

The Jewish War

Flavius Josephus

The Jewish War:

The Wars of the Jews; Or, The History of the Destruction of Jerusalem Flavius Josephus, 2021-12-02 The Great Roman-Jewish War Flavius Josephus, 2012-07-20 An eyewitness account of the Jewish revolt against the Roman Empire from AD 66-70 provides an essential background for an understanding of the beginnings of both Christianity and modern Judaism

The Jewish War Josephus, 1981-09-17 Josephus' account of a war marked by treachery and atrocity is a superbly detailed and evocative record of the Jewish rebellion against Rome between AD 66 and 70. Originally a rebel leader, Josephus changed sides after he was captured to become a Rome-appointed negotiator and so was uniquely placed to observe these turbulent events from the siege of Jerusalem to the final heroic resistance and mass suicides at Masada. His account provides much of what we know about the history of the Jews under Roman rule with vivid portraits of such key figures as the Emperor Vespasian and Herod the Great. Often self-justifying and divided in its loyalties, *The Jewish War* nevertheless remains one of the most immediate accounts of war, its heroism and its horrors ever written.

The Wars of the Jews; Or, The History of the Destruction of Jerusalem Flavius Josephus, 2022-12-04 Reproduction of the original The Jewish War Flavius Josephus, Betty Radice, 1984-02-07

Josephus' account of a war marked by treachery and atrocity is a superbly detailed and evocative record of the Jewish rebellion against Rome between AD 66 and 70. Originally a rebel leader, Josephus changed sides after he was captured to become a Rome-appointed negotiator and so was uniquely placed to observe these turbulent events from the siege of Jerusalem to the final heroic resistance and mass suicides at Masada. His account provides much of what we know about the history of the Jews under Roman rule with vivid portraits of such key figures as the Emperor Vespasian and Herod the Great. Often self-justifying and divided in its loyalties, *The Jewish War* nevertheless remains one of the most immediate accounts of war, its heroism and its horrors ever written.

The Wars of the Jews Josephus, 2020-10-26 *The Wars of the Jews* is the only primary narrative account of one of the most important events in Jewish history: the revolts which led to the destruction of the Second Temple. As a witness to many of these events, Flavius Josephus is a fascinating and mysterious narrator. While it is never clear what is truth and what is manipulation, two millennia later Josephus remains our best and most entertaining source on these events.

Josephus's The Jewish War Martin Goodman, 2019-10-15 An essential introduction to Josephus's momentous war narrative, *The Jewish War* is Josephus's superbly evocative account of the Jewish revolt against Rome which was crushed in 70 CE with the siege of Jerusalem and the destruction of the Temple. Martin Goodman describes the life of this book from its composition in Greek for a Roman readership to the myriad ways it touched the lives of Jews and Christians over the span of two millennia. The scion of a priestly Jewish family, Josephus became a rebel general at the start of the war. Captured by the enemy general Vespasian, Josephus predicted correctly that Vespasian would be the future emperor of Rome and thus witnessed the final stages of the siege of Jerusalem from the safety of the Roman camp and wrote his history of these cataclysmic events from a comfortable exile in Rome. His history enjoyed enormous

popularity among Christians who saw it as a testimony to the world that gave rise to their faith and a record of the suffering of the Jews due to their rejection of Christ Jews were hardly aware of the book until the Renaissance In the nineteenth century Josephus's history became an important source for recovering Jewish history yet Jewish enthusiasm for his stories of heroism such as the doomed defense of Masada has been tempered by suspicion of a writer who betrayed his own people Goodman provides a concise biography of one of the greatest war narratives ever written explaining why Josephus's book continues to hold such fascination today The Wars Of The Jews Flavius Josephus,2025-05-22 The Wars of the Jews also known as Jewish Wars or The Jewish War is a comprehensive historical account by Flavius Josephus detailing the First Jewish Roman War 66-73 AD Written originally in Aramaic around 75 AD for his brethren in the Near East it was later translated into Greek presumably under Josephus's supervision The text provides a detailed narrative of the conflict between the Jews and the Roman Empire culminating in the destruction of Jerusalem and the Second Temple in 70 AD Josephus himself a participant in the war offers insights into the political and military strategies of both sides He explores the internal divisions within Jewish society the rise of various factions and the escalating tensions that led to open rebellion His work remains a crucial primary source for understanding this pivotal period in Jewish history and its lasting impact on Jewish identity and diaspora This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The War of the Jews** Flavius Josephus,2014-03-27 In The Wars of the Jews Flavius Josephus gives us valuable insight into the first Jewish Roman War and the rebellions that followed thereafter Josephus having been an agent for both sides of the conflict provides us with a perspective of this conflict that no one else could have Here is an important historical document *Josephus: The Jewish War* Flavius Josephus,1928
