The Golden Gates Of Heaven:

The Golden Gates of Heaven Be'be Byrne, 2003-11-01 **The golden gate** Sabine Baring-Gould, 1896 *The Golden Gate of Prayer* James Russell Miller, 1900 Troubled by Faith Owen Davies, 2023

The early nineteenth century witnessed the birth of psychiatry a new medical science that fundamentally changed how mental illness was labelled and understood

Troubled by Faith explores how psychiatrists not only thought they were agents of modernity but that they could also explain the occult mysteries of the past They bristled with confidence that in an era of unprecedented change unlocking the secrets of the mind was essential to an ordered and progressive society And a progressive society was one that did not believe in witches ghosts and fairies and did not exhibit excited religious emotions and divine communications Through examining the extensive psychiatric literature from Europe and America *Troubled by Faith* charts how once widely held popular beliefs were pathologized and how this fundamentally impacted on the notion of criminal and legal responsibility In the second half of the book we listen to the voices of asylum patients as recorded in case books The asylum was an extraordinary cultural space where under one roof prophets messiahs the bewitched and the haunted mixed and people wrestled with angels devils imps and witches It was a place filled with talk of infernal machines and sinister electrical forces Whether seriously ill and deluded or sane and lucid in their beliefs and imaginings patients experiences were nevertheless reflective of a society being transformed by technology and yet still rooted in the supernatural

Behind the Golden Gate Ann Whelan Devaux, 2018-07-16 Irish artist Richal Ryan travels to the tropical island of San Sebastian in the West Indies to meet her pen pal Daniel San Laurant She thinks she has finally found the man of her dreams and sparks indeed fly as soon as they meet face to face The two hit it off after only a brief holiday in the sun Daniel asks her to return to him and love struck Richal is happy to oblige She gives up her job in Dublin and begins a new life with the handsome Daniel Together they live in a magnificent oceanfront home travel the world and lead a charmed life many would envy They eventually start a family but soon after the cracks in their whirlwind marriage begin to show Richal realizes too late that she has lost her identity and independence by mistaking Daniels extreme control over her for love Their relationship becomes so estranged that they are now total strangers with four young children As Daniel battles to keep his fortune he uses the kids as pawns to ensure his wealth From this point on Richals nightmare battle is only beginning as she struggles to hold on to her beloved children and leave her abusive marriage behind
