The John F Kennedys:

John F. Kennedy Michael O'Brien, 2005-03-01 John F Kennedy creates an absorbing insightful and distinguished biography of one of America's most legendary Presidents While current fashion in Kennedy scholarship is to deride the man's achievements this book describes Kennedy's strengths explains his shortcomings and offers many new revelations There are many specialized books on Kennedy's career but no first class modern biography one that takes advantage of the huge volume of recent books and articles and new material released by the JFK library Ten years in the making this is a balanced and judicious profile that goes beyond the clash of interpretations and offers a fresh nuanced perspective JFK, the Presidency of John F. Kennedy Herbert S. Parmet, 1983 An objective account of the personalities and events and their effects on each other during John Kennedy's presidency *The John F. Kennedys* Mark Shaw, 1983 **Sounding the Trumpet** Richard J. Tofel, 2005-07-25 One leading contemporary observer called it the finest American political document in more than forty years Another said it was the best expression of the American spirit since Woodrow Wilson and perhaps since Emerson Approaching a half century after its delivery historians agree that there is at least one way in which John F Kennedy ranks with Jefferson Lincoln and Franklin Roosevelt in the quality of his inaugural address In *Sounding the Trumpet* Richard Tofel tells the full story of this mythic moment in American history He draws on original research materials in the Kennedy Library and elsewhere around the country and unlike earlier treatments of the subject on exclusive conversations with Theodore Sorensen Kennedy's aide and chief speechwriter *Sounding the Trumpet* thus reveals many unknown details about this landmark speech Why JFK's famous handwritten draft of the speech is not a draft at all What happened to the speech's first draft How Kennedy rejected a last minute path breaking addition about civil rights How extensive portions of the speech came from a draft submitted by Adlai Stevenson How John Kenneth Galbraith tried to supplant Sorensen as Kennedy's draftsman Precisely how much of the speech Kennedy wrote himself and how much came originally from a draft by Sorensen Mr Tofel sets the political scene for Kennedy's inaugural address tells the story of the inaugural day in detail and follows closely the writing of the speech its delivery and its reception then and later He plumbs its many sources from Shakespeare to the Old and New Testaments from a key sentence crafted by John Kenneth Galbraith to an important change suggested by Walter Lippmann and notes the influence on the speech of authors from Maxwell Taylor to Walt Rostow to Strunk and White The context of the address representing not only the transition from America's oldest president to its youngest elected leader but also Kennedy's desire to respond to Nikita Khrushchev's push for wars A Question of Character Thomas C. Reeves, 1992 A probing analysis of the personality and character of John F Kennedy reveals a shocking discrepancy between the man's personal and political value system By the author of *Gentleman Boss* *The Life of Chester Alan Arthur* Reprint *John F. Kennedy* Lucille Falkof, 1988 Presents the childhood education employment and political career of the youngest man ever elected president of the United States *The Letters of John F. Kennedy* John F. Kennedy, 2015-08-26 John

Fitzgerald Kennedy led the United States for barely a thousand days and yet he is regarded as one of the great Presidents of all time for his brave decisions on civil rights and international relations and not merely as a consequence of his tragic fate Kennedy steered his nation away from the brink of nuclear war initiated the first nuclear test ban treaty and launched his nation on its mission to the moon and beyond JFK inspired a nation particularly the massive generation of baby boomers injecting hope and revitalising faith in the American dream at a time when it was badly needed Martin Sandler's *The Letters of John F Kennedy* is the only book that focuses on letters both from and to Kennedy Drawn from more than two million letters on file at the Kennedy Presidential Library and Museum *The Letters of John F Kennedy* presents readers with a portrait of both Kennedy the politician and Kennedy the man as well as the turbulent times he lived in The beginnings of American involvement in Vietnam a touch and go Cold War relationship with the Soviet bloc and many other international controversies are intertwined with Kennedy's own hushed up health problems his renowned controversial personal life and his charismatic engagement with the world of presidential politics Letters to and from Martin Luther King Jr Eleanor Roosevelt Nikita Khrushchev Bertrand Russell David Bengurian and many others are included as well as missives from ordinary citizens and schoolchildren Each letter is accompanied by lively and informative contextualization and facsimiles of many of the letters will appear in the text along with photographs and exclusive material from the Kennedy Library and Museum

Prince Charming Wendy Leigh, 1994 From his birth just 17 days before his father became President to his being voted Sexiest Man Alive by People magazine to his relationship with actress Daryl Hannah John F Kennedy Jr is now exposed in this fascinating biography Includes 16 pages of revealing photographs

Jacqueline Kennedy Caroline Kennedy, Michael Beschloss, 2011-09-14 In 1964 Jacqueline Kennedy recorded seven historic interviews about her life with John F Kennedy Now for the first time they can be heard and read in this deluxe illustrated book and 8 CD set Shortly after President John F Kennedy's assassination with a nation deep in mourning and the world looking on in stunned disbelief Jacqueline Kennedy found the strength to set aside her own personal grief for the sake of posterity and begin the task of documenting and preserving her husband's legacy In January of 1964 she and Robert F Kennedy approved a planned oral history project that would capture their first hand accounts of the late President as well as the recollections of those closest to him throughout his extraordinary political career For the rest of her life the famously private Jacqueline Kennedy steadfastly refused to discuss her memories of those years but beginning that March she fulfilled her obligation to future generations of Americans by sitting down with historian Arthur Schlesinger Jr and recording an astonishingly detailed and unvarnished account of her experiences and impressions as the wife and confidante of John F Kennedy The tapes of those sessions were then sealed and later deposited in the John F Kennedy Presidential Library and Museum upon its completion in accordance with Mrs Kennedy's wishes The resulting eight and a half hours of material comprises a unique and compelling record of a tumultuous era providing fresh insights on the many significant people and events that shaped JFK's presidency

but also shedding new light on the man behind the momentous decisions Here are JFK's unscripted opinions on a host of revealing subjects including his thoughts and feelings about his brothers Robert and Ted and his take on world leaders past and present giving us perhaps the most informed genuine and immediate portrait of John Fitzgerald Kennedy we shall ever have Mrs Kennedy's urbane perspective her candor and her flashes of wit also give us our clearest glimpse into the active mind of a remarkable First Lady In conjunction with the fiftieth anniversary of President Kennedy's Inauguration Caroline Kennedy and the Kennedy family are now releasing these beautifully restored recordings on CDs with accompanying transcripts Introduced and annotated by renowned presidential historian Michael Beschloss these interviews will add an exciting new dimension to our understanding and appreciation of President Kennedy and his time and make the past come alive through the words and voice of an eloquent eyewitness to history **John F. Kennedy Handbook** Gareth
