The Glory Cloak:

The Glory Cloak Patricia O'Brien, 2010-05-11 From childhood Susan Gray and her cousin Louisa May Alcott have shared a safe insular world of adventures a world that begins to evaporate with the outbreak of the Civil War Frustrated with sewing uniforms and wrapping bandages the two women journey to Washington D C s Union Hospital to volunteer as nurses Which is a horrifying experience There they meet the Clara Barton the legendary Angel of the Battlefield and she becomes their idol and mentor Soon one wounded soldier begins to captivate and puzzle them all a man who claims to be a blacksmith but whose appearance and sharp intelligence suggest he might not be who he says he is Journeying through the apex of Louisa s fame as the author of Little Women and Lincoln s appointment of Clara this novel is ultimately the story of friendship between the women who broke the mold society set for them

Venus and the Sea People Henry Hallan, 2013-01-06 Along the coasts of the North Atlantic there are legends of a lost land over the sea a land of magic of immortality and of plenty Plato described such a land naming it Atlantis In his descriptions the Atlanteans were doomed by their falling into decadence and their opposition to the spirits of nature An epic fantasy rooted in the mythology of the lost land The Fall of the Sea People tells of these twin errors and of how they brought about the destruction of a Neolithic civilization that ruled the world Venus and the Sea People is the first volume of this story Diamond Life Robin

The Knights of Ephesus Richard Robletto, 2015-12-15 Be strong in the Lord and in the power of his might Put on the whole armour of God that ye may be able to stand against the wiles of the devil Ephesians 6 10 11 Dont be fooled Christians are in a spiritual battle The world may ridicule the notion of a spiritual realm but Christians know that it is both real and potent As the last days draw ever closer we need a deeper understanding of this to help us prepare for the great battles that lie ahead for believers In the Bible the book of Ephesians gives the clearest definition of the spiritual war we face author Rich Robletto has written *The Knights of Ephesus* to offer readers fresh perspective and profound insight on how we are to put on the whole armour of God as he describes the nature of our struggle Backed extensively by appropriate relevant passages from the Bible Robletto reminds Christians that Satan is real He cautions that unless we fully grasp what our role is along with the fact that Jesus Christ has given us all we need to withstand and ultimately triumph over evil we will be woefully underprepared and overwhelmed by Satans wiles *The Knights of Ephesus* effectively highlights the great insight provided by the book of Ephesians and offers instruction on how to prepare for war and how we are to achieve victory through our Lord Jesus Christ *Through a Speculum That Shines* Elliot R. Wolfson, 2020-06-30 A comprehensive treatment of visionary experience in some of the main texts of Jewish mysticism this book reveals the overwhelmingly visual nature of religious experience in Jewish spirituality from antiquity through the late Middle Ages Using phenomenological and critical historical tools Wolfson examines Jewish mystical texts from late antiquity pre kabbalistic sources from the tenth to the twelfth

centuries and twelfth and thirteenth century kabbalistic literature His work demonstrates that the sense of sight assumes an epistemic priority in these writings reflecting and building upon those scriptural passages that affirm the visual nature of revelatory experience Moreover the author reveals an androcentric eroticism in the scopic mentality of Jewish mystics which placed the externalized and representable form the phallus at the center of the visual encounter In the visionary experience as Wolfson describes it imagination serves a primary function transmuting sensory data and rational concepts into symbols of those things beyond sense and reason In this view the experience of a vision is inseparable from the process of interpretation Fundamentally challenging the conventional distinction between experience and exegesis revelation and interpretation Wolfson argues that for the mystics themselves the study of texts occasioned a visual experience of the divine located in the imagination of the mystical interpreter Thus he shows how Jewish mystics preserved the invisible transcendence of God without doing away with the visual dimension of belief *The final Passover, a series of meditations. 3 vols. [in 5].* Richard Meux Benson, 1893
