## **The Godfather:**

The Godfather Mario Puzo, 2005 A portrait of a Mafia family focuses on the life and times of patriarch Don Vito Corleone a Sicilian American godfather and his sons *The Godfather Returns* Mark Winegardner, 2005-08-30 THE MISSING YEARS FROM THE GREATEST CRIME SAGA OF ALL TIME Thirty five years ago Mario Puzo's great American tale *The Godfather* was published and popular culture was indelibly changed Now in *The Godfather Returns* acclaimed novelist Mark Winegardner continues the story the years not covered in Puzo's bestselling book or in Francis Ford Coppola's classic films It is 1955 Michael Corleone has won a bloody victory in the war among New York's crime families Now he wants to consolidate his power save his marriage and take his family into legitimate businesses To do so he must confront his most dangerous adversary yet Nick Geraci a former boxer who worked his way through law school as a Corleone street enforcer and who is every bit as deadly and cunning as Michael Their personal cold war will run from 1955 to 1962 exerting immense influence on the lives of America's most powerful criminals and their loved ones including Tom Hagen the Corleone Family's lawyer and consigliere who embarks on a political career in Nevada while trying to protect his brother Francesca Corleone daughter of Michael's late brother Sonny who is suddenly learning her family's true history and faces a difficult choice Don Louie Russo head of the Chicago mob who plays dumb but has wily ambitions for muscling in on the Corleones territory Peter Clemenza the stalwart Corleone underboss who knows more Family secrets than almost anyone Ambassador M Corbett Shea a former Prohibition era bootlegger and business ally of the Corleones who wants to get his son elected to the presidency and needs some help from his old friends Johnny Fontane the world's greatest saloon singer who ascends to new heights as a recording artist cozying up to Washington's power elite and maintaining a precarious relationship with notorious underworld figures Kay Adams Corleone who finally discovers the truth about her husband Michael and must decide what it means for their marriage and their children and Fredo Corleone whose death has never been fully explained until now and whose betrayal of the Family was part of a larger and more sinister chain of events Sweeping from New York and Washington to Las Vegas and Cuba *The Godfather Returns* is the spellbinding story of America's criminal underworld at mid century and its intersection with the political legal and entertainment empires Mark Winegardner brings an original voice and vision to Mario Puzo's mythic characters while creating several equally unforgettable characters of his own *The Godfather Returns* stands on its own as a triumph in a tale about what we love yearn for and sometimes have reason to fear family **The Godfather** Mario Puzo, 2005-10-04 50th ANNIVERSARY EDITION WITH A NEW INTRODUCTION BY FRANCIS FORD COPPOLA Mario Puzo's classic saga of an American crime family that became a global phenomenon nominated as one of America's best loved novels by PBS's *The Great American Read* With its brilliant and brutal portrayal of the Corleone family *The Godfather* burned its way into our national consciousness This unforgettable saga of crime and corruption passion and loyalty continues to stand the test of time as the definitive novel of the Mafia underworld A 1 New York Times bestseller in

1969 Mario Puzo's epic was turned into the incomparable film of the same name directed by Francis Ford Coppola which won the Academy Award for Best Picture. It is the original classic that has been often imitated but never matched. A tale of family and society, law and order, obedience and rebellion, it reveals the dark passions of human nature played out against a backdrop of the American dream. With a Note from Anthony Puzo and an Afterword by Robert J. Thompson. *The Godfather Legacy* Harlan Lebo, 2005-10-25. Here is the official companion to Francis Ford Coppola's masterful trilogy, revised and updated and packed with more than 100 photographs. The director was a renegade filmmaker who'd never made a profitable picture. The producer was hired because he could stay below budget. The star had a reputation for being difficult. A formula for disaster. No, the makings of one of the greatest films of all time. *The Godfather Legacy* explores the fascinating behind-the-scenes intrigue and uproar during the making of all three films. The clashes between Coppola and the studio chiefs during the filming of *The Godfather*, the pressurized production schedule and the project's near cancellation. The real story behind the cooperation of the Mafia in the creation of *The Godfather*. The worldwide acclaim and stunning financial success following the release of *The Godfather*, a triumph that set the stage for the film industry's renaissance. The production of *The Godfather Part II* and the rise of Coppola, Al Pacino and others to the loftiest heights of power in Hollywood. The creation of *The Godfather Part III*, two decades after the original film and the completion of video projects that unified the three films for the first time. Featuring production records, credits, reviews and interviews with many of the principals involved. *The Godfather Legacy* is a rare and vivid peek into the making of three of the most compelling films in Hollywood history. *The Godfather, Part II* Jon Lewis, 2022-10-06. Francis Ford Coppola's *The Godfather Part II* 1974 is a magisterial cinematic work, a gorgeous stylized auteur epic and one of the few sequels judged by many to be greater than its predecessor. This despite the fact that it consists largely of meetings between aspiring Godfather Michael Corleone and fellow gangsters, politicians and family members. The meetings remind us that the modern gangster's success is built upon inside information and on strategic planning. Michael and his father Vito's days resemble those of the legitimate businessmen they aspire or pretend to be. Jon Lewis's study of Coppola's masterpiece provides a close analysis of the film and a discussion of its cinematic and political contexts. It is structured in three sections: *The Sequel*, *The Dissolve* and *The Sicilian Thing*, accommodating three avenues of inquiry respectively: the film's importance in and to Hollywood history, its unique auteur style and form, and its cultural significance. Of interest then is New Hollywood history, *mise en scene* and a view of the Corleone saga as a cautionary capitalist parable, as a metaphor of the corruption of American power post Vietnam, post Watergate. **The Godfather Book** Peter Cowie, 1997. In the more than twenty-five years since *The Godfather* was released, this monumental Paramount film has grown in stature to such a degree that in several public Centenary of the Cinema polls in 1995 it rated anywhere from 1 to 5 in the Best Film category. Francis Ford Coppola's *Godfather* trilogy redefined the gangster movie, transcending the genre to become a complex study of power, violence and ethnic solidarity. Few film books have delved so deep into the turmoil, both artistic and

corporate that make up modern Hollywood Peter Cowie has had access to Francis Ford Coppola's archives for this book He has interviewed Coppola himself novelist Mario Puzo Paramount production chief Robert Evans and scores of other key personalities and technicians who worked on the films Cowie also offers a masterful analysis of the themes and the historical inspiration that underpin the trilogy **Leave the Gun, Take the Cannoli** Mark Seal, 2021-10-19 NATIONAL BESTSELLER This wickedly pacey page turner Total Film unfurls the behind the scenes story of the making of The Godfather fifty years after the classic film's original release The story of how The Godfather was made is as dramatic operatic and entertaining as the film itself Over the years many versions of various aspects of the movie's fiery creation have been told sometimes conflicting but always compelling Mark Seal sifts through the evidence has extensive new conversations with director Francis Ford Coppola and several heretofore silent sources and complements them with colorful interviews with key players including actors Al Pacino James Caan Talia Shire and others to write the definitive look at the making of an American classic Library Journal starred review On top of the usual complications of filmmaking the creators of The Godfather had to contend with the real life members of its subject matter the Mob During production of the movie location permits were inexplicably revoked author Mario Puzo got into a public brawl with an irate Frank Sinatra producer Al Ruddy's car was found riddled with bullets men with connections vied to be in the cast and some were given film roles As Seal notes this is the tale of a movie that revolutionized filmmaking saved Paramount Pictures minted a new generation of movie stars made its struggling author Mario Puzo rich and famous and sparked a war between two of the mightiest powers in America the sharks of Hollywood and the highest echelons of the Mob For fans of books about moviemaking this is a definite must read Booklist

*The Godfather Returns* Mark Winegardner, Mario Puzo, 2004 Beginning in 1955 when Puzo's novel ends Mark Winegardner fills the gaps in the saga of the Corleone family Francis Ford Coppola's The Godfather Trilogy Nick Browne, 1999-11-13 The Godfather trilogy is among the most significant works of Hollywood cinema of the last quarter century They provide a richly complex look at a whole segment of American life and culture spanning almost the whole century In six essays written especially for this volume The Godfather trilogy is re-examined from a variety of perspectives Providing analyses on the form and significance of Coppola's achievement they demonstrate how the filmmaker revised the conventions of the American crime film in the Viet Nam era his treatment of the capitalism of the criminal underworld and its inherent violence the power struggles within Hollywood over the film and the contribution of opera to the epic force and cinematic style of Coppola's vision of an American criminal dynasty The Godfather articulates the themes styles mythologies performances and underlying cultural values that have made the film a modern classic **The Godfather** Mario Puzo, 2022-10-11 A special deluxe hardcover edition of The Godfather the unforgettable saga of an American crime family that became a 1 bestseller and global phenomenon This deluxe edition of The Godfather includes A jacket featuring a new take on the iconic original cover Printed cover boards with art that will titillate hardcore fans Stained edges Beautifully
