The German stage in the nineteenth century Marvin A. Carlson, 1972 **The German Stage in the Nineteenth Century** Marvin Carlson, 1972 The History of World Theater Felicia Hardison Londré, Margot Berthold, 1999-01-01 Felicia Londré explores the world of theater as diverse as the Entertainments of the Stuart court and Arthur Miller directing Chinese actors at the Beijing People's Art Theater in *Death of a Salesman* Londré examines Restoration comedies the *Comedie Francais* Italian opera seria plays of the Sturm und Grand movement Russian French and Spanish Romantic dramas American minstrel shows Brecht and dialectical theater Dighilev Dada Expressionism Theater of the Absurd productions and other forms of experimental theater of the late 20th century **The Oxford Illustrated History of Theatre** John Russell Brown, 2001 Authoritative and wide ranging this absorbing account of the history of theatre draws on the latest scholarly research to describe and celebrate theatre's greatest achievements over 4 500 years from festival performances in ancient Egypt to international multicultural theatre in the late twentieth century Written by a team of distinguished authors and illustrated throughout this is an essential source of reference for students teachers theatre professionals and the theatre goer alike **European Theatre Performance Practice, 1750-1900** Jim Davis, 2016-12-05 This volume contains key articles and chapters which represent both seminal and innovative scholarship on European theatre performance practice from 1750 to 1900 The selected topics focus on acting and performance staging including set design and lighting and audiences and are approached with a broad perspective as well as with in depth focussed analysis The volume captures the rich dynamic and variegated nature of European theatre throughout the late eighteenth and nineteenth centuries and provides a carefully selected body of significant texts on this important period of theatre history **Theatre Symposium, Vol. 20: Gods and Groundlings** Edward Bert Wallace, 2012-09-17 The audience is an integral part of performance and is in fact what separates a rehearsal from a performance The relationship however between performers and the audience has evolved over time which is one of the subjects addressed along with the changing disposition of the audience itself and a number of other topics in *Gods and Groundlings* volume 20 of the annual journal *Theatre Symposium* The essays in this volume discuss spectatorship in historical context the role of the audience in the digital age the early modern English transvestite theatre Annie Oakley and the disruption of Victorian audiences and historical attempts to create ideal audiences Edited by E Bert Wallace this latest publication from the largest regional theatre organization in the United States collects the most current scholarship on theatre history and theory Contributors To Volume 20 Susan Bennett Jane Barnette Becky Becker Lisa Bernd Evan Bridenstine Michael Jaros Robert I Lublin Paulette Marty **Naturalism and Symbolism in European Theatre 1850-1918** Claude Schumacher, 1996-09-26 This fourth volume in the series *Theatre in Europe* charts the development of theatrical presentation at a time of great cultural and political upheaval *A Cultural History of Tragedy in the Age of Empire* Michael Gamer, Diego Saglia, 2021-05-20 This volume traces a path across the metamorphoses of tragedy and the

tragic in Western cultures during the bourgeois age of nations revolutions and empires roughly delimited by the French Revolution and the First World War Its starting point is the recognition that tragedy did not die with Romanticism as George Steiner famously argued over half a century ago but rather mutated and dispersed converging into a variety of unstable productive forms both on the stage and off In turn the tragic as a concept and mode transformed itself under the pressure of multiple social historical and political ideological phenomena This volume therefore deploys a narrative centred on hybridization extending across media genres demographics faiths both religious and secular and national boundaries The essays also tell a story of how tragedy and the tragic offered multiple means of capturing the increasingly fragmented perception of reality and history that emerged in the 19th century Each chapter takes a different theme as its focus forms and media sites of performance and circulation communities of production and consumption philosophy and social theory religion ritual and myth politics of city and nation society and family and gender and sexuality

A Cultural History of Theatre in the Age of Empire Peter Marx, 2019-08-08 The 19th century ushered in an unprecedented boom in technology the unification of European nations the building of global empires and stabilization of the middle classes The theatre of the era reflected these significant developments as well as helped to catalyse them Populist theatre and purposebuilt playhouses flourished in the ever growing urban and cosmopolitan centres of Europe and in expanding global networks This volume provides a comprehensive and interdisciplinary overview of the cultural history of theatre from 1800 to 1920 Highly illustrated with 51 images the ten chapters each take a different theme as their focus institutional frameworks social functions sexuality and gender the environment of theatre circulation interpretations communities of production repertoire and genres technologies of performance and knowledge transmission

Crime, Jews and News Dan Vyleta, 2007 Examines the discourse in the press on Jewish crime at the turn of the 19th century in an epoch when criminal and court room reports became very popular and attracted a wide audience The period 1895-1914 was marked by the development of criminal science which attempted to find psychological and physical abnormalities identifying the born criminal and by a rise in racist antisemitism Theories of a Jewish propensity to crime were circulated Remarkably racial antisemitism affected the press accounts on Jewish criminals or Jewish accomplices defense attorneys etc of non Jewish criminals only to a small degree Of all the antisemitic narratives on Jewish criminality the antisemitic press used mainly the image of the Jew as a rational and cunning criminal actor coolly acting out a crime that was collective and conspiratorial in nature Even when reporting on sexual crimes and white slave trafficking the papers never stressed sexual motives of Jewish defendants but only their callous greed Dwells on the ritual murder trial of Hilsner in Bohemia and shows the extent to which the perception of this case and even the course of the trial were affected by the press The reports of the antisemitic press on Jewish criminality was intended for antisemitic believers and did not affect non antisemites however this press had a great number of readers In the Nazi period the narrative on Jewish criminality acquired

blatantly racial motifs **Historical Dictionary of Romanticism in Literature** Paul Varner, 2014-11-18 The Historical Dictionary of Romanticism in Literature provides a large overview of the Romantic Movement that seemed at the time to have swept across Europe from Russia to Germany and France to Britain and across the Atlantic to the United States The Romantics saw themselves as inaugurating a new era They frequently referred to themselves or their contemporaries as Romantics and their art as Romantic From the early stirrings in Germany to the last decade of the eighteenth century in England with the political radicals and the Lake Poets to the Transcendental Club in Massachusetts the leaders of the age acknowledged their new Romantic attitudes This volume takes a close and comprehensive look at romanticism in literature through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 800 cross referenced entries on the writers and the poems novels short stories and essays plays and other works they produced the leading trends techniques journals and literary circles and the spirit of the times are also covered This book is an excellent access point for students researchers and anyone wanting to know more romanticism in literature **The Methuen Drama Handbook of Theatre History and Historiography** Claire Cochrane, Jo Robinson, 2019-10-31 Shortlisted for the 2021 TaPRA Edited Collection Prize The Methuen Drama Handbook of Theatre History and Historiography is an authoritative guide to contemporary debates and practices in this field The book covers the key themes and methods that are current in theatre history research with a particular focus on expanding the object of study to include engagement with theatre and performance practices and the development of theatre histories around the world Central to the book are eighteen specially commissioned essays by established and emerging scholars from a wide range of international contexts whose discussion of individual case studies is predicated on their understanding and experience of their local landscape of theatre history These essays reveal where important work continues to be done in the field and most valuably draws on academic contexts beyond the Western academy to expand our knowledge of the exciting directions that such an approach opens up Prefaced by an introduction tracing the development of the discipline of theatre history and changing historiographical approaches the Handbook explores current issues pertaining to theatre and performance history research as well as providing up to date and robust introductions to the methods and historiographic questions being explored by researchers in the field Featuring a series of essential research tools including a detailed list of resources and an annotated bibliography of key texts this is an indispensable scholarly handbook for anyone working in theatre and performance history and historiography **The Oxford Companion to Theatre and Performance** Dennis Kennedy, 2010-08-26 An authoritative reference covering primarily actors playwrights directors styles and movements companies and organizations **A Stage for Debate** Martin Wagner, 2023-05-26 A Stage for Debate presents a detailed analysis of the repertoire of the leading German language stage of the nineteenth century Vienna's Burgtheater The book explores the extent to which the Burgtheater repertoire contributed to important political and cultural debates on individual liberty the role of women in

society and the understanding of national and regional identity The relevance of the Burgtheater as a forum for political debate is assessed not by the degree to which the performed plays transgressed established norms but by the range of positions that were voiced on a given topic Martin Wagner investigates the roughly 1 000 plays from across Europe that were introduced to the Burgtheater's repertoire between 1814 and 1867 by combining a general overview with detailed interpretations of especially successful plays Wagner reveals that the Burgtheater was significantly more involved in contemporary debates than the stereotype of this stage as an artistically refined but apolitical institution suggests Drawing from theatre studies and German and Austrian studies more broadly A Stage for Debate revises the history of one of Europe's leading theatres

Crime, Jews and News Daniel Mark Vyleta, 2007-01-01 Crimes committed by Jews especially ritual murders have long been favorite targets in the antisemitic press This book investigates popular and scientific conceptualizations of criminals current in Austria and Germany at the turn of the last century and compares these to those in the contemporary antisemitic discourse It challenges received historiographic assumptions about the centrality of criminal bodies and psyches in late nineteenth and early twentieth century criminology and argues that contemporary antisemitic narratives constructed Jewish criminality not as a biológico racial defect but rather as a coolly manipulative force that aimed at the deliberate destruction of the basis of society itself Through the lens of criminality this book provides new insight into the spread and nature of antisemitism in Austria Hungary around 1900 The book also provides a re evaluation of the phenomenon of modern Ritual Murder Trials by placing them into the context of wider narratives of Jewish crime

Theories of the Theatre Marvin A. Carlson, 2018-07-05 Beginning with Aristotle and the Greeks and ending with semiotics and post structuralism Theories of the Theatre is the first comprehensive survey of Western dramatic theory In this expanded edition the author has updated the book and added a new concluding chapter that focuses on theoretical developments since 1980 emphasizing the impact of feminist theory
