Can I Still Be Funny After My Son's Murder? Christy A. Camara, 2023-05-11 Her book speaks from the heart albeit broken It is because of Christy's passion wisdom persistence and her love for her son that lives will be changed Julia Weber Director National Center on Gun Violence in Relationships After my son's tragic death I had two choices I could crawl into the corner and spend each day there slowly dying Or I could choose to make Wyland's life a legacy I've used humor to get me through every

day since Wyland's murder I never thought of myself as a writer I've always avoided putting my feelings on paper Then one day I had an epiphany I was going to write a book The title came to me instantly The memories flowed through effortlessly I soon realized the narrator in my head all my life was guiding me to this point I want to share my story hoping to bring awareness to those struggling in similar situations Hopefully in writing and publishing this book it will reach other parents before a tragedy like mine unfolds taking another innocent child The decision to expose the heart wrenching details of my life was difficult to make but if just one child can be saved it will be worth it No parent should go through the daily pain I feel I bare my soul and share my experience of pain tears and a few laughs along the way I wish to honor Wyland and keep his memory alive by sharing memories
