The News Shapers Lawrence C. Soley, 1992-04-20 Analysts, political scientists, scholars, and consultants. *The News Shapers* describes the elite club of individuals that the media approach for inside information, background, or predictions concerning the outcome of still unfolding stories. Although they are presented as detached experts, Lawrence C. Soley uncovers their long histories of partisanship as former government officials or politicians and charges that most of the shapers have no better credentials than the millions of people to whom the news media never turn. Soley's findings, based on a University of Minnesota study which examined three major networks' evening newscasts during 1987-1988, reveal that a small number of white, politically conservative men associated with Washington-based think tanks, former Republican administrations, and private East Coast universities virtually monopolize political discourse in the mass media. Dispelling the myth of the media's liberal bias, Soley discusses the shortcomings of both print and broadcast journalism which lead to selection of partisan news analysts and the effects of their commentaries on foreign and domestic affairs. Special attention is given to Henry Kissinger, Washington Think Tanks, and the media's handling of the conflict with Iraq. *The News Shapers* identifies the experts, their past political affiliations, and their often thin academic credentials. It is highly recommended for scholars in communications, journalism, and political science, as well as for newspaper readers and television news viewers.

The Theory of Livevolution Robert Roselli, 2008-11 There is a drive for a New World Order afoot and it's not an accident. The modern-day descendants of the Moneychangers and allied fake religious leaders or Pharisees of Jesus' day are tying up some loose ends. 2008 The introduction lays the groundwork for the rest of the book. Section 1, posted on my website THEorYofLIVEvolution.com for length purposes, establishes the unique reality of Biblical Christianity. This is very important since a firm belief in a benevolent Creator is the only thing that stands between us and Them at this point. Section 2 points out the world is about to be plunged into a New World Order of Biblical proportions. If you think this scenario is outlandish,

the free U S non coincidentally meets every one of the criteria for atheistic Communism listed in Marx s Communist Manifesto As Section 3 discusses what They have planned for you on Mother Earth if you re worthy of evolution at least is the Nazis on steroids My name is Robert Roselli and I am a licensed professional engineer in three states and hold an MS degree in civil engineering I say this only to establish myself as a logically and scientifically grounded thinker I desire no fame or profit for this endeavor Any monies collected from this book beyond personal expenses will be donated equitably to links that appear at the end of my website site Let this book be the introduction into the way the world really works and de tox much of the Orwellian re education we ve all been fed by the establishment owned education system and mainstream snews After you re done reading this introduction to the way the world really works please spend some time on my website and related links to keep abreast of our steadily unraveling descent Into the Mouth of Madness *Federal Communications Commission Reports* United States.
