

A wide-angle photograph of ancient stone ruins, possibly a city, under a bright, low sun. The sun is a large, glowing orb in the upper center, casting a warm, orange glow over the entire scene. The ruins consist of various stone walls, towers, and structures, some of which are partially collapsed. The foreground is dominated by large, dark, jagged rocks. The sky is a mix of orange and yellow, with some darker clouds visible. The overall mood is one of mystery and historical significance.
