The God Of Second Chances Experiencing His Grace For The Rest Of Your Life:

The God of Second Chances Stephen Arterburn, 2010-09-20 A second chance all of us have needed one at some point in our lives As children we beg our parents to give us just one more chance As adults we turn our pleadings to God for another opportunity just to start over again In this revised and updated version of The God of Second Chances author Stephen Arterburn takes us through his own journey of pleasure seeking and ambition to a life changing encounter with the reality of God s grace Arterburn is painfully honest sharing his personal experiences with sexual immorality that culminated in the abortion of his child It was then desperate and at the end of himself that Arterburn cried out to God for a second chance Through his willingness to share his struggles Arterburn helps us to confront our failures and reach out for God s restorative touch With a gentle humor he encourages us to look beyond ourselves and discover the joy in serving others and investing in the things that really matter In doing so we will learn what it is to be restored to God through unconditional surrender and receive healing from the scars left by our own mistakes **How We Are Healed** Jeffrey Driscoll, 2007-07 A first aid resource for the deep problems people face in their lives this text provides immediate help to the desperate reader who might be experiencing difficulty with biblical advice from a variety of sources 184 pp Christian B Inspired 2 Cont;nue Brandon Warren, 2021-04-27 This book speaks about the once suicide attempt of Brandon Warren a young man who carried a lot on his plate at a young age but he found his way to cont nue Despite the doubt of Satan Brandon found himself to not only to still be alive surviving the deadly suicide attempt but by the grace and mercy of God he s now found himself considered rebirth The book highlights not only the importance and value of continuing but the text ultimately is to inspire one to cont nue Brandon is now a considered suicide survivor and the message of this book will lead to inspire one to cont nue whatever they ve now come to have doubt in not just life or death The text is going to inspire you to cont nue rather than give up at whatever you ve now come to lack faith in The read is totally transparent showing that no one is perfect but the only perfect One This book will highlight the value of dwelling in the presence of the Perfect One Jesus Christ who Brandon found saved his life despite his previous sins and once losing sight of his faith Brandon who became a young activist after the passing of his friend Dijon Anderson found himself struggling to continue and hold faith in the Lord as stress and mental illness cont nued to build up and infelicitously attack Because of the lethal attack of mental illness sent by Satan Brandon later found himself struggling to cont nue carrying his faith as a strong tower against Satan s wrath of a stronghold of the mind God later gifted Brandon the prophetic visionary importance on spreading the awareness to cont nue but not just cont nue life but also cont nue against whatever Satan may deceptively tell us we can t do The deceit of Satan causes us to sometimes quit yet this story is to inspire you to cont nue Christ Is All That Matters Phillip Brown, 2024-04-11 Phillip Brown s life changed forever on a May evening in 2005 He fell twenty six feet from a roof gable landing on his shoulders and head He survived Twelve staples closed the head wound but the worst damage was invisible tucked within the complex webs of his brain A

traumatic brain injury stole everything he thought was his gifts he took for granted He began journaling In Christ Is All That Matters Brown offers a compilation of essays written in the black of morning his first waking hours with the God he loves Chronicling his journey with Christ he shares the goodness of God at work in his life and tells how God used tragedy to transform his walk with God Brown puts his heart on paper his fragility failures sorrows joys and his hopes and dreams the conversations he has with God Every essay engages a singular desire Each encourages one and all to embrace the God who loves them the God who keeps them the God who knows them by name *This Is My Story* Paul Beasley-Murray,2018-06-28 This Is My Story is an unusually fascinating account of one man s life It is a story of the making of a man initially written with grandchildren in mind Who was my grandfather What kind of person was he At another level it is a story of a growing faith telling how amidst the ups and down of life he has remained a soft hearted pilgrim At yet another level it is a story of the making of a leader who never stopped learning how to lead care preach and engage in effective mission Perhaps even more significantly it is also a story of a ministry in which the author never lost his sense of delight and privilege in his calling to be a pastor Finally as one who has at time been at the center of controversy it is an opportunity to tell my side of the story This is a book for pastors and for any Christian who wants the inside story of the pains and triumphs of a Christian leader A Culture of Second Chances David M. Newman,2019-12-12 This book examines the iconic presence of second chances in everyday life David Newman explores its various iterations in popular culture commercial marketplaces religion intimate relationships education criminal justice and human bodies He analyzes how this concept as a cultural aspiration driver of policy and lived personal experience has become part and parcel of our individual sense of self and our collective national identity While the rhetoric of redemption is familiar and ubiquitous Newman uncovers the costs and constraints of second chances paying particular attention to the factors that affect judgments of deservedness Informed by an array of data sources including personal interviews mission statements of nonprofit recovery agencies images in popular culture stories from the news plot summaries of novels and scriptural texts Newman frames the second chance experience as the quintessential cultural paradox a concept that simultaneously represents the pinnacle of our shared hopes for renewal and our deepest suspicions about the intransigence of human nature **Gifts for Your Seasons** Pauline Oxley,2022-01-14 Gifts for your Seasons is an insightful and inspirational book full of personal reflective thoughts and experiences that have been helpful in dealing with the various seasons we all go through in life These seasons include success healing parenting self worth contentment faith love and peace The human experience is one that is full of ups and downs good days and not so good ones These are seasons which the author addresses to help cope with the uncertainties of life Gifts for your Seasons is a book that encourages the reader to consider the contribution that can be made through essentials that enrich the varying seasons of life and make a difference to you your family and community They are designed to fit in well with who you are and your personality These gifts are applicable to the present times that we are living in It is evident that not all gifts come ready

Beyond the Walls of Separation Tobias Brandner,2013-12-03 Beyond the Walls of Separation is an essential and easy to read guidebook for chaplains and volunteers working in the context of prison and for all those who are professionally or through family links related to those in prison The book tells the story of what life behind bars is and how inmates experience transformation through Christian faith People at the crisis points of their life where they are shattered and where little is left of what made them may experience life as fragile and as a transparent filter for the mysterious Yet they also may experience God s life giving presence Love expressed in forgiveness against all odds against all merits and previous experiences lies at the root of many stories of transformation that emerge from prison The book guides visitors to approach inmates without condescension with an awareness of the social dimension of power and inequality and with sensitivity to the suffering and alienation that individual prisoners experience The many years of prison ministry in different cultural contexts and with inmates from all nations have taught the author that Christ does not need to be brought to prison through visitors through evangelistic events or through Christian outreach He is already powerfully present in prison

Starting a Seeker Sensitive Service Ed Dobson,1993 This is a book about radical change It is the story of how a traditional church launched a non traditional service in order to open its doors to unchurched people This book has grown out of five years of ministry to hurting people who are either skeptics agnostics or doubters of the Christian faith It has been shaped by people who do not give much of a rip about God or the Bible but they are at least willing to listen It is a book about what I have learned from these fellow travelers in the adventure of life
