The Joy Of Living A Play In Five Acts:

The Joy of Living Hermann Sudermann, 1903 **The Joy of Living** ,1906 **The Joy of Living** ,1914 **The Joy of Living (Es Lebe Das Leben)** Hermann Sudermann, 1902 Fifteen years before the opening of the play the Countess Beata and Baron Richard were lovers Richard becomes her husband s intimate friend and though their love does not cease the liaison is broken off Beata s influence inspires Richard s ambition and as the play opens she has induced her husband a man of mediocre intelligence to resign his seat in the Reichstag in favor of the brilliant Count Richard During the political campaign Richard s opponent a former secretary brings to light the secret of their past Duty to their party forbids the public scandal of the divorce court or the duel for the outraged husband the men ask Richard s young son what should be done in such a case and he not knowing he is judging his father replies that a man of honor would be more eager to give his life than the husband could possibly be to take it It is understood by the two men and guessed by Beata that Richard will commit suicide The party leaders call on Richard to make a speech against divorce upon the sanctity of the marriage bond Beata makes him promise to attend a political luncheon she and her husband give the day following the speech for the sake of appearances At the luncheon Beata proposes a toast to the joy of living Taking an overdose of her heart medicine which she has dropped unobserved into her glass she asks which of us really dares to live and answers the only living soul among you I drink to the joy of living The guests believe that she has succumbed to heart disease but she has left a letter of explanation for her husband I see that someone must pay the penalty better I than he He has his world before him I have lived my life He cannot die without causing the scandal you have been so anxious to avert I have always loved happiness and I find happiness in doing this for his sake and the children s and yours **The Joy of Living** HardPress, Hermann Sudermann, 2013-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *The Joy of Living* Hermann Sudermann, 1911 **The Joy of Living (Es Lebe Das Leben)** Hermann Sudermann, 2015-07-19 Excerpt from *The Joy of Living Es Lebe Das Leben A Play in Five Acts* The translation of dramatic dialogue is attended with special difficulties and these are peculiarly marked in translating from German into English The German sentence carries more ballast than English readers are accustomed to and while in translating narrative one may by means of subordinate clauses follow the conformation of the original it is hard to do so in rendering conversation and virtually impossible when the conversation is meant to be spoken on the stage To English and American spectators the long German speeches are a severe strain on the attention and even in a translation intended only for the closet a too faithful adherence to German construction is not the best way of doing justice to the original Herr Sudermann s dialogue is more concise than that of many other

German dramatists yet in translation his sentences and speeches need to be divided and recast to preserve the spirit the letter must be modified This is true not only of the construction of his dialogue but also of his forms of expression About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Joy of Living (Es Lebe Das Leben)* Hermann Sudermann,Edith Wharton,Janet Black,2016-05-08 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Argonaut* ,1903 Bulletin of the New York Public Library New York Public Library,1920 Includes its Report 1896 19
