The Jesus Thief:

The Jesus Thief J. R. Lankford, 2003 In her national debut Lankford bypasses apocalyptic themes for mainstream storytelling of an attempt to clone Jesus using DNA stolen from the Shroud of Turin *The Covert Messiah (the Jesus Thief Series, Book 4)* J. R. Lankford, 2013-09 Book 4 in The Jesus Thief thriller series Sitting in meditation J R Lankford globe trotting electrical engineer turned novelist admitted by MENSA and TOPS entered an altered state of consciousness and experienced the seemingly impossible Those moments became the principal inspiration for *The Covert Messiah* in which the cloned Jesus of her series returns to earth His mission To help humanity transition to a higher level of existence based on truths in the Bible and in all religions that have been ignored To help us rediscover a secret we left behind in Tanzania 60 000 years ago In the novels of her internationally acclaimed thriller series J R Lankford has turned an exciting cloning plot into a complex and compelling study of cultures philosophies and religions Her cast of characters is both diverse and deeply human Jew Christian and Muslim believers and non believers sinners and saints They live and die daring and loving and hating from the penthouses of New York to Italy s northern lakes to Mexico s impoverished basureros and now to the African bush At one of Italy s typical Saturday markets Maggie Johnson faints when she sees her dead son now eighteen Could he have supernaturally returned to life If so what startling message has he come to deliver Does earth s survival really depend on Biblical passages echoed in all religions that no logical modern person can believe *What About the Thief?* Bishop James C. Bailey, Ph.D., 2008-05-16 Both Christians and non Christians alike are inundated with questions and uncertainties of water baptism Jesus spoke of water baptism as a Must Greek word dei it is was necessary Jesus said Verily Verily I say unto thee You must be born again Greek word anagennao pronounced an ag en nah o meaning to bear again or beget again Again is an adverb meaning at another time or on another occasion repeating what has happened or been done before Legitimate questions Is total immersion in water necessary What is the purpose of immersion water baptism Does formulation make a difference in baptism according to the Holy Scriptures Is baptism just a public confession of faith somewhat like coming out of the closet When do we get the blood washing for our sins Why do we need to use Jesus name in baptism The thief on the cross next to Jesus was never baptized How did he hang there in the presence of Jesus who made water baptism mandatory and make it into the paradise of God without it According to Jesus in St John chapter 3 Except a man be born of water and of the Spirit he cannot enter into the Kingdom of God Many deceived souls are seduced from the instructions of Christ exploited through lust of the flesh distracted through lust of the eyes tempted from humility through the pride of life and X ed from the book of witness and record by evil performances dictated by the wiles of the devil The thief on the cross next to Jesus was not born of water and the Holy Ghost was not yet given when he died according to scriptures What qualified him There are biblical accounts of people ending up in heaven or paradise as well as others ending up in hell So What About The Thief

Violence, Utopia and the Kingdom of God George Aichele, Tina Pippin, 2002-01-31 This controversial book explores

the presence of the fantastic in Biblical and related texts and the influence of Biblical traditions on contemporary fantasy writing cinema music and art The contributors apply a variety of critical concepts and methods from the field of fantasy studies including the theories of Tolkien Todorov Rosemary Jackson and Jack Zipes to Biblical texts and challenge theological suppositions regarding the texts which take refuge in science or historiography Violence Utopia and the Kingdom of God presents a provocative and arresting new analysis of Biblical texts which draws on the most recent critical approaches to provide a unique study of the Biblical narrative

Heaven, How I Got Here Colin S. Smith, 2015-01-20 Drawing on Bible passages about the events of the day of Jesus crucifixion including the thief's own words the author creates a narrative of the thief's last day on Earth told from the thief's point of view looking down from Heaven

At the Cross Rev. Dr. J. Bino Rajeshwar, 2018-12-17 These are sermons preached during the Lenten season They have been arranged in such a way that is very useful for meditation and soul upliftment They were preached when I was a priest in the Diocese of Amritsar Church of North India India

A Thief's Forgiveness Marolyn A. Derby; Irving Eugene Kin, 2008-03-13 A THIEF'S FORGIVENESS This is the story of a man who spent a good part of his life running from his erroneous perception of God which resulted in living nearly eleven years within the confinement of prisons one of which was the famous Leavenworth In this story you'll experience first hand what it's like to be in prison and solitary confinement to escape and be captured to have attack dogs hunt you down ready to sink their teeth into your flesh to be shot at and hide in the dark like a trapped animal while corrupt guards search for you This story will keep you on the edge of your seat You'll try to predict all the twists and turns it'll take but you'll be wrong That's because it's real life not make believe Just when you think this young man has wised up he does something else outlandish Though the road he chose was rough and perilous he finally found his salvation and freedom both spiritually and physically Don't be surprised if tears come to your eyes when you read about the phenomenal moving spiritual experience that literally saved his life but the story doesn't end there Even after he finds his salvation he makes unbelievable decisions that will shock you Some of them will make you want to shake him to his senses others will make you laugh and rejoice When you've finished reading this remarkable story there will be a chapter explaining further how to find happiness on earth and live the life God intended you to have It's a manual if you will on how to live successfully and joyously This is the manual everyone has always said we didn't come with when we were born The truth is we did come with it It's actually part of our innate programming However if it's not nurtured and cultivated while we're growing up we lose a great deal of it if not all by the time we've reached adulthood In order to relearn what God originally programmed in our spiritual hard drive we must change our erroneous perception and get rid of the insatiable controlling ego That can only be accomplished with the help of a Higher Spiritual Power which the book clearly guides you on Author Marolyn A Derby volunteered to write this true life story about Irving Eugene King in order to help him get his message out to others like himself To give the book more meaning and depth she chose to use her spiritual and counseling background to offer tools and positive solutions on nearly

every page These spiritual tools and solutions will assist all who read it to find the answers they need concerning life through the knowledge and understanding of The Universal God Laws that govern each of us as surely as the law of gravity What's more this book will help everyone to know and understand themselves and others as well as the teachings of Christ in a whole new way Once you've read A Thief's Forgiveness you will have a more positive outlook about life and know how to live it honorably What's more you will no longer wonder about who you are or why you're here you will know Marolyn A Derby is a trained spiritual councilor minister speaker and health practitioner of thirty six years who has dedicated her life to documenting and practicing the Universal God Laws and helping others to benefit by doing the same The tools in this book have been tried and proven over and over again to work They are precise easy to understand and simple to follow because they are already an innate part of you This book is for everyone who is tired of living in fear and uncertainty It will show you how to turn your life around for the better and teach you how to forgive and be forgiven to love and be loved It will even help you conquer mental and physical illness and give you inner peace You will learn through the examples given that when we misuse the Laws of the Universe they end up biting us where the sun don't

The Bible and the Future Anthony A. Hoekema, 1994 Anthony Hoekema brings to the study of biblical prophecy and eschatology a maturity that is rare among contemporary works on the subject Free of sensationalism he evinces a reverence for the Scriptures and a measured scholarship One of the best studies on eschatology available Christianity Today

The Biblical Basis for Purgatory John Salza, 2009-04 Jesus taught us about it and for centuries the Church has faithfully defined and defended it Protestants deny it even exists while many Catholics fundamentally misunderstand it It is Purgatory that place of purifying penance where souls saved by Christ are made perfect and acceptable to spend life eternal in heaven In The Biblical Basis For Purgatory author and apologist John Salza Why Catholics Cannot Be Masons offers the definitive scriptural explanation of this distinctively Catholic doctrine Building on the teachings of Christ and St Paul he shows how the existence of a place of temporal punishment after death is not only a logical extension of what we know about the reality of sin and God's justice but is also a supreme expression of God's love and mercy Although Purgatory is a place of mercy its pains are real and they are severe This book does more than defend and explain Purgatory it provides a solid plan drawn from the Church's perennial wisdom for conquering our sins by God's grace while still on earth

The Peep of Day Mrs. Favell Lee Mortimer, 2020-01-01 This little work aims to be the very least of all not in size but in the humility of its contents It aims at the superlative degree of littleness and in this point seeks to resemble the least watch ever made the least picture ever painted the tiniest flower that ever grew It desires to be among books as the humming bird among birds As soon as a child's mind is capable of receiving systematic instruction this humble work attempts to convey it Preface
