## **The Go Between God Scm Classics S:**

**The Go-Between God** John V. Taylor, 2021-01-29 John Taylor's most famous book is a reminder that the Holy Spirit urges us toward a communal humanity Taylor's is a message especially pertinent in an age of crushing multinational capitalism and a rising tide of individual greed and fear of the Other Based on his Cadbury lectures delivered in 1967 *The Go Between God* is now considered one of the most important works ever written on the Holy Spirit and mission This edition contains a new foreword by Jonny Baker

**The Mystery of Faith** John-Francis Friendship, 2019-09-30 *The Mystery of Faith* explores the essentials of Christian belief and the ancient spiritual practices that enable us to live and flourish in the light of God's grace It is written for those who are new to the Christian faith are curious about it want to understand their faith better or make more meaningful connections between faith and life Using the structure of the Apostles Creed it offers clear explanations of core beliefs through the God we encounter in creation in the life death and resurrection of Jesus Christ and in the Spirit who makes God known in our world and in our lives today John Francis Friendship draws on the riches of the Christian tradition and his own experience of Religious life to introduce practices that guide our daily living as God's people prayer scripture the sacraments worship the company of saints Throughout questions for reflection and discussion make this an ideal resource for faith formation for individual and groups

**Leading a Church to Maturity in Love** David R.

Tomlinson, 2019-03-01 Church leaders frequently encounter tensions and conflict especially when facing change Building on extensive experience of leading churches at times of change Tomlinson shows how through critical theological reflection and modelling good practice church leaders can facilitate church life that is grounded and transformed by the love of God

**The Future for God's People in a Conflict-Ravaged World** Michael Kenneth Wilson, 2023-12-27 A tragic world ravaged by conflict A world in which powerful political states act ruthlessly with millions upon millions of lives devastated Across the globe from continent to continent in state after state political power is wielded in ways that are inhumane and dehumanizing Vast numbers of people are the victims of violent religious persecution For many living a godly life brings with it the prospect of considerable suffering and hardship That's the reality painted in the book of Daniel *The Future for the Wise in a Conflict Ravaged World* provides us with the perspectives we need to face the future as we live in such a world and remain true to the God who rules over it

**A Different Way** Roger Payne, 2015-03-27 There is an urgent need for more debate and discussion in our churches because the integrity and credibility of our faith is at risk Our integrity is at risk because it is not clear that we understand what it is that we profess Our credibility is at risk because we seem unable to communicate it We need to engage more actively at the intellectual level and to be willing to examine the fundamentals of our faith more critically And such discussion must start with a human rather than a divine perspective It is as human beings that we are embodied as persons it is as human beings that we engage with the world around us and it is as human beings that we form relationships with the rest of the created order And it is as a human being that that which we understand as

God was embodied in the form of Jesus of Nazareth thereby placing humanity at the pinnacle of creation and giving humanity the responsibility for the stewardship of the created order

**The Subordinate Substitute** Peter Carnley, 2024-01-10 In this book Peter Carnley examines the logical connection between the doctrine of the Trinity and the doctrine of redemption In the companion volume to this Arius on Carillon Avenue contemporary expressions of belief in the eternal functional subordination of the Son to the Father were carefully discussed and found wanting when measured against the norms of orthodox trinitarian belief This book examines the repercussions of this defective trinitarian subordinationism in relation to recent attempts to defend the penal substitutionary theory of the Atonement which in turn is also found to fall short of trinitarian norms As an alternative a less theoretical and speculative incorporative or participative theology of redemption is proposed

*The Thiselton Companion to Christian Theology* Anthony C. Thiselton, 2015-02-06 Covering everything from Abba to Zwingli The Thiselton Companion to Christian Theology offers a comprehensive account of a wide sweep of topics and thinkers in Christian theology Written entirely by eminent scholar Anthony Thiselton the book features a coherence lacking in most multiauthored volumes Drawing on his encyclopedic knowledge gained from fifty plus years of study and teaching Thiselton provides some six hundred articles on various aspects of theology throughout the centuries The entries comprise both short descriptive surveys and longer essays of original assessment on central theological topics such as atonement Christology God and Holy Spirit and on such theologians as Aquinas Augustine Barth Calvin Kng Luther Moltmann and Pannenberg The book also includes a helpful time chart dating all of the theologians discussed and highlighting key events in Christian history select reading suggestions conclude each of the longer entries Equally valuable for research and teaching The Thiselton Companion to Christian Theology will be a go to reference for pastors students teachers and theologians everywhere

**Love for the Future** David Osborne, 2013-06-14 Climate change pollution and diminishing resources mean that the future will be difficult for life on earth We need the courage to face up to what is happening the determination to work at the problems and the freedom to let go of the old ways of living which are causing such damage to the earth

**Apologetics without Apology** Elaine Graham, 2017-07-19 Against many expectations religion has not vanished from Western culture People are troubled and fascinated in equal measure by this new visibility and are unsure whether it is right to re incorporate the vocabulary of faith into our common life This unprecedented co existence of religion and secularism is sometimes termed the postsecular and in this book Elaine Graham considers some of its implications for the public witness of Christianity She argues that everyone from church leaders theologians local activists and campaigners needs to learn again how to speak Christian in these contexts They need to articulate credible theological justifications for their involvement in public life and to justify the very relevance of their faith to a culture that no longer grants automatic privilege or credence This entails a retrieval of the ancient practice of apologetics in order to encourage and equip Christians to defend and commend their core principles and convictions in public This new apologetics involves

discerning the actions of God in the world participating in the praxis of God's mission and bearing witness in word and deed. Rather than being an adversarial or argumentative process, this is an invitation to dialogue and to the rejuvenation of our public life.

**The Spirit of Truth** Myk Habets, 2010-03-01. This pneumatology from below, not in the methodological but in the geographical sense from New Zealand, extends the contemporary renaissance of the discussion on the doctrine of the Holy Spirit across the theological loci and disciplines. A veritable pneumatological contribution indeed by Myk Habets and his colleagues from Down Under. Amos Yong, J. Rodman Williams, Professor of Theology, Regent University.
