christmas Through it all Sandy and Ted struggle to provide guidance support and love to their young charges and to set an example as they explore their potential through a life of faith commitment and hard work This is the story of how the gaps in social services can have a huge impact on the lives of young people and how love discipline and a big heart are needed to make a true difference in today s world
