Most Important Shlokas of the Bhagavad Gita (Simplified For Beginners of All Ages) Monisha K Gumber,2024-08-26

About the Book The simplification of the selected 108 shlokas of the Bhagvad Gita is not a direct translation nor an in depth analysis With humility and respect my endeavor is just to offer the wisdom of the Gita in regular conversational language especially for beginners in India and beyond If you haven t read any of the scriptures and would like to know more about our ancient civilization and history then this might be a good place to start though there are some brilliant minds who have dedicated their lives for dharma and desh sewa An excellent body of work is produced by some great personalities such as Sanjay Dikshit Nilesh Oak Rajeev Malhotra Ami Ganatra Neeraj Atri and countless others towards whom I humbly offer my deepest and sincerest gratitude In this particular compilation there are only 108 shlokas as recommended by the ISKCON and are aligned to the Bhakti aspect In totality there are 700 shlokas logically structured into 18 chapters mostly focusing on Karma Yog Gyan Yog and Bhakti Yog The word yog or yoga doesn t have a single meaning In the context of Gita it means the path undertaken to be united with a specific goal The Gita starts with Arjuna s anguish just before the battle of Kurukshetra

is about to begin and seeks guidance from his trusted friend and Guru Shri Krishna To even attempt to list down the great learnings in this sacred text would not be possible in a single lifetime still this document would provide you a base to explore deeper and wider into this ocean of precious knowledge Please also note at this stage you could find some concepts repetitious or contradictory Hence you might eventually need a trusted Guru All depends on the intensity of your desire to know more Gita is the song of Bhagwan Himself and the essence of the Vedas If you are reading this probably its Krishna s will and you can consider yourself fortunate that the Gita has chosen to come to you in whatever form Please continue on this beautiful journey that shall open up your hearts and minds to some enchanting places in the universe I am writing from personal experiences that all we need is devotion and He shall take care of everything Radhey Radhey *Hinduism - Clarified And Simplified* PROF.
