The Jew And The Universe:

The Jew and the Universe Solomon Goldman,1973 *The Jew and the Universe* Solomon Goldman,1930 **The Jew and His Home** Eliyahu Kitov,2004 A new edition revised and greatly expanded of Eliyahu Kitov's acclaimed and beloved classic on Jewish family life The vital wisdom and life giving strength of traditional Jewish teaching is reflected in the wealth of topics Jewish marriage harmony in the home the meaning of modesty raising children kashrus and much more Every Jewish home and family will be strengthened and inspired by this book The Jew and the universe Shelomoh Goldman,1973 **The Liberation of the Jew** Albert Memmi,2019-08-15 In this book written after *The Colonizer and the Colonized* and *Portrait of a Jew* Albert Memmi writes It is true that all oppression has a strong tendency to become a total oppression but it is a question of degree and nuance of generalities and accent The specific conditions of each oppression consists precisely of such degrees and particular intonations The Jew is not oppressed as a member of a class which distinguishes him from the proletariat for example Nor is he oppressed as a member of a biological group which distinguishes him from Negroes or women He is affected as a member of a total social cultural political and historical group In other words the Jew is oppressed as a member of a people a minor people a dispersed people a people always and everywhere in the minority which distinguished him from the colonized also oppressed as a people but a people in the majority The Jew must be liberated from oppression and Jewish culture must be liberated from religion This double liberation can be found in the same course of action the fight for the State of Israel *Portrait of a Jew* and *The Liberation of the Jew* form a whole the beginning and the outcome of a passionate quest The first offers a diagnosis the second a remedy Both are written with moving sincerity As a personal document Memmi's introspective study is valuable Thought provoking and disturbing in the best sense of the word it allows us to look into the tormented mind and soul of a distinguished Jewish writer who aspires to live honestly while belonging simultaneously to two worlds His doubts and affirmations carry the weight of testimony Elie Wiesel The New York Times *Portrait of a Jew* and *The Liberation of the Jew* are filled with a Jewish existentialism marked by quest for identity and self affirmation far more psychological and sociological than traditionally religious Richard Locke The New York Times *The Liberation of the Jew* is in large measure a personal record It is a moving record The poignancy of this unique work stems from its being a courageous self analysis by a highly sensitive artist Its confessional honesty is complete Louis Schwartzman Journal of Jewish Education **The Real Jew** Chaim Newman,1925

Futurizing the Jews Tsvi (Howard) Bisk,Moshe Dror,2003-11-30 Bisk and Dror assert that the 21st Century can be the Jewish Century that no other people is better prepared to face its challenges However to do so a stress on the Jewish Future must replace a preoccupation with the Jewish Past They offer a neo Zionist ideological analysis of modern Jewish life as an alternative to both classical Zionism and post Zionism They conceptualize a Jewish Grand Strategy by clearly defining and delineating between ideology policy grand strategy strategy and tactics with compelling proposals for what such a revised

Grand Strategy might entail They suggest a concept of reinvigorated Israel Diaspora relations based on this new Grand Strategy and the potential of the Information Technology Revolution They also offer a conception of Jewish spirituality that could be as appealing to secular as to religious Jews They reject the concept of a Nation that Dwells Alone Throughout the ages Jews have affected and been affected by the world more than any other People they assert They also reject the view that suffering is the dominant feature of Jewish history as this lachrymose perception cannot inspire needed Jewish ambitions in the young They stress the needs of the Jewish person and insist that there can be no real significance to the continued existence of the Jewish People unless the real life concrete needs of the individual are addressed As former Israeli Ambassador to the United Nations and former Cabinet Minister Gad Yaacobi asserts in his foreword The book is original iconoclastic and in some ways revolutionary it challenges inherited assumptions and calls for positive action I believe we have before us a book that must become a reference point for Jewish policy makers as quickly as possible *The Jews in the Greek Age* Elias Joseph Bickerman,1988 A history of the Jews in the Greek age charting issues of stability and change in Jewish society during a period that ranges from the conquest of Palestine by Alexander the Great in the fourth century until approximately 175 B C E and the revolt of the Maccabees The Jewish Encyclopedia ,1925 *The Jewish Encyclopedia* Isidore Singer,1901
