The Gnostic Treatise On Resurrection From Nag Hammadi:

Gnostic Treatise Resurrection from Naghammadi Bentley Layton, 1979-01-01 **The Gnostic Treatise on Resurrection from Nag Hammadi** Bentley Layton, 1979 The gnostic Treatise on resurrection from nag Hammadi [kopt.u. engl.] Ed. with translat. and comm. by Bentley Layton , 1979 A Companion to Second-Century Christian 'Heretics' Antti Marjanen, Petri Luomanen, 2008 The book deals with thinkers and movements that were embraced by many second century religious seekers but which are now largely forgotten or known only as heretics Basilides Sethianism Valentinus school Marcion Tatian Bardaisan Montanists Cerinthus Ebionites Nazarenes Jewish Christianity of the Pseudo Clementines and Elchasites The Nag Hammadi Scriptures Marvin W. Meyer, Wolf-Peter Funk, 2007-05-29 A comprehensive English translation of the Nag Hammadi Scriptures a group of ancient manuscripts uncovered in 1945 that are the basis of the mystical tradition called Gnosticism The Courageous Gospel Robert Allan Hill, 2013-06-04 The Courageous Gospel is intended for use alongside a commentary Ashton Brown Bultmann Barrett other in a class introducing the Fourth Gospel The book has four parts A succinct summary of key matters of introduction A collection of sermons on the Gospel s core chapters with reflective reminiscence and remembrance of what Raymond Brown said in lecture about the Gospel thirty years ago A series of background lectures that attempt on the one hand to honor the key insights of the current opinion communis that Jewish apocalyptic explains John and on the other hand to open the door to further insights from an older perspective needed for a full appreciation of John that the Hellenistic Gnostic background explains John A set of pedagogical appendices employable in the classroom to aid discussion Together these components attempt to provide the necessary second book for an introduction to the Fourth Gospel engaging the commentaries with the hermeneutical homiletical exegetical and pastoral implications of a first level study of John *The Gnostic Bible* Willis Barnstone, Marvin W. Meyer, 2006 The most comprehensive collection of gnostic literature ever published this volume is the result of a unique collaboration between a renowned poet translator and a leading scholar of early Christian texts Resurrecting Parts Taylor Petrey, 2015-07-03 During the late second and early third centuries C E the resurrection became a central question for intellectual commentary with increasingly tense divisions between those who interpreted the resurrection as a bodily experience and those who did not The relationship between the resurrected person and their mortal flesh was also a key point of discussion especially in regards to sexual desires body parts and practices Early Christians struggled to articulate how and why these bodily features related to the imagined resurrected self The problems posed by the resurrection thus provoked theological analysis of the mortal body sexual desire and gender Resurrecting Parts is the first study to examine the place of gender and sexuality in early Christian debates on the nature of resurrection investigating how the resurrected body has been interpreted by writers of this period in order to address the nature of sexuality and sexual difference In particular Petrey considers the instability of early Christian attempts to separate maleness and femaleness Bodily parts commonly signified sexual difference yet it was

widely thought that future resurrected bodies would not experience desire or reproduction In the absence of sexuality this insistence on difference became difficult to maintain To achieve a common shared identity and status for the resurrected body that nevertheless preserved sexual difference treatises on the resurrection found it necessary to explain how and in what way these parts would be transformed in the resurrection shedding all associations with sexual desires acts and reproduction Exploring a range of early Christian sources from the Greek and Latin fathers to the authors of the Nag Hammadi writings Resurrecting Parts is a fascinating resource for scholars interested in gender and sexuality in classical antiquity early Christianity asceticism and of course the resurrection and the body

Hope's Reason: A Journal of Apologetics Vol. 1 No. 1 Stephen J. Bedard (editor), 2011-02-05 In an increasingly skeptical world there is now more of a need than ever for quality apologetic resources defending the Christian faith The purpose of this journal is to bridge the gap between the academy and the church equipping pastors and interested laypeople to present the Christian faith to an unbelieving world
