On the Journey Home Ezekiel Pankey, 2025-01-29 The book On the Journey Home recounts the life of an individual who could have been a negative statistic in the reports tracking the lives of many He was born into financial poverty and grew up in a public housing community that presented daily challenges The family's move which was initially welcomed as a positive change did not bring about the self change that was needed and almost led

to a disastrous end Escaping to the military was a reprieve that ultimately saved the young man's life However the fast life in the military in a foreign country with streetwise individuals continued to lead him down a path toward destruction It was only upon returning to the States and falling to a level where there was no one to help or call but Jesus that the man's life began to slowly ascend When he married the woman God placed in his life and with a son they both loved his life began to resemble some sense of being normal But even with everything positive happening in his life a home church position and career job everything almost came crashing down It was his faith in God that enabled him to endure His faith in God to deliver and keep him until he arrives at his eternal home was the strength and guide that kept him moving forward on the journey home
