Super Rich The Unjust New World Of Global Capitalism:

The Super-Rich S. Haseler, 2000-02-24 In *The Super Rich* Stephen Haseler describes the dangerous growing tensions caused throughout the West by the triumphant new global capitalism In a book for students of politics economics and sociology and the general reader he outlines how a new global super rich caste has emerged during a period in which the traditional middle class is facing serious insecurity and income loss He argues that this new super rich capitalism if not balanced by a renewal of the state and community will not only destroy politics and governance but democracy as well and he shows exactly how the European Union and other embryonic regional super states can combat these excesses of globalization and restore a more social democratic society

Global Metropolitan John Rennie-Short, 2013-01-11 The force of globalization is making cities change all around the world Short's study explores how the discourse of globalization has become a major narrative in the restructuring of cities in many parts of the world

African Luxury Branding Mehita Iqani, 2022-12-23 Bringing together critical race queer and decolonial analytical approaches visual analysis and multimodal discourse analysis this book explores the discursive strategies deployed by African luxury brands in an age of cross platform intertextual branding Building on literature examining the aesthetics and politics of African luxury this book demonstrates how leading African luxury brands create visual material speaking to complex sensibilities of culture nature and future Iqani shows how powerful brand narratives and strategies reveal ethical and ideological messages that function to re position Africa in an increasingly congested global marketplace of ideas In acknowledging that there is a strong political validity to recognizing the importance of African brands staking their claim in luxury this book also problematizes the role these brands play in the promotion of luxury discourses advancing the project of capitalism and their contribution to broader patterns of inequality Shedding new light not only on luxury branding strategies but also on the idea of a luxurious global Africanity and on the complex cultural politics of South Africa *African Luxury Branding* will be of interest to advanced students and researchers in disciplines including Critical Advertising Studies African Studies Media and Communications

Elite Mobilities Thomas Birtchnell, Javier Caletrío, 2013-08-22 Small in number but great in influence mobile elites have shaped the contours of global capitalism Today these elites continue to flourish globally but in a changing landscape The current economic crisis and rising concerns about the moral legitimacy of extreme wealth coincides with stern warnings over the risks posed by climate change and the unsustainable use of resources Often an out of bounds topic in critical social science elites are thought of as too inaccessible a group to interview and too variable a minority to measure This groundbreaking collection sets out to challenge this perception Through the careful examination of the movements of the one per cent through the everyday spaces of the ninety nine per cent *Elite Mobilities* investigates the shared zones elites inhabit alongside the commons the executive lounge in the airport the penthouse in the hotel or the gated community next to the slum Bringing together the pioneer scholars in critical sociology today this collection explores how social scientists can research map and

track the flows and residues of objects wealth and power surrounding the hypermobile Elite Mobilities sets a new benchmark in social science efforts to research the powerful and the privileged It will appeal to students and scholars interested in mobilities transport tourism social stratification class inequality consumption and global environmental change

well as a new chapter focussing on the future of capitalism the clash of different capitalisms including neoliberal versus state capitalism and whether we are seeing the end of capitalism and if so what post capitalism might look like Mobile Lives Anthony Elliott, John Urry, 2010-06-10 This book sets out with remarkable clarity and insight the contradictions of mobile societies and of mobile lives Such mobilities are full of dilemmas for individuals for corporations for states and in a way for the globe itself Mobile Lives is an up to date provocatively written book which examines social processes that are on the edge

Capitalism after Postmodernism Hall Thomas Wilson, 2002-05-01 This book addresses a number of interrelated issues in the old and new political economy The focus on globalization is generally taking the mind off questions of debt and indebtedness Capital now has such a decided institutional edge that its legitimacy in capitalist democracies is under threat Present developments seriously jeopardize the balance between capital public and social institutions on which the progress and welfare of the developing world and the capitalist democracies depend Going back to Marx Weber and Habermas Wilson concludes that against the backdrop of Weberian pessimism social intellectuals still have to rise to the occasion rather than assisting in the massive and consequently self confirming prophecy that contemporary postmodernism now threatens to become

Globalization and the Gulf John W. Fox, Nada Mourtada-Sabbah, Mohammed Al Mutawa, 2006-09-27 For centuries the Arabian Gulf has been a crossroads where seafaring people and Bedouins alike travelled great distances transacting business Events of the past few years both good and bad have directed the world's attention to the Arabian Peninsula where a rich cultural tradition is rapidly incorporating the latest innovations from around the world This is the process of globalization New economies create enormous potential but it will require great care for the people of the region to steer through a period of profound change Political and economic interests intent on maintaining the flow of petroleum products on one hand and people in the Gulf region who assess their won interests from quite a different perspective on the other exert pressures from conflicting directions Reconciling these interests in a time of rapid globalization poses enormous challenges This timely volume brings together the work of scholars from both the Middle East and the West who have the expertise to evaluate the interaction of new ideas new technologies and new economies Brought together by the American University of Sharjah and the Sociological Association of the UAE the contributors reflect on both the process of globalism and on the traditions of Gulf society and culture offering views on how these trends interact within the global system

Power, Glamour and Angst Ilan Wiesel, 2018-08-25 Power Glamour and Angst is about the social and cultural life of three Australian neighbourhoods Toorak Melbourne Mosman Sydney and Cottesloe Perth which are home to some of the nation's wealthiest and most powerful citizens The book explores how living in these neighbourhoods shapes the lifestyles social networks and status of Australia's elites The book explores the everyday rituals through which residents produce their neighbourhood's status It maps residents social networks and exposes the local institutions including schools and sports or social clubs in which access to such high powered networks is granted or withheld Power Glamour and Angst examines how

the collective social and cultural capitals of elite neighbourhoods are mobilised towards varied objectives from initiation of business connections and opportunities through to opposition against unwanted development or traffic both sources of ongoing angst Deeply conservative and resistant to change at their core despite their wealth and power these communities have not always been successful in fully repressing external pressures In the 21st century Australian city even elite neighbourhoods must learn to adapt to population growth urban densification and increased cultural diversity

Researching Amongst Elites Dr Christopher J Schneider, Dr Luis L M Aguiar, 2012-11-01 Academics often direct their research across in order to examine issues that grip members of the middle classes or down in order to understand the difficulties workers and other marginalized groups endure Research that is directed up at individuals and groups with positions of greater wealth and power is less common yet studying up can contribute to our understanding of growing inequality economic polarization and social change by studying the rich powerful and elite in our society Presenting the latest empirical case studies from Canada The USA and Australia this volume explores the challenges and difficulties involved in conducting research amongst the rich and elite whilst shedding light on the manner in which power is harnessed protected and controlled to manage and manipulate resources A demonstration of the importance of studying up to our understanding of decision making governance and the nature of contemporary democracy in the global economy *Researching Amongst Elites* will be of interest to sociologists anthropologists and geographers working in areas such as social research methods social stratification the sociology of elites and relations of class wealth and power

Bureaucratic Representation Hall Thomas Wilson, 2021-11-22 This text discusses the central role of bureaucratic representation as a key vehicle for representing the general interests of most citizens in a way that is consistently superior to electoral systems in representative democracies particularly large states Though formal elections remain indispensable bureaucracies in the capital public and social sectors have used their superior expertise and continuity combined with social policies like affirmative action and equal pay to achieve responsible discretion and creative implementation
