Economic Science**

The Iran Iraq War And Western Security 1984 87 Strategic Implications and Policy Options:

The Iran-Iraq War Rob Johnson, 2010-11-24 The Iran Iraq War was personified by the determination and ambition of the key leaders Saddam Hussein and Ayatollah Khomeini and characterised by mass casualties the repression of the civilian populations and chemical warfare Fought with lucrative oil money it left the belligerents with crippling debts In this important reappraisal Rob Johnson explores the major issues surrounding the war offers a fresh analysis of the military aspects and assesses the far reaching consequences for the wider world It is essential reading for anyone who wishes to understand the ensuing conflicts in the region including the invasion of Iraq in 2003

The United Nations, Iran, and Iraq Cameron R. Hume, 1994-05-22 In 1985 faced with conflicts involving Iran and Iraq the United Nations Security Council's permanent members joined forces for the first time to mobilize the U N against threats to international peace and security Cameron R Hume's authoritative account follows the transformation of the Security Council from a stage for acrimonious public diplomacy into a forum where governments collaborate to settle regional disputes Hume underscores three interconnected themes changes in Security Council diplomacy during forty five years of successive conflicts involving Iran and Iraq including Iraq's 1990 invasion of Kuwait the Council's progression from invoking gentler means within its authority under the U N Charter to a more muscular assertion of its will and the growing congruence between diplomacy as practiced in the Security Council and the bilateral policies of the major powers Based on U N documents and the author's firsthand experience The United Nations Iran and Iraq is important for students and practitioners in international organizations multilateral diplomacy and conflict resolution

Ibss: Political Science: 1987 British Library of Political and Economic Science, 1991 IBSS is the essential tool for librarians university departments research institutions and any public or private institutions whose work requires access to up to date and comprehensive knowledge of the social sciences

Explaining and Influencing Chinese Arms Transfers Karl W. Eikenberry, 1995

Nomads in Postrevolutionary Iran Lois Beck, 2014-09-19 Examining the rapid transition in Iran from a modernizing westernizing secularizing monarchy 1941 79 to a hard line conservative clergy run Islamic republic 1979 this book focuses on the ways this process has impacted the Qashqa i a rural nomadic tribally organized Turkish speaking ethnic minority of a million and a half people who are dispersed across the southern Zagros Mountains Analysing the relationship between the tribal polity and each of the two regimes the book goes on to explain the resilience of the people's tribal organizations kinship networks and politicized ethnolinguistic identities to demonstrate how these structures and ideologies offered the Qashqa i a way to confront the pressures emanating from the two central governments Existing scholarly works on politics in Iran rarely consider Iranian society outside the capital of Tehran and beyond the reach of the details of national politics Local level studies on Iran accounts of the ways people actually lived are

now rare especially after the revolution Based on long term anthropological research Nomads in Postrevolutionary Iran provides a unique insight into how national level issues relate to the local level and will be of interest to scholars and researchers in Anthropology Iranian Studies and Middle Eastern Studies

Exercising Control of the Sea Milan Vego, 2020-10-14 This book explains both the strategic and the operational aspects of exercising control of the sea The struggle for sea control consists of three mutually related and overlapping phases obtaining maintaining and exercising sea control It is in the phase of exercising sea control when one's strategic or operational success is exploited otherwise the fruits of victories achieved would be wasted This work describes the strategy of a stronger side in wartime after a desired degree of control has been obtained which is followed by a discussion on the objectives and main methods used in exercising sea control The remaining chapters explain and analyze in some detail each of the main methods of exercising sea control defence and protection of one's own and destruction neutralization of the enemy's military economic potential at sea capturing the enemy's operationally important positions ashore destroying weakening the enemy's military economic potential ashore and supporting one's ground forces in their offensive and defensive operations on the coast This book will be of much interest to students of strategic studies sea power and naval history

Foreign Powers and Intervention in Armed Conflicts Aysegul Aydin, 2012-07-11 Intervention in armed conflicts is full of riddles that await attention from scholars and policymakers This book argues that rethinking intervention redefining what it is and why foreign powers take an interest in others conflicts is of critical importance to understanding how conflicts evolve over time with the entry and exit of external actors It does this by building a new model of intervention that crosses the traditional boundaries between economics international relations theory and security studies and places the economic interests and domestic political institutions of external states at the center of intervention decisions Combining quantitative and qualitative evidence from both historical and contemporary conflicts including interventions in both interstate conflicts and civil wars it presents an in depth discussion of a range of interventions diplomatic economic and military in a variety of international contexts creating a comprehensive model for future research on the topic

Contributions to Naval History , 1988
