The Mystery of Contemporary Iran Mahnaz Shirali, 2017-07-28 The mystery of how an Islamic dictatorship came to power remains more than thirty years after the Islamic Republic s inception in Iran The precise nature of a regime that calls itself both a republic and Islamic but is neither is little understood The ayatollahs unpopularity may have reached unprecedented heights but their power seems more secure Such paradoxes weigh heavily and judgments diverge While public opinion wonders how an archaic theocratic regime could survive so long some explain it in terms of Iran s continued modernization and the clergy s ability to reconcile itself with politics Understanding the modernization process propelled by the Constitutional Revolution is difficult and raises questions How and why could ideological Islam continue to dominate Iranian society since the late 1970s How did it gain power and influence and overcome the reforms molded by the Constitutional Revolution Mahnaz Shirali analyzes twentieth century Iranian history to understand the Shiite clergy s role in a modernized country s social and political organization She explains what enabled the clergy to take over prevailing political forces and gain control of the state Studying Iran s history for the past one hundred years reveals the force of a religious conservatism opposing political modernity repelling any attempt at democracy by Iranians thanks to its constant metamorphoses Shirali studies the curse of the Shiite clergy on political modernity It is a convincing in depth criticism of the ideological Islam imposed on Iran

Radical Islam Ervand Abrahamian, 1989 Studie over de rol van de islamitisch marxistische groepering in de Iraanse revolutie

Iranian Intellectuals and the West Mehrzad Boroujerdi, 1996-11-01 Mehrzad Boroujerdi challenges the way many Americans perceive present day Iran as well as how Iranians view the West He examines the works of thinkers seminal in defining modern Iran virtually unknown in the U S and concludes that Islam was not the primary source of their inspiration Their efforts forge an authentic national identity lay at the heart of Iranian thought These intellectuals both religious and secular appropriated Islam as the vehicle through which they could most effectively challenge or accommodate modernity and Westernization Through such a fitting appropriation Boroujerdi asserts could modern Iranian thinkers lay the foundation for a nativist vision of an unsullied culture seemingly free of Western influence Drawing on the works of Michel Foucault and Edward Said this book explore how Iranians use their own misunderstandings about the West to form their own identity and in return how Westerners describe Iran in negative terms to help them reaffirm the superiority of their own culture Boroujerdi also argues that Iranian intellectuals have been

deeply indebted to Western thought which has served as the cultural reference through which they continue to struggle with issues of identity and selfhood

Class, Politics, and Ideology in the Iranian Revolution Mansoor Moaddel, 1993 Thirteen years after the Shah of Iran was swept away in a tide of revolutionary fervor the cruelty and brutality of the new regime remains shocking In Class Politics and Ideology in the Iranian Revolution Mansoor Moaddel provides the theoretical underpinnings for a richer and clearer understanding of Iran's tumultuous recent history Analyzing the causes and processes of the revolution through the prisms of class politics and ideology Moaddel argues that the currently dominant theories of revolution insufficiently address the requisite question of ideology Ideology is not simply another factor that adds an increment to the causes of revolution Ideology is the constitutive feature of revolution Moaddel explains how revolutionary conditions in Iran were created by a combination of state economic policies favoring international capital which enraged segments of the powerful bourgeoisie and fluctuations in the world economy that financially weakened Iran But the central element of the revolutionary crisis of the late 1970s was the development of Shi'i revolutionary discourse as the dominant ideology As liberalism and communism declined the potent discourse of revolutionary Islam with its martyrdom its religious rituals its symbolic structures formed a powerful conduit for popular mobilization Karl Marx likened the French Revolution to a gigantic broom which swept away all the medieval rubbish Drawing from his abundant theoretical historical and sociological knowledge Moaddel illuminates the process by which the gigantic broom of the Iranian Revolution swept all the medieval rubbish back in

The Left in Contemporary Iran (RLE Iran D) Sepehr Zabir, 2012-04-27 This book examines the structure and ideology of all the main leftist groups in Iran It considers their role in the Revolution and analyses their relations with Khomeini and his colleagues It also explains why the majority of the leftist organisations had defected from the Islamic regime by the summer of 1981 A second important theme of the book is the way in which the Soviet Union responded to the treatment of the Left by the Islamic government Based on extensive analysis of original source material in Farsi and other languages and numerous interviews with leftist leaders and participants the book provides a detailed portrait of the Left in contemporary Iran
