Discovering Islam Akbar S. Ahmed, 2002-11 This accessible work balances the image of Islam as aggressive and fanatical with an objective picture of the main features of Muslim history and the compulsions of Muslim society

Religions, Spirituality, and Humanity Shawn Paul, 2023-12-07 Religion a set of organized beliefs practices and systems that relate to the worship of a controlling force plays a crucial role in contemporary society True doctrines of each religion lead us to become spiritual in nature which in turn propels us towards promoting the well being of humanity Therefore integrating religion spirituality and humanity can cultivate and promote a focus on living consciously harmoniously and righteously Shawn Paul blends science social science and spiritual science into a format of practical living based on human ideals and values to present a well balanced view of each major religion He not only examines the limitations of organized religious practices but also highlights the true doctrines of each faith and their significance in human lives While logically critiquing traditional religious practices their significance and limitations and the way they impact society Paul also summarizes major themes and corresponding holy verses while encouraging compassion peace and love through spiritual consciousness and service to humanity Religions Spirituality and Humanity shares a comprehensive examination of organized religious practices and their significance that inspires a harmonious life of personal fulfillment focused on contributing to the greater good and a peaceful coexistence

Religion Without Boundaries Shawn Paul, 2022-02-28 All major organized religions are confined to rules and regulations promulgated since ancient times but with the passage of time those writings became outdated in contemporary society Even so religious rules and regulations remained fixed As a result spirituality emerged as a driving force that goes beyond the boundaries of traditional religion In this book the author examines how religions have been stifled by their inability to adapt to recent times He asserts that religion is based on myths folklore and

supernatural miracles Spirituality however is more about an inner quest Spirituality emphasizes compassion patience harmony and concern for others Humanity is the active part of spirituality when one's compassion toward others translates into a kind concern to do well To enhance and enrich human life the author highlights the need to fight hunger and poverty to establish peace and to protect the environment and natural resources Discover practical aspects of spirituality and humanity that will help us achieve a more meaningful existence with the powerful insights in Religion without Boundaries
