Supreme Harmony Of All The Trinitarian Theology Of Jonathan Edwards:

"The Supreme Harmony of All" Amy Plantinga Pauw, 2002 Jonathan Edwards lived in an age in which the doctrine of the Trinity was sometimes openly repudiated and more often quietly ignored But as this important book shows Edwards in fact took care to creatively fashion the Trinity into the centerpiece of his Christian life and work Through her pursuit of Edwards s writings especially his lifelong intellectual diary Amy Plantinga Pauw traces the way Edwards established the basic outlines of his trinitarian thought when he was only twenty years old and how the doctrine continued to run like a subterranean river throughout his famed career as a pastor and teacher Recognizing the centrality of the Trinity in Edwards s thought both nuances our understanding of his Puritan inheritance and challenges the narrowness of Edwards's enduring legacy as the Jonathan Edwards's Theology: A Reinterpretation Kyle C. preacher of Sinners in the Hands of an Angry God Strobel, 2012-12-27 This volume provides an interpretative key to Jonathan Edwards s theology developed from within his own doctrinal constructs Strobeloffers a dogmatic exposition of Edwards s theology by unveiling the trinitarianarchitecture of his thought Building upon this analysis Strobel applies hisconstruct to reinterpret three key areas of redemption debated widely in these condary literature spiritual knowledge regeneration and religious affection. In order to achieve this purpose Strobel s approach istheological rather than philosophical employing Edwards's self-confession as a Reformed theologian to guide his analysis In advancing a theological reading of Edwards Strobel focuses on the systematic nature of Edward's theology ordering it according to his doctrinal affirmations This necessitates as manyEdwards scholars now affirm a primary focus on Edwards s trinitarian theology where the Trinity serves as the keyontological principle which orders the whole of his doctrinal construction Bygrounding the interpretive key in Edwards's understanding of the Trinity Strobel's idiosyncratic exposition of his doctrine of the Trinity serves torecast Edwards s theology in a new light **Total Atonement** W. Ross Hastings, 2019-10-09 Total Atonement re imagines the apprehended mystery of the atonement in light of the triune nature of God and the person and work of the incarnate Christ W Ross Hastings proposes participation as a theory or framework of atonement that holds all other models within it He argues that God's participation in humanity in order that humans might participate in God invites a total approach to the mystery of the atonement that is one that involves the whole Trinity the whole person and history of Christ and all the biblical motifs and theological models of atonement including penal substitution properly nuanced to overcome its caricatures Christus victor satisfaction vicarious life and moral exemplar Hastings re examines the scope of the atonement in light of these Trinitarian incarnational realities The Unified Operations of the Human Soul Jeffrey C. Waddington, 2015-07-24 This book endeavors to examine and critically assess the theological anthropology of Jonathan Edwards with a view to considering how this anthropology coheres with his apologetic methodology Specifically the question has been raised whether Edwards doctrine of man is consistent with the picture painted of Jonathan Edwards by John Gerstner that he was the epitome of the classical apologist It is argued that Edwards

practiced an eclectic apologetic sans apologetic self awareness In other words Edwards was a child of his training and time Historical Dictionary of the Puritans Charles Pastoor, Galen K. Consuming Jesus Paul Louis Metzger, 2007-10-04 Foreword by Donald Miller Afterword by John M Perkins Many Americans think that race problems are a thing of the past because we no longer live under the Jim Crow laws that once sustained overt structures of segregation Unfortunately says Paul Louis Metzger today we live under an updated version of segregation through the subtle power of unchallenged norms of consumer preference Consumerism affects and infects the church reinforcing race and class divisions in society Intentionally or unintentionally many churches have set up structures of church growth that foster segregation such as appealing to consumer appetites Metzger here argues that the evangelical Christian church needs to admit this fault and intentionally move away from race class and consumer segregation Challenging the consumerism that fosters ethnic and economic divisions and distorts evangelical Christianity Consuming Jesus puts forth a theologically grounded call to restructure the church's passions and practices transforming the evangelical imagination around a nobler all consuming vision of the Christian faith Visit the Consuming Jesus blog created by the The Institute for the Theology of Culture New Wine New Wineskins at http consumingjesus org Encyclopedia of the **American Enlightenment** Mark G. McCormack, 2008-05 Internationally acclaimed scholars offer a progress report on current evangelical thinking about God's being and attributes in light of current controversies Jesus and the Father Kevin N. Giles, 2009-08-30 The doctrine of the Trinity is one of the cornerstones of Christianity In Jesus and the Father Kevin Giles wrestles with questions about the Trinity that are dividing the evangelical community What is the error called subordinationism Is the Son eternally subordinated to the Father in function Are the Father and the Son divided or undivided in power and authority Is the Father Son Spirit relationship ordered hierarchical or horizontal How should the Father and the Son be differentiated to avoid the errors of modalism and subordinationism What is the relationship between the so called economic Trinity and the immanent Trinity Does the Father Son relationship in the Trinity prescribe male female relationships in the home and the church Kevin Giles points out serious problems in the teaching that the Son is eternally subordinated to the Father and argues effectively for the full eternal equality within the Trinity This book should be read by all who wrestle with the complex but crucial doctrine of the Trinity Millard Erickson author Christian Theology By showing that subordinationism is a revival of a heresy that was systematically rejected by the non Arian Church the author reinstates the classical orthodox doctrine of the Trinity in all its scriptural majesty and grandeur Gilbert Bilezikian professor emeritus Wheaton College Giles skillfully places before us the stark choice which each generation of theologians must face will we allow the Bible to speak its message about the Father Son and Holy Spirit to us or will we use the Bible to advance our own agenda This important book deserves to be widely read and carefully considered Paul D Molnar professor of systematic theology St John s University America's Religions Peter W. Swain, 2017-11-21 Although the doctrine of eternal generation has been affirmed by theologians of nearly every ecclesiastical tradition since the fourth century it has fallen on hard times among evangelical theologians since the nineteenth century.
