The Joy Of First John

R. C. Candlish

The Joy Of First John:

The Joy of First John Timothy Stephen Brown, 2003-09-22 The title of the book The Joy of First John tells the message that is delivered to the believers The message is one of joy that can only be found in the truth of God's Word This book presents the truth about what John was saying at the time he wrote and how John's writings apply to our lives today The book of First John has been misunderstood by many because they have failed to understand the situation in which it was written The Joy of First John deals with the situation of that day and makes many applications for our lives today This method of study helps us understand the message of First John joy The Joy of 1 John 1:9 D. Rutherford, 2014-03 Welcome to know John from his book like you have never known him before He may not be who some think him to be In the book 1 John 1 9 you will come to appreciate more fully your identity in Jesus Christ You will be able to understand and tell others the similarities and great differences between the two Covenants of the Bible You will also learn why it is vital to understand why it is necessary to understand the two Covenants in relationship to Christians today for those looking for joy in the book of John you will understand and find it here in a way you will gladly spread and share to others Commentary on First John R. C. Candlish, 2002-12 **Lessons of Salvation in 1 John** David Wilson, 2007 Lessons of Salvation in 1 John is the apostle John's invitation to us to know and see and experience the Word of life The power behind the epistle of 1 John and therefore this book is the power of the word itself The extent to which we open ourselves up to heaven's influence and follow God's counsel in 1 John will be the extent to which we experience the promise And these things write we unto you that your joy may be full 1 John 1 4 KJV **Be Real (1 John)** Warren W. Wiersbe, 2010-01-01 Like a child eating cotton candy at the circus many people who expect to bite into something real end up with a mouthful of nothing They waste priceless years on empty substitutes for reality Through clever word pictures like this that strike the reader with their simple truth acclaimed best selling author and former pastor Warren Wiersbe shares priceless unchanging realities as he opens up the book of 1 John Though Be Real is originally copyrighted in 1972 Wiersbe's text is enchantingly as timeless as the truths in the Bible itself His humor is witty his research is extensive his historical context is deep and his commentary is solidly based on the Word of God In fact the Word was with God and the Word was God John 1 1 is the crux upon which he builds to explain the manifestation of a perfect holy Supreme Being to this hurting world of finite sinners Heaven blesses earth and the Divine Creator becomes one of the created in this personal and or group study that you will not soon forget **1-3 John** Robert W. Yarbrough, 2008-11 Robert Yarbrough coauthor of the bestselling Encountering the New Testament offers a historical and theological commentary on the Johannine Epistles in this new addition to the BECNT series The commentary features the author's detailed interaction with the Greek text explores the relationship between John's Epistles and Jesus's work and teaching interacts with recent commentaries is attentive to the history of interpretation and seeks to relate these findings to global Christianity **1 John** L. Daniel Cantey Jr., 2016-12-23 What if heresy had grown within the church maturing secretly

over more than a millennium working ill under the cover of right belief and worship This startling and provocative book argues that the ancient heresy of Docetism reappearing in a form resonant with its original denial of Christ s body has brought the Western church to its current state of disrepair Docetism has irreparably fractured Western Christendom reducing the church to a tangled mass of denominations and sects while also infecting the course of Western society beyond the ecclesia Progressing from an ontological foundation oriented toward the dissolution of form Docetism has led peoples convinced of their march toward unity into ever deepening alienation Although it has repercussions for theological anthropology this ontological foundation has its profoundest implications for the doctrine of God The solution to Docetism as proposed by the author begins with a theory of the Trinity grounded in the tenets of biblical Wisdom and explicated in terms of the relations of origin between the divine persons **The First General Epistle of St. John the Apostle Unfolded and Applied** Nathaniel Hardy,1865 *The Bible Exposition Commentary* Warren W. Wiersbe,2003 Volume 6 of the Bible Exposition Commentary 6 volume set *The Comprehensive Commentary on the Holy Bible: Matt.-John. 1834* William Jenks,1834
