The Iron Triangle The Screenplay:

The Iron Triangle Mike Baron, 2004-08-01 A grifter film noir The Iron Triangle refers not only to the relationship between its three protagonists but also to the technique policemen use to subdue suspects and sometimes kill them The Iron Triangle Dan Briody, 2011-01-06 A penetrating look at the company at the nexus of big business government and defense The Carlyle Group is one of the largest private equity firms in the world with over 13 billion in funds Carlyle's investments include everything from defense contractors to telecommunications and aerospace companies But there is more to this company than meets the eye Carlyle's executives include heavyweights from the worlds of business and politics such as former secretary of defense and CIA deputy director Frank Carlucci former secretary of state James Baker III former President George Bush former UK Prime Minister John Major and former chairman of the SEC Arthur Levitt Osama Bin Laden's estranged family was personally invested in the group until recently In The Iron Triangle journalist Dan Briody examines a company at the nexus of big business government and defense that according to some sources epitomizes corporate cronyism conflicts of interest and war profiteering This fascinating examination leads readers into a world that few can imagine full of clandestine meetings quid pro quo deals bitter ironies and petty jealousies And the cast of characters includes some of the most powerful men in the world Strap in because this ride could get a little bumpy Dan Briody New York NY is an award winning business journalist whose Red Herring article Carlyle's Way broke the story on the inner workings of the Carlyle Group Briody has appeared on numerous radio and television programs covering the Carlyle Group and has become a primary source for other journalists covering this story Briody's articles have appeared in Forbes Red Herring and the Industry Standard

The Great Movies III Roger Ebert, 2004-05-31 Roger Ebert has been writing film reviews for the Chicago Sun Times for over four decades now and his biweekly essays on great movies have been appearing there since 1996 As Ebert noted in the introduction to the first collection of those pieces They are not the greatest films of all time because all lists of great movies are a foolish attempt to codify works which must stand alone But it's fair to say If you want to take a tour of the landmarks of the first century of cinema start here Enter The Great Movies III Ebert's third collection of essays on the cr me de la cr me of the silver screen each one a model of critical appreciation and a blend of love and analysis that will send readers back to the films with a fresh set of eyes and renewed enthusiasm or maybe even lead to a first time viewing From The Godfather Part II to Groundhog Day from The Last Picture Show to Last Tango in Paris the hundred pieces gathered here display a welcome balance between the familiar and the esoteric spanning Hollywood blockbusters and hidden gems independent works and foreign language films alike Each essay draws on Ebert's vast knowledge of the cinema its fascinating history and its breadth of techniques introducing newcomers to some of the most exceptional movies ever made while revealing new insights to connoisseurs as well Named the most powerful pundit in America by Forbes magazine and a winner of the Pulitzer Prize Roger Ebert is inarguably the most prominent and influential authority on the cinema today The

Great Movies III is sure to please his many fans and further enhance his reputation as America's most respected and trusted film critic

A Century in Uniform Stacy Fowler, Deborah A. Deacon, 2020-01-17 From silents of the early American motion picture era through 21st century films this book offers a decade by decade examination of portrayals of women in the military The full range of genres is explored along with films created by today's military women about their experiences Laws regarding women in the service are analyzed along with discussion of the challenges they have faced in the push for full participation and of the changing societal attitudes through the years

Women in War Films Ralph Donald, Karen MacDonald, 2014-04-04 War has been depicted in cinema for more than a century from early silent films to more recent blockbusters such as *Saving Private Ryan* and *Lone Survivor* Most war films especially combat films are about men engaged in battle But while Hollywood has reinforced the cultural stereotype of war as a man's job women have not been completely invisible in many of these films whether waiting for their men to return home or standing shoulder to shoulder with their male counterparts on the battlefield In *Women in War Films* From Helpless Heroine to G I Jane Ralph Donald and Karen MacDonald examine the representations of females in war throughout the history of film They identify various types of women portrayed in these films from home front wives and daughters supporting their loved ones from afar to nurses and doctors stationed near the front lines of combat The authors also look at depictions of foreign females who comfort homesick soldiers ordinary women who unexpectedly encounter the enemy female spies and modern enlistees taking on roles traditionally reserved for men Through these representations the authors explore what war films say about the culture that created them and the social construction of reality that these films assert The book covers an array of war films distributed in the United States including *Hearts of the World* *Wings* *Mata Hari* *Mrs Miniver* *Casablanca* *Cry Havoc* *Since You Went Away* *The Best Years of Our Lives* *From Here to Eternity* *The Americanization of Emily* *M A S H* *Coming Home* *Courage under Fire* *G I Jane* and *Zero Dark Thirty* Featuring an extensive filmography *Women in War Films* will appeal to scholars of gender studies history and film as well as to readers interested in the evolving portrayals of females in military related cinema

What debut film from the director of The Dark Knight creates palpable chills despite a shoestring budget and a no name cast page 79 What John Wayne movie was out of circulation for thirty years and still qualifies as a sleeper page 121 What terrific Heath Ledger movie was released the same month as Brokeback Mountain and flopped page 26 What clever modern day film noir was made for just half a million dollars page 18 What captivating film stars one of the seminal artists of the twentieth century page 203

Legendary Film Feuds Ethan Parker, AI, 2025-03-29 *Legendary Film Feuds* explores the intense conflicts that have shaped Hollywood revealing the volatile relationships behind beloved films From clashes over creative control to director actor clashes the book examines how artistic differences power dynamics and personal ambitions fuel rivalries sometimes resulting in career altering consequences The book argues that these very disputes while destructive have also inadvertently driven innovation within the movie industry The book delves into specific legendary feuds analyzing events fallout and long term consequences It highlights that even the most glamorous film productions often rest on a foundation of intense pressure and competing interests By examining disputes such as those between directors and studio executives over final cuts the book provides insights into the creative processes and business realities of filmmaking Unfolding in three parts the book first introduces key players and recurring themes It then presents detailed accounts of specific feuds drawing from biographies legal documents and film history archives to provide an authentic portrayal of events Finally it examines the broader implications of these conflicts discussing their impact on industry practices and the careers involved offering readers a deeper understanding of the drama behind the scenes

Reading and Writing for Civic Literacy Donald Lazere, 2017-07-05 Lazere's book is heaven sent and will provide a crucial link in the chain of understanding how conflicts are structured and most importantly how they can be rationally addressed a healthy antidote to the scepticism that has become so pervasive in academic life Alan Hausman Hunter College This innovative book addresses the need for college students to develop critical reading writing and thinking skills for self defence in the contentious arena of American civic rhetoric In a groundbreaking reconception of composition theory it presents a comprehensive critical perspective on American public discourse and practical methods for its analysis Exercises following the text sections and readings help students understand the ideological positions and rhetorical patterns that underlie opposing viewpoints in current controversies such as the growing inequality of wealth in America and its impact on the finances of college students as expressed in paired sets of readings from the political left and right Widely debated issues of whether objectivity is possible and whether there is a liberal or conservative bias in news and entertainment media as well as in education itself are foregrounded as topics for rhetorical analysis
