Stainton raises the stakes of our appreciation for the greatest of Spain's modern poets Federico Garca Lorca Drawing on fourteen years of research more than a hundred letters unknown to prior biographers exclusive interviews with Lorca s friends family and acquaintances and dozens of newly discovered archival material Stainton has brought her subject to life as few writers can She describes his carefree childhood in rural Andalusia his residencies in Madrid and Granada then in New York Havana and Buenos Aires his potent interaction with other Spanish artists such as Salvador Dal Luis Buuel and the composer Manuel de Falla and finally Stainton shows how Lorca's marginal political activity during the Spanish Civil War still cost him his life Throughout Stainton meticulously but unobtrusively relates the oeuvre to the life Her biography is quickly becoming the standard one volume work on the poet R. Crumb David Stephen Calonne, 2021-02-01 Robert Crumb b 1943 read widely and deeply a long roster of authors including Robert Louis Stevenson Charles Dickens J D Salinger Jack Kerouac William S Burroughs and Allen Ginsberg as well as religious classics including biblical Buddhist Hindu and Gnostic texts Crumb's genius according to author David Stephen Calonne lies in his ability to absorb a variety of literary artistic and spiritual traditions and incorporate them within an original American mode of discourse that seeks to reveal his personal search for the meaning of life R Crumb Literature Autobiography and the Quest for Self contains six chapters that chart Crumb's intellectual trajectory and explore the recurring philosophical themes that permeate his depictions of literary and biographical works and the ways he responds to them through innovative dazzling compositional techniques Calonne explores the ways Crumb develops concepts of solitude despair desire and conflict as aspects of the quest for self in his engagement with the book of Genesis and works by Franz Kafka Jean Paul Sartre the Beats Charles Bukowski and Philip K Dick as well as Crumb s illustrations of biographies of musicians Jelly Roll Morton and Charley Patton Calonne demonstrates how Crumb's love for literature led him to attempt an extremely faithful rendering of the texts he admired while at the same time highlighting for his readers the particular hidden philosophical meanings he found most significant in his own autobiographical quest for identity and his authentic self The Bookseller and the Stationery Trades' Journal, 1926 The The London Literary Gazette and Journal of Belles Literary Gazette and Journal of Belles Lettres, Arts, Sciences, 1819 Lettres, Arts, Sciences, Etc., 1819 Literary Gazette and Journal of Belles Lettres, Arts, Sciences, &c ,1819 Appletons' Journal of Literature, Science and Art, 1870 The New Statesman ,1915 The American Catalog
