Surfing A Modern Guide:

Surfing Reginald John Prytherch,1972 *The Encyclopedia of Surfing* Matt Warshaw,2005 With 1 500 alphabetical entries and 300 illustrations this resource is a comprehensive review of the people places events equipment vernacular and lively history of this fascinating sport **Surfing and Modernity in the North of Scotland** Matthew L.

McDowell,2024-09-11 For most people surfing is associated with Hawaii California and Australia with sun sand and scantily clad bodies However after the Second World War surfing also found a more unlikely home the north coast of Scotland In the 1960s and 1970s the first people to surf the Pentland Firth s world class waves braved brutal weather conditions poor or no wetsuits and baffled locals Equally as unlikely as surfing s presence on the north coast was its first permanent community founded amongst workers at a nuclear research facility with a notoriously poor safety record This book discusses the existence and evolution of surfing in the region from the 1960s to the present day It does not however focus just on surfing it also acts as a history of the region itself and examines the possibilities and limits of surfing sport and activities like them being used as a means of reinventing communities This book is therefore a valuable tool for historians sport practitioners and economic policymakers alike what can surfing tell us about the modern Highlands and Islands and indeed contemporary Scotland **The British Canoe Union Coaching Handbook** British Canoe Union,2006 A manual of coaching techniques advice and guidelines for the canoe and kayak coach This book is a mine of useful information and practical tips If you aspire to be a better canoe or kayak coach this is the book for you The book divides into three sections Part One deals with coaching theory and fundamentals such as psychology and physiology explained in terms that make sense to a practical coach Part Two looks at generic coaching skills that will provide useful tools whatever discipline the coach is involved in It works its way from introducing people to canoesport right through to coaching elite athletes Part Three looks at specific aspects of canoesport such as slalom racing sea kayaking white water kayaking open canoeing and freestyle **Aquatics Guide** ,1973

The New Partridge Dictionary of Slang and Unconventional English Tom Dalzell, Terry Victor, 2015-06-26 Booklist Top of the List Reference Source

The heir and successor to Eric Partridge's brilliant magnum opus *The Dictionary of Slang and Unconventional English*, this two-volume *New Partridge Dictionary of Slang and Unconventional English* is the definitive record of post-WWII slang. Containing over 60,000 entries, this new edition of the authoritative work on slang details the slang and unconventional English of the English-speaking world since 1945 and through the first decade of the new millennium with the same thorough, intense and lively scholarship that characterized Partridge's own work. Unique, exciting and at times hilariously shocking, key features include unprecedented coverage of World English with equal prominence given to American and British English slang and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland and the Caribbean; emphasis on post-World War II slang and unconventional English; published sources given for each entry, often including an early or significant example of the term's use in print; hundreds of thousands of citations from popular literature, newspapers, magazines, movies and songs illustrating usage of the headwords; dating information for each headword in the tradition of Partridge commentary on the term's origins and meaning. New to this edition: A new preface noting slang trends of the last five years; Over 1,000 new entries from the US, UK and Australia; New terms from the language of social networking; Many entries now revised to include new dating, new citations from written sources and new glosses. *The New Partridge Dictionary of Slang and Unconventional English* is a spectacular resource infused with humour and learning: it's rude, it's delightful and it's a prize for anyone with a love of language.
