PSALM 27:10

The Keeping Power Of God

F. Leroy Forlines

The Keeping Power Of God:

The Keeping Power of God Herbert Lockyer, 1981-10 **God's Keeping Power** Watchman Nee, 1998-02 **Kept by the Power of God** I. Howard Marshall, 2008-12-01 This is a very controversial subject which disturbs many people If you do get disturbed it will be because of the emotion usually surrounding the subject of eternal security If you get upset it will NOT be caused by the manner in which Dr Marshall has presented the subject It is the contention of the author that there is biblical truth in both the Calvinistic and the Arminian position concerning this volatile subject and that each camp should candidly recognize the value of the other s positions John Wesley once wrote The truth of the Gospel is within a hairsbreadth of Calvinism Quite a concession for the chief spokesman of Arminianism Dr I Howard Marshall echoes the contention of Wesley and then goes even beyond it The full Arminian position is as much open to error as is extreme Calvinism My aim is to reach beyond the Calvinist Arminian controversy to a position which is biblical *God's Power for Today* Andrew Murray, 1997-11-01 Collected from the works of Andrew Murray these passages offer daily nuggets of spiritual nourishment Providing believers with the inspiration to grow closer to God this 365 day devotional will show how to Proclaim the gospel boldly Abide in Christ Know the Holy Spirit Live a holy life Obtain a strong faith Understand biblical humility Obtain the peace of Christ The writings of Andrew Murray have stirred the hearts of millions of Christians Through the well loved passages contained in this book you will receive power to live daily for Christ **Grace** Lewis Sperry Chafer, 1995 Chafer deals systematically and thoroughly with the doctrine of grace The text is extensively indexed by subject and Scripture reference **Renewed Day by Day Volume 1** A. W. Tozer, 1980-01-01 I will bless the Lord who gives me counsel in the night also my heart instructs me Psalm 16 7 ESV Every day runs its course and all tasks but one must come to an end to search God and know Him Of this there can be no end In these 365 daily reflections on the wonder of God and the way of his Word Tozer prompts us to seek God earnestly and love Him with our whole heart Known for his steadfast devotion and incisive ponderings upon the Christian life A W Tozer is a wise and trustworthy counselor As the daylight dims and the night winds down let Evenings with Tozer rest your heart in God s eternal wisdom **General Messages (1)** Watchman Nee, 1993-06-01 Watchman Nee s writings have become well known for their deep spiritual insight among Christians in many nations for many years Through these volumes a full understanding of his balanced and proper view concerning the Bible and the spiritual life can be accurately appreciated This new compilation and retranslation of Watchman Nee s writings present the reader a fresh and unedited version of his ministry and promises to shed new light on the reader s understanding of Watchman Nee s ministry *Power Through Surrender* Chris Borszcz, Lisa Dahlquist, 2022-11-24 Your Christian life is to be a continuous proof that God works impossibilities Your Christian life is to be a series of impossibilities made possible and actual by God s almighty power That is what every Christian needs There seems to be little perception of the truth that a Christian is a person utterly surrendered to God s will As we surrender everything to God His power will be manifested in our

lives so we can live victoriously What a beautiful exchange our weakness for His power **The Quest for Truth** F. Leroy Forlines, 2001 This invaluable tool seriously discusses profound truths that apply to every facet of life Biblical truth should be made applicable to the total personality The inescapable questions of life are answered from the standard of God's authoritative Word **Gospel-Centered Idolatry** R L Coursey, 2022-10-18 Thomas Chalmers in his classic sermon entitled The Expulsive Power of a New Affection correctly ascribes subjective power to subjective affections for love does have an expulsive power whether one loves God to the despising of self or loves self to the despising of God But he incorrectly sides with objective justification full pardon and gracious acceptance as the power that creates love and the engine that empowers sanctification He is right to suggest that a new affection has expulsive power but wrong to suggest that the source and power of a new affection is primarily in the indicative benefits Jonathan Edwards on the other hand sided with regeneration for the obvious reason that without a new nature the natural man can only be constrained by outside considerations the indicatives to superficially walk in newness of life the imperatives Such considerations might produce change that rises as high as the outward performance of the Legalist but it is still only the superficial height that self love alone can achieve The Spirit's work of illuminating the higher glory and beauty of Christ to the soul is the only source of an affection that can be called new If the expulsive power of a new affection does not dethrone self as one's primary concern in life and theology then what exactly is being expelled by the power of the gospel If one's religion does not surpass one's primary concern for what's in it for oneself then one's self love may have an expulsive power but it will be the light of the glory of God in the face of Christ Jesus that is expelled by the power of self love The irony of the cross was that Christ was crucified by those who already had a knowledge of God's steadfast love and rejoiced in spiritual privileges The proper force and source behind the believer's love for God is not found in the objective benefits as they reflect upon the believer's high privileges but God's power alone as it is exerted in the soul by the Spirit imparting a new heart new affections and a new principle of action that did not exist prior Good fruit is produced only by a good tree and however constrained by outside forces a bad tree cannot be manipulated to produce fruit contrary to its nature
