The Geo Elegies:

The Geo Elegies Donald J. Kautz, 2002 *The Geo Elegies II* Donald J. Kautz, 2004-02-01 Contemporary poetry with an emphasis on philosophy character aesthetics and human sources of satisfaction **Sex. Aurelii Propertii Carmina. The Elegies of Propertius, with English notes, by F. A. Paley ... Second edition, ... revised** Sextus Propertius, 1872 *The War Trumpet* Emiro Martínez-Osorio, Mercedes Blanco, 2023-03-30 The epic poems written during the rise of Portugal and Spain on the global stage often dealt with topics quite unimaginable to the likes of Virgil or Homer These poems reveal the astounding opportunities for upward social mobility and self promotion afforded by broader access to print and the vast amount of knowledge and material wealth accrued through maritime exploration Iberian poets of the period were quite cognizant of their ventures into uncharted territory and that awareness informed their literary journeys The War Trumpet features nine substantial essays that expand our understanding of Iberian Renaissance epic poetry by posing questions seldom raised in relation to poems such as La Araucana Os Lus adas Carlo famoso El Bernardo Arauco Domado Espejo de paciencia and Felicissima Victoria among others Particularly compelling are questions concerned with early modern understandings of the natural world the practice of poetic imitation the discipline of cartography or the reception of Petrarchism in the newly established viceroyalties of the New World Fostering a greater appreciation of the intersection between poetry war and exploration The War Trumpet sheds light on the transformative changes that took place during the period of Iberian expansion Roman Love Elegy and the Eros of Empire Phebe Lowell Bowditch, 2023-05-22 This book explores Roman love elegy from postcolonial perspectives arguing that the tropes conventions and discourses of the Augustan genre serve to reinforce the imperial identity of its elite metropolitan audience Love elegy presents the phenomena and discourses of Roman imperialism in terms of visual spectacle the military triumph literary genre epic in relation to elegy material culture art and luxury goods and geographic space as intersecting with ancient norms of gender and sexuality in a way that reinforces Rome's dominance in the Mediterranean The introductory chapter lays out the postcolonial frame drawing from the work of Edward Said among other theorists and situates love elegy in relation to Roman Hellenism and the varied Roman responses to Greece and its cultural influences Four of the six subsequent chapters focus on the rhetorical ambivalence that characterizes love elegy's treatment of Greek influence the representation of the domina or mistress as simultaneously a figure for captive Greece and a trope for Roman imperialism the motif of the elegiac triumph with varying figures playing the triumphator as suggestive of Greco Roman cultural rivalry Rome's competing visions of an Attic and an Asiatic Hellenism The second and the final chapter focus on the figures of Osiris and Isis respectively as emblematic of Rome's colonialist and ambivalent representation of Egypt with the conclusion offering a deconstructive reading of elegy's rhetoric of orientalism *Latin Elegy and the Space of Empire* Sara H. Lindheim, 2021 This book explores the ways in which Latin poets of the late Republic and the Augustan Age participate in a new cultural preoccupation with the dramatically expanding

geographical space of empire Modernist Empathy Eve Sorum, 2019-06-27 Shows how reading modernist literature gives us fresh insights into tensions within the empathetic imagination and empathy itself *The Elegies of Ted Hughes* E. Hadley, 2010-05-07 The elegiac aspect of Ted Hughes poetry has been frequently overlooked an oversight which this book sets out to rectify Encompassing a broad range of themes from the decline of nature and local industry to the national grief caused by the First World War this book is a comprehensive addition to the study of Hughes poetry The Origin of Latin Love-Elegy Archibald A. Day, **American Elegy** Max Cavitch, The most widely practiced and read form of verse in America elegies are poems about being left behind writes Max Cavitch American Elegy is the history of a diverse people's poetic experience of mourning and of mortality's profound challenge to creative living By telling this history in political psychological and aesthetic terms American Elegy powerfully reconnects the study of early American poetry to the broadest currents of literary and cultural criticism Cavitch begins by considering eighteenth century elegists such as Franklin Bradstreet Mather Wheatley Freneau and Annis Stockton highlighting their defiance of boundaries between public and private male and female rational and sentimental and demonstrating how closely intertwined the work of mourning and the work of nationalism were in the revolutionary era He then turns to elegy's adaptations during the market driven Jacksonian age including more obliquely elegiac poems like those of William Cullen Bryant and the popular child elegies of Emerson Lydia Sigourney and others Devoting unprecedented attention to the early African American elegy Cavitch discusses poems written by free blacks and slaves as well as white abolitionists seeing in them the development of an African American genealogical imagination In addition to a major new reading of Whitman's great elegy for Lincoln When Lilacs Last in the Dooryard Bloom'd Cavitch takes up less familiar passages from Whitman as well as Melville's and Lazarus's poems following Lincoln's death American Elegy offers critical and often poignant insights into the place of mourning in American culture Cavitch examines literary responses to historical events such as the American Revolution Native American removal African American slavery and the Civil War and illuminates the states of loss hope desire and love in American studies today Max Cavitch is assistant professor of English at the University of Pennsylvania

The Geo Elegies Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the power of words has become more evident than ever. They have the capability to inspire, provoke, and ignite change.
