Sunset over Happy Farm Mark Thomas McDonough, 2019-04-17 On the surface Derrick James is a mild mannered socially awkward attorney who works a modest federal government job While Derrick lacks any particular legal acumen or academic prowess and possesses modest legal writing skills everywhere he goes and whatever he does Derrick inevitably and always makes his way to the top of the pyramid Possessing an unflappable mental skill set and seldom suffering fools lightly he accomplishes what needs to be done and he does it superbly well much to the chagrin of his peers In the twilight of his legal career Derrick finds himself working in perhaps one of the most boring brain numbing federal legal jobs one can possibly imagine but it s inside work no heavy lifting and the pay is pretty good too Finally Derrick relaxes satisfied with who he and where he is Life reaches a comfortable working rhyme Both daughters are in college After many down years he is finally setting aside some extra money for retirement Life is good that is right up to the very moment that a group of jealous federal supervisors and co workers ban together forcing him to accept a forced early retirement Now having abundant free time Derrick travels the world begins a get out of debt project and ponders how he got to here In doing all of

this he constantly runs into the ghosts of his past most of which is rooted in his ill fated youth spent growing up in a Catholic Orphanage which he facetiously nicknames The Happy Farm Within the realm of his forced retirement and even as life s ghosts taunt him Derrick finds that truth and hindsight are not necessarily friends but with enough time and grit he finds that by accepting his past he can finally accept his present and in doing so he finally says good bye to all the enemies all the friends and all the ghosts that haunt him as the sun sets over The Happy Farm *More Nitty-Gritty Grammar* Edith Hope Fine, Judith Pinkerton Josephson, 2001-09-12 Who or whom Lay or lie Conjunction pronoun predicate or gerund If such questions and terms leave you scratching your head you need the hip and fun follow up to NITTY GRITTY GRAMMAR With a new easy to use alphabetical format and the same winning formula of wacky cartoons off the wall examples and catchy reminders MORE NITTY GRITTY GRAMMAR will help you sidestep common bloopers untangle your malapropisms secure those dangling modifiers and teach you to speak and write with clarity and confidence **Postures of the Mind** Annette Baier, 1985-01-01 **The Readers' Advisory Guide to Genre Fiction** Joyce G. For Self and Country Estate of Rick Eilert, 2010-05-15 Vietnam was often called a teenager s war The average age was 19 2 so in the main the War was fought by 17 18 19 and 20 year olds barely out of high school and often without the income intelligence inclination or focus to attend college For everyone the draft loomed large in our futures so you could choose your branch of service or let the draft decide for you This was the 60 s Fresh from sock hops and college freshman mixers young men found themselves in a fight for their lives from the Delta to the DMZ on animal trails numbered hills and in remote jungle outposts Teenagers witnessed the unspeakable carnage of war while trying to understand the collision of emotions and insult to the senses that is combat Thousands died there and many thousands more were wounded and maimed So the hell of combat was replaced by the painful recovery in a military hospital For me and thousands of others it was Great Lakes Naval Hospital at Great Lakes Illinois For Self and Country follows my many months of recovery along with the stories of the brave young men who surrounded me and sustained me with friendship uncommon humor and courage This is a story of family young love and the magnificent care administered by the Navy doctors nurses and revered Corpsmen Great Lakes was a place of great pain but also recovery not just from the physical damage we sustained but also the unseen emotional injuries everyone endured but rarely talked about We helped each other in our recovery by talking to each other about our wartime experiences and how we would need to cope outside the insulated and protected hospital Most of us had no expectation of surviving Vietnam now that we had we were unsure what place we would have in civilian life
