Superstar Hitters Bible:

The Superstar Hitter's Bible Bernardo Leonard, Peter Golenbock, 1998 The commandments of hitting *Topstart Golf* Tom Pezzuti, 2013-07-30 While drying your sparkling clean ball on the dirty towel hanging from the ball washer you take a deep breath and survey the scene After teeing up your ball you are immediately confronted with the first of many questions of detail the nagging minutiae of golf What is my target Where do I stand How do I stand For many learning traditional golf is often confusing and complicated Conflicting tips and extraneous motion produce a difficult high maintenance sport that few golfers master Combining the techniques of baseball and golf may be the answer Hitting a ninety five mile an hour fastball is arguably one of the most difficult tasks in sports But many golfers have trouble hitting a tiny golf ball lying motionless in the grass Why Author Tom Pezzuti offers a solution Baseball does not use a backswing technique and Pezzuti suggests this procedure lies at the root of many golf swing problems Topstart Golf shows you how baseballs hitting principles apply to your power stroke and your pitch shots If you are not a touring pro who practices six to eight hours a day then you need low maintenance simpler methods of playing golf Try Topstart Golf and watch your game soar True and Lasting Love Bernardo Leonard, 2003 This is a must and essential book to have Le Meilleur the best There is power in the words and gestures of Bernardo It is impossible to read his work without being moved He pours himself out before you and in your own heart you experience immediate contact and warmth He transports you to a purer region from which dogmas and mysteries descend He loosened his words like arrows from the bow and his whole heart seems to fly with them The pathetic the profound the sublime are side by side with the simple and the ordinary What is most divine in the heart of a man cannot be expressed in writing Yet this writer did It has depth it convicts It causes one to re evaluate oneself Yet dira la verite est beate to tell the truth is beautiful Jean Paul Screenwrite Nice France A very thought provoking book to say the least As Bernardo Leonard points out with sometimes painful clarity there is no greater power on earth than love The merging of earthly Love and theological support of that Love is accomplished without undue and unnecessary pressure to convert Instead the pressure exerted upon the reader is to think hence thought provoking As much as I tried to disagree with him on certain issues of forgiveness I knew in my heart that Bernardo was right We can fool some of the people some of the time fool all of the people all of the time but we can never fool ourselves at any time When you know the truth in your heart you know the truth Period To err is human to forgive is divine So much of humanity is so far removed from divine reading and digesting this book will bring them closer The reader can identify with each of Bernardo's Love filled and Love driven chapters because every human being is in search of ONE thing and only one thing LOVE Some run the race claiming it's money or fame they are after others claim this and still others claim that Every one of us understands that the reason we live is to Love and be Loved Thank you Bernardo for putting these truths to paper Stan Brushwood Tucson Arizona Baseballgolf Tom Pezzuti, 2006-01-05 While drying your sparkling clean ball on the dirty towel hanging from the ball washer you take a deep
