the turn of the century a young man named Frank Weston Sandford proclaiming himself the fulfillment of certain Biblical
prophecies founded a movement called Shiloh its central location on a hill in the town of Durham Maine The movement's
purpose was sweeping and ultimate to prepare the world for the Second Coming of Christ and the cataclysmic events which
would usher it in The enactment of this mission spanned twenty five years involving many hundreds of people Sandford an
appealing and volatile leader erected a complex of buildings in Durham opened stations in major American cities then set sail
on the high seas in a racing schooner with a select group of followers Their intention was to circle the globe for Christ
Instead they headed for doom As the movement expanded so did its dangers In the court trials that structure the story
Sandford was finally convicted of manslaughter and sentenced to prison Shirley Nelson whose parents grew up in this
unusual society tells Shiloh's powerful story with understanding and grace She captures the inner dimensions of an intense
