Supernature Pennines:

Supernatural Isle of Man Jenny Randles, 2003 The ancient kingdom of Mann has many unique charms from its steam trains and horse trams to the world's oldest unbroken parliamentary democracy However the island is also home to a rich gathering of legends and present day mysteries Where else in modern times would you find a UFO crash on a mountain top alongside precautions to ensure that the present British monarch paid homage to strange beings that live under a bridge This book brings you the adventures of the fenoderee who created the world's first crop circles It talks about the fearsome moddey dhoo that terrified castle guards plus dozens of other amazing cases including the most bizarre twentieth century poltergeist story on record Even the island's creation myth is steeped in the supernatural Whether following these weird tales from the comfort of your armchair or using the book's visitor friendly features on an actual trip you will find that wonder and mystery are alive and well just 60 miles off the British shores *Supernatural Isle of Man* is the most informative and up to date account of this magical island

Hellstorm: Paranormal & Supernatural Horror Story with Scary Ghosts David Longhorn, Scare Street, 2018-01-19 Ghastly children haunt the dark walls of Weyrmouth Cathedral in a final battle that threatens to open the floodgates of hell The residents of Weyrmouth are on edge and bone chilling fear has flooded the picturesque town Mysterious deaths are on the rise and local law enforcement is at a loss to explain the streams of blood pulsing through the streets Erin Cale and Louise Tarrant are sure that they are coming closer to unlocking the looming cathedral's catacomb of secrets but they are thwarted by Ithuriel's many defenders both mortal and mythical Meanwhile the mournful and foreboding cries of the trapped children linger into the nighttime air and Erin knows that they bear the key to ending the cathedral's curse once and for all But their inability to share their secrets has thrown a wrench into Erin's plans to save the town As they strive to beat Ithuriel at his own devilish game the gaping mouth of hell has opened threatening to destroy everything they hold dear Step into the eerie world of Scare Street where supernatural horror and suspense await you at every turn Our collection of ghost stories urban legends and haunted house stories offer the perfect mix of scary and spooky tales Whether it's a creepy campfire classic short horror stories or unsettling creepypasta our tales are crafted to bring thrills and chills that will keep you hooked

English Catholics and the Supernatural, 1553-1829 Francis Young, 2016-05-06 In spite of an upsurge in interest in the social history of the Catholic community and an ever growing body of literature on early modern superstition and popular religion the English Catholic community's response to the invisible world of the preternatural and supernatural has remained largely neglected Addressing this oversight this book explores Catholic responses to the supernatural world setting the English Catholic community in the contexts of the wider Counter Reformation and the confessional culture of early modern England In so doing it fulfils the need for a study of how English Catholics related to manifestations of the devil witchcraft and possession and the dead ghosts in the context of Catholic attitudes to the supernatural world as a whole including debates on miracles The study further provides a comprehensive

examination of the ways in which English Catholics deployed exorcism the church's ultimate response to the devil Whilst some aspects of the Catholic response have been touched on in the course of broader studies few scholars have gone beyond the evidence contained within anti Catholic polemical literature to examine in detail what Catholics themselves said and thought Given that Catholics were consistently portrayed as superstitious in Protestant literature the historian must attend to Catholic voices on the supernatural in order to avoid a disastrously unbalanced view of Catholic attitudes This book provides the first analysis of the Catholic response to the supernatural and witchcraft and how it related to a characteristic Counter Reformation preoccupation the phenomenon of exorcism

North-country Folklore in Lancashire, Cumbria and the Pennine Dales Jessica Lofthouse,1976 *Tales of a Pennine People* Alfred J. Howcroft,1923 *Short Studies in Nature Knowledge* William Gee,1895 **Paranormal Encounters on Britain's Roads** Peter A. McCue,2018-02-19 In this detailed book Dr Peter McCue reflects on the enormous range of paranormal phenomena to have been reported along Britain's roads and examines the theory that certain areas seem to be hotspots for such occurrences such as the A75 and B721 roads in southern Scotland and the Blue Bell Hill area in Kent He delves into the sightings of apparitional vehicles encounters with colliding apparitions phantom hitch hikers out of place big cats phantom black dogs UFOs missing time strange memory gaps vehicle interferences such as mysterious

breakdowns and incidents in which drivers and passengers seem to have been translocated in space or time This thorough book debates the evidence and theories in a critical but open minded way and is a welcome addition to the genre

Heaven's Breath Lyall Watson, 2019-08-13 A comprehensive and fascinating study of how wind has shaped the world as we know it affecting all aspects of human and natural life from geography to political history plant life to psychology and biology to philosophy The Observer Wind is everywhere and nowhere Wind is the circulatory system of the earth and its nervous system too Energy and information flow through it It brings warmth and water enriches and strips away the soil aerates the globe Wind shapes the lives of animals humans among them Trade follows the path of the wind as empire also does Wind made the difference in wars between the Greeks and Persians the Mongols and the Japanese Wind helped to destroy the Spanish Armada And wind is no less determining of our inner lives the f hn mistral sirocco Santa Ana and other ill winds of the world are correlated with disease suicide and even murder Heaven s Breath is an encyclopedic and enchanting book that opens dazzling new perspectives on history nature and humanity

Doubt Geoffrey Beattie, 2022-11-29 Blending the latest academic research with case studies of famous figures this highly insightful book presents doubt as a central concept for psychology It is a concept which has been oddly neglected in the past despite its ubiquitous nature and far reaching influence Exploring everything from self doubt and impostor syndrome to the weaponisation of doubt with respect to climate change and the marketing of cigarettes bestselling author Geoffrey Beattie navigates readers through the various ways doubt can start and develop changing the individual in the process Written in Beattie s distinctive and engaging style Doubt takes the reader into the lives of transformational thinkers artists scientists and writers to explore how and why doubt was crucial in their lives and how the likes of Kafka Jung Picasso and Turing succumbed to doubt or learned to control it Beattie argues that doubt is central to the self it can be either a safeguarding mechanism or a distraction rational or irrational systematic or random healthy or pathological productive or non productive The book helps readers to recognise how doubt may have been operating in their own lives and to identify how and when it has been used against us for example to prevent climate action and at what personal and societal cost Presenting a compelling case for why doubt cannot be ignored this book is of major interest to academics from a wide range of disciplines including social and cognitive psychology clinical and counselling psychology sport psychology sociology business studies politics art and literature as well as the general public who may well see something of themselves in its pages

The Alien Book Nick Redfern, 2019-09-01 Unmasking the mysteries of alien life on earth Make mention of the word alien and it conjures images of black eyed large headed dwarfish beings that have come to be known as the Greys Indeed Greys have become a staple part of pop culture never mind just the field of UFO research They ve appeared in Steven Spielberg s classic 1977 movie Close Encounters of the Third Kind They regularly popped up in The X Files And of course there are numerous people all across the world who claim to have been abducted by the Greys and subjected to intrusive medical experiments Yet before the 1950s the Greys were

nowhere in sight The Alien Book A Guide to Extraterrestrial Beings on Earth shows that extraterrestrial life comes in all kinds appearances sizes and bodies They all have one thing in common however the human race has encountered them and we continue to do so today Not just dozens or even hundreds but thousands of eyewitness experiences have been reported Covering hundreds of extraterrestrial life forms in more than 40 thematic chapters this absorbing look at the mysteries of aliens on earth includes the Space Brothers long haired very human looking ETs the fiendish Reptilians seven to eight foot tall predatory shapeshifters Men in Black beings extremely pale skinned tall and with huge eyes Black eyed Children anemic looking kids with solid black eyes that might be ET human hybrids Bigfoot the werewolf like Dogmen jellyfish style aliens that soar around the skies of our world the Shadow People dangerous humanoids that terrorize people legendary Nephilim space vampires insect like aliens that resemble a giant praying mantis and many many more The Alien Book investigates the full range of sentient alien life forms Some are benign and others downright deadly Some are small like a germ or virus that has NASA creating guidelines to deal with an outbreak of an extraterrestrial germ Some are big like a giant praying mantis or the biblical Goliath They all lurk on Earth and in this chilling book With more than 120 photos and graphics this tome is richly illustrated Its helpful bibliography and extensive index add to its usefulness **Light and Dark** Trevor J. Hawkeswood,2013 Trevor J Hawkeswood is a scientist who has experienced hundreds of paranormal events in his lifetime In Light and Dark he recounts some of these incredible interactions He believes that reality occurs on two separate but interwoven planes of existence the Earth plane and the multiple levels of the spiritual planes including the lower levels from where the dark souls of humans who have died reach out to us He has experienced more than one hundred sightings of the shadow people or black ghosts He credits guardian angels with saving him from harm or certain death on a number of occasions Hawkeswood also shares accounts of his numerous sightings of strange aerial phenomena he believes were caused by UFOs He has personally experienced clairaudience voices from beyond and precognition or the ability to see the future His detailed account of a unique out of body experience OOBEE challenges what is known about this remarkable ability His OOBEE was unlike anything that has ever been described by others who have experienced it and he shares it all in Light and Dark But it hasn't all been safe or pleasant At eighteen he survived a terrifying encounter with a demon gargoyle who tried to steal his soul energy after paralyzing him A comprehensive handbook for the paranormal enthusiast Hawkeswood's work also provides a glossary and reference list of English language UFO books In Light and Dark he shares a lifetime of experiences ideas and theories about this fascinating field of study *Britain's Paranormal Forests* Peter A. McCue,2019-10-07 Peter A McCue examines intriguing reports of people experiencing uncanny events in Britain's woods and forests from mysterious lights and strange animal encounters to ghostly experiences Much of the reported witness testimony was obtained first hand by McCue or other researchers While he draws sceptical conclusions about some of the alleged incidents he takes others seriously and considers possible explanations Fully illustrated and written in McCue's inimitable style Britain's Paranormal Forests will make you

think again about your next walk in the woods *Sacred Darkness* Holley Moyes, 2012-04-15 Caves have been used in various ways across human society but despite the persistence within popular culture of the iconic caveman deep caves were never used primarily as habitation sites for early humans Rather in both ancient and contemporary contexts caves have served primarily as ritual spaces In *Sacred Darkness* contributors use archaeological evidence as well as ethnographic studies of modern ritual practices to envision the cave as place of spiritual and ideological power that emerges as a potent venue for ritual practice Covering the ritual use of caves in Europe Asia Australia Africa Mesoamerica and the US Southwest and Eastern woodlands this book brings together case studies by prominent scholars whose research spans from the Paleolithic period to the present day These contributions demonstrate that cave sites are as fruitful as surface contexts in promoting the understanding of both ancient and modern religious beliefs and practices This state of the art survey of ritual cave use will be one of the most valuable resources for understanding the role of caves in studies of religion sacred landscape or cosmology and a must read for any archaeologist interested in caves **The Haunting of Newcastle Keep: Otherworld North East Research Society** Tony Liddell, 2010-03-31 The Haunting of Newcastle Keep is Volume I of the Otherworld North East Research Society's Investigation Series The back cover content reads thus Welcome to a glimpse of Newcastle upon Tyne's haunted heritage Once you've read the book why not visit the ancient halls and corridors of Castle Keep for yourself Keep your eyes ears and wits alert you might not be alone The Otherworld North East Research Society has undertaken research into the alleged paranormal activity in the ancient fortification since August 2003 and this book contains reports on physical phenomena environmental anomalies strange disembodied footsteps and voices as well as some persuasive photographic evidence So is Newcastle's medieval keep really haunted This book allows you to make that decision based on facts and observation rather than media hype **First Light** Erica Wagner, 2016-05-05 Described by Philip Pullman as the most important British writer of fantasy since Tolkien Alan Garner has been enrapturing readers with works like *The Weirdstone of Brisingamen* *The Owl Service* *Red Shift* and *The Stone Book Quartet* for more than half a century Now a group of the writers and artists he has inspired over the years have come together to celebrate his life and work in *First Light* This anthology includes original contributions from David Almond Margaret Atwood John Burnside Susan Cooper Helen Dunmore Stephen Fry Neil Gaiman Elizabeth Garner Paul Kingsnorth Katherine Langrish Helen Macdonald Robert Macfarlane Gregory Maguire Neel Mukherjee Philip Pullman Ali Smith Elizabeth Wein Michael Wood and many many more Whether a literary essay a personal response to Garner's writing or a story about the man himself each piece is a tribute to his remarkable impact Edited by the acclaimed journalist and novelist Erica Wagner *First Light* will touch the heart of anyone who grew up reading Alan Garner *Nature* Sir Norman Lockyer, 1936
