The Island And Other Stories:

The Island and Other Stories Jean Ayer, 2018-03-15 **The Island and Other Stories** Robert Warner, 2002-06 **The Island of the Women and Other Stories** George Mackay Brown, G Mackay Brown, 2014-03-27 In these six stories George Mackay Brown leads us back along the sweep of Orkney's past and beyond even that to the remoteness of fable. He reveals the timelessness of the lived moment and the constants of island life in the harvest of sea and land and the compulsions of voyage and homecoming.

The Island and Other Stories Sara Condrey, 2018-03-11 This collection of short stories will be sure to entertain all horror lovers. Surprising and thrilling with some supernatural elements, each story is uniquely gripping. From deadly hurricanes to gifts gone wrong, readers will be put on edge time and again and then left to question all they know to be real and true.

Island Ablaze and Other Stories Ruth Barraclough, Jae-Yong Kim, Jin-kyung Lee, Sang-Kyung Lee, 2025-10-15 *Island Ablaze and Other Stories* is an anthology of thirteen stories: eleven from South Korea and two from North Korea about these countries' complicated relationships with their most important ally and enemy, the United States. Set in times ranging from colonial Korea to the new millennium, these stories offer a look into the many ways that the US empire shapes the lives of Koreans. In Dawn, schoolgirl sweethearts living under Japanese colonial rule reconnect as young mothers amid celebrations of the attack on Pearl Harbor. Till We Meet Again addresses the adoption industry and America's treatment of Korean children following the Korean War. In the title story, a North Korean radio operator must choose between abandoning the soldier she loves or dying with him at the famous Battle of Incheon that turned the tide of the Korean War. From camp towns to sugarcane fields, missionary schools to international flights, *Island Ablaze and Other Stories* shows everyday Korean life in the shadow of the American empire.

The Island and Other Stories Robert James Warner, 2002-08 Philosophical poetry is probably the simplest description that can be attached to this book. It contains an image of what the author considers the attributes of humankind. Segments of the image which consist of the Intellect, the Soul, the Physical, the Emotions, the Conscious, and the Body have associative poetry as if each segment is speaking. Many of the poems are thought-provoking and to assist in the thinking process, there is photography that relates to the poetry as well as a section after each poem for personal comments or notes. The final section is written in prose to give emphasis to the steps to balance and becoming one of the mighty.

The Island and Other Stories Robert Klein Engler, 1993 *Roman the Boatsteerer and Other Stories* Louis Becke, 2020-07-30 Reproduction of the original *Roman the Boatsteerer and Other Stories* by Louis Becke.

The Woman Who Rode Away and Other Stories D. H. Lawrence, 2002-08-08 These thirteen short stories were written between 1924 and 1928. Eleven were collected in *The Woman Who Rode Away* 1928, though *The Man Who Loved Islands* appeared in the American edition only and the other two in *The Lovely Lady* 1933. An unpublished fragment *A Pure Witch* is also included.

"The Sting of Death" and Other Stories Toshio Shimao, 2020-06-01 Until a recent boom, Shimao Toshio, writer of short fiction, critic, and essayist, was not widely known even in Japan. He has never won the Akutagawa or the Naoki

Prize and none of his works had previously appeared in English translation. He is less well known than other writers Yasuoka Shotaro Kojima Nobuo and Shono Junzo with whom he has associated and whose works have been liberally translated into English. Yet there are those who consider him to be one of the best contemporary writers in Japan. This volume by no means exhausts the scope of Shimao's fiction. There are no stories here for instance about childhood or student life and none of his many travel stories. Some of his most famous stories *When we Never Left Port* for example have not been included. But the stories presented here do offer a considerable variety of style from the pristine storybook language of *The Farthest Edge of the Islands* to the young intellectual's jargon of *Everyday Life in a Dream* to the visionary hysterical occasionally ritualistic prose of the sick wife stories to the sober difficult almost ponderous narration of *This Time That Summer*. Shimao's approach to his material varies as well. *Everyday Life in a Dream* is the only representative here of a large number of stories usually called surrealistic by the critics stories whose plots progress by the logic of dreams. The individual experience of real life are lived through a combination of conscious and unconscious perception. These stories are the least approachable and the least charming to the casual reader but they serve among other things to highlight patterns in the more realistic fiction. *The Farthest Edge of the Islands* is a symbolic heightening of reality in another way a romantic fairy tale beginning at the extremity of experience at the farthest edge of the world. The other stories are presented as precise close chronicles of reality by a participant in that reality whose attention never waivers and who never allows himself to avert his eyes from a world that he sees as his responsibility and in a sense his fault. All but the first story *The Farthest Edge of the Islands* which is in third person narration are told in the first person by the character who plays Shimao's role in the life that inspired the fiction.
