The “God of Israel” in History and Tradition Michael J. Stahl, 2021-03-22 In *The God of Israel in History and Tradition* Michael Stahl provides a foundational study of the formulaic title god of Israel *elohe yisra el* in the Hebrew Bible Employing critical theory on social power and identity and through close literary and historical analysis Dr Stahl shows how the epithet god of Israel evolved to serve different social and political agendas throughout the course of ancient Israel and Judah s histories Reaching beyond the field of Biblical Studies Dr Stahl s treatment of the historical and ideological significances of the title god of Israel in the Hebrew Bible offers a fruitful case study into the larger issue of the ways in which religion may shape and be shaped by social and political structures

Jesus and the God of Israel Richard Bauckham, 2013-09-01 *God Crucified and Other Essays on the New Testament s Christology of Divine Identity* The basic thesis of this important book on New Testament Christology sketched in the first essay *God Crucified* is that the worship of Jesus as God was seen by the early Christians as compatible with their Jewish monotheism Jesus was thought to participate in the divine identity of the one God of Israel The other chapters provide more detailed support for and an expansion of this basic thesis Readers will find not only the full text of Bauckham s classic book *God Crucified* but also groundbreaking essays some of which have never been published previously

Battle of the Gods: The God of Israel Versus Marduk of Babylon Kessler, 2018-03-20 This monograph is a literary study of the oracles against Babylon in Jeremiah chapters 50-51 They form the climax of the foreign oracle collection in the book of Jeremiah Included are a survey of early scholarship on these chapters a discussion of genres and motifs verbal components and a succinct survey of the historical context However the major emphasis is directed to the dynamic of these oracles as a literary creation with a message That message is directed to Judah and Israel who are urged to flee a doomed city with its idolatrous civilization and to return to their homeland to Jerusalem to enter a permanent covenant with YHWH the God of their fathers Throughout the literature is discussed in its natural contexts within the oracle collection in Jeremiah in comparison with the Isaian oracles against Babylon and within the canonical book of Jeremiah demonstrating the climactic position of these oracles

The God of Israel David Lipscomb Cooper, 1939

Who was the God of Israel? Scott Janzen, Associated Mennonite Biblical Seminary. Pentateuch, 2009

The Origin of the God of Israel Samuel C Phillips, 2015-02-01 In this book in addition to informing where God originated and where He lives we inform why after revealing His personal name to Moses He yet has a secret name re Revelation 19:12 And among several other significant issues including what really constitutes God relevant to Judeo Christianity we show also that contrary to popular Jewish belief Abraham did not know God s personal name and why God did not inform him Significantly we show also why at Israel s birth in 1948 their tiny army using slingshots inferior weaponry defeated six Arab armies confederated and armed with sophisticated weaponry yet now with the best and most powerful

army in the Middle East and with the best weaponry Israel cannot outright defeat Hamas even after three wars nor even Hezbollah Interestingly the Bible has track record for prophetic accuracy But ever since Islam was formed in the 7th century A D Muslims claimed their god Allah is the greatest as well as that there is no god but Allah and are extremely zealous for their religion to the extent of fanaticism by some Yet the Bible in Revelation 13 8 reveals them also worshiping a different god a MAN claiming to be God 42 months after the EU elects their first 42 months two term president shortly to occur Why the change These and other current world issues relevant to Christians and non Christians alike are addressed in this book
