The Generals Wife:

The General's Wife Charlotte Cassidy,2018-09-26 I thought I had one of the most secure marriages anyone could have My husband was rich and successful he was a retired major general in the army His career and doing what made him happy were what the two of us aimed for I had withstood bullying scoffing belittling and military dressing downs for thirty nine years I told no one about this man s behavior I had double knee surgery and this man whom I loved and whom I put first in my life was out breaking windows in his car cursing me and telling me he was leaving me at 2 30 a m I m leaving you because you clean too much you take care of business too much and you don t watch sports But the disaster to this marriage were your knees He left me and moved in with his ex wife from forty two years ago Years of plotting lies planning and betrayals by him his ex wife and his three grown children had been in the making Lies betrayals deceptions and leading a double life things I found out about after thirty nine years of marriage Before he left he told me he had been deceptive to me from the day he married me and he was a rogue I was totally blindsided by the evil plans he and his family were conspiring against me This is my story of survival *The General's Wife: The Life of Mrs. Ulysses S. Grant* Ishbel Ross,2016-03-28 An excellent and diligently researched biography of Julia Boggs Dent Grant 1826 1902 the wife of the 18th President of the United States Ulysses S Grant and First Lady of the United States from 1869 to 1877 An active participant in presidential matters The First Lady was widely regarded to possess tremendous strength of character sharing in the mixed fortunes of her husband promoting his welfare loved and cared for her family and fulfilled her patriotic duty as First Lady She reveled in her role as hostess to the nation and by all accounts brought warmth and a home like atmosphere to the White House Includes over 15 B W illustrations *The General's Wife* Charlotte Cassidy,2015-11-06 I thought I had one of the most secure marriages anyone could have My husband was rich and successful he was a retired major general in the army His career and doing what made him happy were what the two of us aimed for I had withstood bullying scoffing belittling and military dressing downs for thirty nine years I told no one about this man s behavior I had double knee surgery and this man whom I loved and whom I put first in my life was out breaking windows in his car cursing me and telling me he was leaving me at 2 30 a m I m leaving you because you clean too much you take care of business too much and you don t watch sports But the disaster to this marriage were your knees He left me and moved in with his ex wife from forty two years ago Years of plotting lies planning and betrayals by him his ex wife and his three grown children had been in the making Lies betrayals deceptions and leading a double life things I found out about after thirty nine years of marriage Before he left he told me he had been deceptive to me from the day he married me and he was a rogue I was totally blindsided by the evil plans he and his family were conspiring against me This is my story of survival **The General's Wife** M. Hamilton,1916 *The General's Unexpected Wife* Theresa Yasses,2025-06-24 Song Shengsheng had a nightmare and realized that she was the cannon fodder female supporting character in a period drama the evil ex wife of the male lead who died early In the story she was nothing

but a beautiful woman with no other talents To escape her husband she wrote a denunciation letter accusing her military officer husband of having questionable political background Not only that When her husband traveled thousands of miles to chase her and beg her to come home she rejected him without hesitation and even mocked him saying he would never amount to anything in his life In the end her husband s family was exonerated and his father and brothers were restored to their former positions He himself rose through the ranks and upon returning to the capital became a powerful figure in high office As for her the cruel female supporting character who abandoned her husband and children she met a tragic end by taking her own life Song Shengsheng who had awakened from her dream To avoid such a tragic ending she could only keep her head down and strive to be a good person She waited for the turbulent years to pass hoping to divorce the male lead peacefully and each go their separate ways to a happy life Days passed Her husband just like in the book rose higher and higher in his career Song Shengsheng waited and waited but he never initiated the divorce But Song Shengsheng had had enough Once she felt confident enough she said without hesitation Fu Cheng I want a divorce After all these years of working tirelessly to clean up her messes Fu Cheng was taken aback The female lead is a great actress she s just pretending to love him The male lead truly loves her he s just a man of few words
